ABOUT OUR DISTRICT

The Galena Park Independent School District proudly serves over 22,000 students at 25 campuses and two alternative settings.

The District employs just under 3,000 teachers, support staff and administrators, making us one of the largest employers in east Harris County. Thanks to the hard work and dedication of our highly qualified teachers, Galena Park ISD continues to deliver effective instruction to our diverse and growing student population in grades Pre-K through 12.

GPISD takes great pride in its academics. A variety of outstanding instructional programs are designed to meet the ever-changing needs of the students we serve. Instructional programs include: bilingual education, English as a second language, advanced placement, dual credit, gifted and talented, special education, career and technical education, tutorials, alternative educational programs and the Career and Technical Education Early College High School (CTE ECHS).

The District also takes great pride in outstanding extracurricular activities such as: fine arts, FFA, athletics, LOTC, culinary arts and robotics to name a few. Several of our award-winning programs have been recognized at the district, regional, state and even world levels.

Galena Park ISD remains committed to student success. By focusing on ***Excellence in All, For All, By All***, GPISD will continue to lead students toward a brighter future, filled with hope, happiness and promise.

INTRODUCTION

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to the Executive Director for Human Resource Services, Mike McKay.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of non-contract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. HIRING AND PLACEMENT OF STAFF

EQUAL EMPLOYMENT OPPORTUNITY

Policies DAA, DIA

Galena Park ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, sex (including pregnancy), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

RECERTIFICATION OF EMPLOYMENT AUTHORIZATION

Policy DC

At the time of hire, all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization docu-

ments have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Oralia Cantu at 832-386-1207 if you have any questions regarding reverification of employment authorization.

Employment After Retirement Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances in a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication Employment After Retirement. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

JOB VACANCY ANNOUNCEMENTS

Announcements of job vacancies by position and location are posted on a regular basis.

SELECTION PROCEDURE- CONTRACTUAL/CLASSIFIED STAFF

Applicants for contractual positions or auxiliary noncontractual may be interviewed by the Assistant Superintendent, Human Resource Services, the division head, the building Principal and members of the teaching team. The Principal has authority to recommend for approval all teacher and staff appointments to his/her campus. When a selection is made, the individual will be recommended by the appropriate administrator to the Superintendent and/ or Board of Trustees.

PROBATIONARY CONTRACTS- PROFESSIONAL

The first three years of continuous employment in the District for full-time, professional, certified employees is a probationary period. A probationary period may be extended for a fourth year. A probationary contract may not exceed a term of one year. The probationary period shall be one year for teachers who transfer into the district and have taught five of the prior eight years in public education.

TERM CONTRACTS PROFESSIONAL

Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Non-Contract, Transfers, ESSA

Teachers and administrators are recommended for a term contract by the Principals and/or Supervisors in writing to the Superintendent if their services are satisfactory at the end of the probationary period. The Superintendent then presents recommendations to the Board of Trustees for approval in May for all professional employees.

NONCERTIFIED PROFESSIONAL & ADMINISTRATIVE EMPLOYEES

Employees in administrative positions (Director and above) that do not require SBEC certification are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

TERMINATION

If the Board decides to terminate the employment of an employee serving a probationary period, it shall give the employee notice of termination no later than the 10th day before the last day of instruction. Provisions for contract non-renewal of a term contract employee are outlined in Board Policies DF series.

Note: An employee who fails to meet eligibility for certification within the period provided by state law and policy shall be subject to employment termination.

DISMISSAL OR NON-RENEWAL OF CONTRACT EMPLOYEES

Policy DF Series

Employees on probationary, term, and continuing contracts can be dismissed during the school year according to procedures outlined in district policies. Employees on probationary or term contracts can be terminated at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and/or an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or non-renewal occurs will be provided when a written notice is given to an employee. Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies that are available on-line.

DISMISSAL OF NON-CONTRACT EMPLOYEES

Policy DCD

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, gender, national origin, age, disability, military status, genetic information, any

other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. (*See Grievance Procedures, page 43.*)

NON-CONTRACT

Auxiliary personnel are non-contractual employees. As at-will employees, they are not employed for a specified length of time. A Letter of Reasonable Assurance as notification of continued employment with the district will be offered to all at-will employees.

