Dear Fred:

Be advised that Jamie and Tom Etu, who reside at 12 1/2 McCrea St, have made a complaint against you. The Complaint is that on January 17, 1986 at or about 4:00 AM they reported a person on there porch. They claim that you never made an attempt to check their residence to be sure that everything was okay.

Also be advised that I could not find anything in the log in regards to the incident.

This is to advise you that any further actions like this will not be tolerated. If they continue it may result in the termination of your employment with this Department.

Sincerely,

Mitchell C. Suprenant
