   Re: *Public Records Request Received February 3, 2020-PRA Washington*

To whom it may concern:

The purpose of this letter is to acknowledge that, the Federal Way Public Schools—Office of the Superintendent, received your public records request.

You are requesting:

  1. I request an electronic copy of all email communications between any employee of the Federal Way School District and any member of the Washington School Personnel Association for the years 2014-2020.

  On February 7, 2020 we sent a letter requesting clarification as to the names to search on for Washington School Personnel Association. On February 13, 2020 we received a response with the names. The district is currently working on this request, namely an email search.

  2. I request an electronic copy of all emails in the possession of the Federal Way School District to or from any user of the internet domain WSPA.NET for the years 2016-2020.

  The district is currently working on this request, namely an email search.

  3. I request an electronic copy of all RECORDS and WRITING, documents, agreements, meetings, papers, scheduling, etc. referencing the Washington School Personnel Association for the years 2014-2020.

  We are enclosing the first installment of responsive records which is 1,536 pages for this request. We continue to identify additional responsive documents.

  The Washington School Personnel Association is a Washington State Non profit corporation located at 6118 PARKSIDE DR, ANACORTES, WA, 98221.