REASSIGNMENTS AND TRANSFERS - ALL STAFF

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extra-curricular or supplemental duty assignments may be reassigned at any time. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

All personnel may request reassignment to other employment assignments within the District subject to approval of the Superintendent. An on-line transfer request can be submitted in TEAMS through the Employee Service Center during early March to the end of May. Once completed and submitted by the employee, the current supervisor and the supervisors at the desired locations receive on-line notification of this transfer request. The supervisor accepting the new transfer request will initiate and have the proper paper work signed by the "sending" supervisor in order to move the employee to the new campus by early June. The District transfer process/procedure could be affected by the District's projection of needed staff for the upcoming school year.

Every Student Succeeds Act

The U.S. Congress passed the Every Student Succeeds Act (ESSA) for teachers.

ESSA (teachers) applies to the core content teaching assignments of English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, arts, history, and geography.

All core teachers must meet the ESSA guidelines. Parents whose children are being taught by teachers who do not meet the ESSA requirements for four or more consecutive weeks must be notified. Elementary grade

levels as defined by ESSA are grades EC-5. Secondary are grades 6-12.

Minimum ESSA qualifications for experienced teachers assigned to core areas:

- A bachelor's degree; and
- Full Certification, with license to teach in Texas; and
- Demonstrated competency in the core academic subject area assigned

Personnel shall meet Texas certification requirements before contracts are issued, duties are assigned, or payment is made from any source of funds. **Any person who desires to teach in the District shall present his/her certificate for filing with the District before a contract with the Board shall be binding. Education Code Sec. 21.003 (A) (b); 19 TAC 121.12(a) Professional employees in positions requiring certification shall hold one of the following certificates or permits.**

Notification to Parents Regarding Qualifications Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Veronica Castro, Certification Specialist.

INSTRUCTIONAL AIDES

The U.S. Congress passed a new law titled "No Child Left Behind Act of 2001 (NCLB)" that impacts the requirements for instructional aides. This statute stipulates that all paraprofessionals hired after January 8, 2002, must meet one of the following qualifications:

- Complete at least two (2) years of study at an institution of higher education; or have at least 48 college hours from an accredited college or university; or
- Obtain an associate's degree (or higher); or

- Meet a rigorous standard of quality and can demonstrate through a formal state or local assessment.
- Knowledge of, and the ability to assist in instructing, reading, writing, and writing readiness, and mathematics readiness, as appropriate.

All paraprofessionals who are assigned as instructional aides and in-school suspension monitors (ISS) must meet NCLB requirements prior to being hired. The State Board for Educator Certification requires that all instructional aides must possess or apply for the Standard Educational Aide Certificate.

CERTIFICATION AND LICENSES Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Veronica Castro in a timely manner.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Veronica Castro if you have any questions regarding certification or licensure requirements.

tary. If necessary, the campus/department secretary will call the Payroll Services Department.

SALARIES, WAGES, AND STIPENDS

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as non-exempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See Overtime Compensation, on page 21).

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Lead Salary Clerk at 832-386-1243 for more information about the district's pay schedules or their own pay.

ALL PERSONNEL

The Superintendent shall develop and recommend to the Board for adoption a pay system for all District personnel. Any pay increases shall be approved by the Board. Copies of the District's pay system are available from the Superintendent's office. Professional personnel employed for less than full time or less than a full year shall be paid an amount specified in the employment agreement.

EXEMPT/NONEXEMPT

The Superintendent or designee, within guidelines set out in federal regulations, shall determine the classification of positions or employees as "exempt" or "nonexempt" for purposes of compliance with the Fair Labor Standards Act.

TIMEKEEPING FOR EXEMPT EMPLOYEES

All Exempt employees, those **not** entitled to over-time compensation, are required to record all days worked for Galena Park ISD. The TEAMS timekeeping system will be the official record of time worked. Each employee is required to "clock in" and "clock out" each day for recordkeeping purposes.

SUPPLEMENTAL DUTIES

The Superintendent or designee may assign supplemental duties to personnel exempt under the Fair Labor Standards Act, as needed. These noncontractual duties may be modified or discontinued at any time for any reason or no reason, at the sole discretion of the District. The assignment of these duties shall not create any expectation of continued assignment to that same duty or any other duty. The employee shall be compensated for these assignments according to the supplemental duty payment schedule system established by the Board.

TIMEKEEPING FOR NONEXEMPT EMPLOYEES

All Non-Exempt employees, those entitled to overtime compensation, are required to record all hours worked for Galena Park ISD. Working "off the clock" is prohibited. The TEAMS timekeeping system will be the official record of time worked. Each employee is required to "clock in" and "clock out" to record time worked and lunch breaks. Employees are encouraged to take, at least, a 30-minute duty-free lunch.

Breaks from work are not required by federal or state law, however the District recognizes the need for occasional breaks in order to maintain a positive and productive work environment. Such breaks will be at the discretion of the employees' Supervisor/Administrator. Employees are able to use District time clocks or District IP phones to clock in and out.

The accuracy of time worked is the responsibility of the employee. Falsifying or tampering with official District time records may result in disciplinary actions.

Supervisors/Administrators are responsible for ensuring time records are accurate and approved for payroll processing. Manual timesheets are not to be used to record time worked for an employee's regularly scheduled assignment unless otherwise specified.

OVERTIME COMPENSATION

The default method for the payment of overtime to non-exempt employees is compensatory time. Exceptions are allowed for certain manual trades positions. Overtime payment in cash must be approved by the supervisor and an executive director, assistant superintendent or superintendent. The employee shall be informed in advance if overtime hours will accrue compensatory time rather than pay. Supervisors of nonexempt employees shall ensure an agreement or understanding with the employees regarding the form of compensation for overtime (cash or compensatory time off) prior to the performance of the work causing the overtime duty. These agreements or understandings need not be in writing, but the supervisor shall maintain some record of them, such as a calendar notation, a memo to the file, or some similar indication that the employee was notified of the type of compensation to expect.

The district compensates overtime for nonexempt

employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. Nonexempt employees that are paid on a salary basis are paid for the hours set by the normal work schedule. Hours worked beyond the normal schedule up to 40 hours will be paid at a regular rate. For the purpose of calculating overtime, a workweek begins at 12:00 am Sunday and ends at 11:59 pm Saturday.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee shall use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

NAME AND ADDRESS CHANGES

It is important that employment records be kept up to date. Employees must notify the Payroll Services office if there are any changes or corrections to their name, home address, contact telephone number, marital status, emergency contact, or beneficiary. The form to process a change in personal information can be obtained from the Payroll Services office. In order to complete a name change with Galena Park ISD, the following information must be submitted to the Payroll Services Department:

- A copy of the new Social Security Card or receipt from the Social Security Office
- W-4 Form
- Change/Correction of General Information form
- TRS11 - Designation of Beneficiary Form

Workload and Work Schedule

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the

district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year. Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees.

Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See *Overtime Compensation* on page 21 for additional information. An “equivalent workday” for purposes of accumulation, use, or recording shall mean the number of hours per day associated with the employee’s usual work assignment.

Any District employee charged with supervising other employees and establishing work schedules reserves the right, in his or her sole discretion, to change or alter the work schedule and/or duty days of any employee in a manner which serves the best interests of the supervisor’s department and/or District.

BREAKS FOR EXPRESSION OF BREAST MILK
Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

BELL SCHEDULES

Employees are expected to report to work punctually according to their schedule and their supervisor’s directive. Staff members shall clock in at the assigned time to begin work. Hourly staff members must not check in early nor late without the express permission of the supervisor.

BAD WEATHER CLOSING

The district may close schools because of bad weather or emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning the closing of the district’s facilities. When it becomes necessary to open late, to release students early, or to cancel school, district officials will post a notice on the district’s website and notify the following radio and television stations:

Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located at the front entrance of the facility. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written or electronic means. Pest control information sheets are available from campus principals or facility managers upon request.

SEARCHES AND ALCOHOL AND DRUG TESTING *Policies CQ, DHE*

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

GIFTS AND FAVORS*Policy DBD*

Employees may not accept gifts or favors that could influence, or be construed to influence, the employee's discharge of assigned duties. The acceptance of a gift, favor, or service by an administrator or teacher that might reasonably tend to influence the selection of a textbook, electronic textbooks, instructional materials or technological equipment may result in prosecution of a Class B misdemeanor offense. This does not include staff development, teacher training, or instructional materials such as maps or worksheets that convey information to students or contribute to the learning

process.

COPYRIGHTED MATERIALS*Policy CY*

Employees are expected to comply with the provisions of federal copyright law relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e., printed material, videos, computer data and programs, etc.). Electronic media, including motion pictures and other audiovisual works, are to be used in the classroom for instructional purposes only. Duplications are to be used in the classroom for educational purposes only. Duplication or backup of computer programs and data must be made within the provisions of the purchase agreement.

ASSOCIATIONS AND POLITICAL ACTIVITIES*Policy DGA*

The district will not directly or indirectly discourage employees from participating in political affairs or require any employee to join any group, club, committee, organization, or association. Employees may join or refuse to join any professional association or organization.

An individual's employment will not be affected by membership or a decision not to be a member of any employee organization that exists for the purpose of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work. Use of district resources including work time for political activities is prohibited.

CHARITABLE CONTRIBUTIONS*Policy DG*

The Board or any employee may not directly or indirectly require or coerce an employee to make a contribution to a charitable organization or in response to a fundraiser. Employees cannot be required to attend a meeting called for the purpose of soliciting charitable contributions. In addition, the Board or any employee may not directly or indirectly require or coerce an employee to refrain from making a contribution to a charitable organization or in response to a fundraiser or attending a meeting called for the purpose of soliciting charitable contributions.

POSSESSION OF FIREARMS AND WEAPONS*Policies DH, FNCG, GKA*

Employees, visitors, and students, including those with a license to carry a handgun, are prohibited from bringing firearms, knives, clubs, or other prohibited weapons onto school premises (i.e., building or portion of a building) or any grounds or building where a school-sponsored activity takes place. A person, including an employee, who holds a license to carry a handgun may transport or store a handgun or other firearm or ammunition in a locked vehicle in a parking lot, garage, or other district provided parking area, provided the handgun or firearm or ammunition is properly

stored, and not in plain view. To ensure the safety of all persons, employees who observe or suspect a violation of the district's weapons policy should report it to their supervisor or call Bryan Clements, Executive Director for Security & Technology/Chief of Police immediately.

VISITORS IN THE WORKPLACE

Policy GKC

All visitors are expected to enter any district facility through the main entrance and sign in or report to the building's main office. Authorized visitors will receive directions or be escorted to their destination. Employees who observe an unauthorized individual on the district premises should immediately direct him or her to the building office or contact the administrator in charge.

PERSONNEL RECORDS

Policy DBA, GBA

Most district records, including personnel records, are public information and must be released upon request. In most cases, an employee's personal email is confidential and may not be released without the employee's permission. Employees may choose to have the following personal information withheld:

- Address
- Phone number, including personal cell phone number
- Emergency contact information
- Information that reveals whether they have family members

The choice to not allow public access to this information may be made at any time by submitting a written request to the Human Resource Services Department. New or terminating employees have 14 days after hire or termination to submit a request. Otherwise, personal information will be released to the public until a request to withhold the information is submitted.

EMPLOYEE INVOLVEMENT

Policies BQA, BQB

At both the campus and district levels, GPISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Executive Director for Educational Support.

BUILDING USE

Policies GKA, GKD

Employees who wish to use district facilities after school hours must follow established procedures. The Senior Director for School Operations is responsible for scheduling the use of facilities after school hours. Contact [Angie Esparza](#) to request the use of school facilities and to obtain information on the fees charged.

EMERGENCIES

Policies CKC, CKD

All employees should be familiar with the safety procedures for responding to emergencies, including a medical emergency, and the evacuation diagrams posted in their work areas. Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all district buildings. Employees should know the location of these devices and procedures for their use.

SHELTER IN PLACE & LOCKDOWN PROCEDURES

In the event of an emergency, all Galena Park ISD employees will adhere to the following procedures outlined in the District Crisis Procedures Manual. Shelter in place and lockdown procedures apply to all employees at all District facilities. Emergency procedures are defined below.

SHELTER IN PLACE

- This procedure is used during chemical releases, fires or other environmental hazards.
- **This means all windows and doors are locked and the air conditioning system is shut down.**
- **NO ONE** is allowed to enter or leave a building that has activated SHELTER IN PLACE procedures. This means parents **WILL NOT** be able to pick up children from school. It is safer to keep the students inside the building rather than expose them to possible harm by allowing them to leave the building.
- Once the "ALL CLEAR" is given, students, teachers and other employees will return to their regular activities.
- If you are near a school that is sheltering in place, **you should also shelter in place.**

LOCKDOWN

- This procedure is used when an intruder invades the premises.
- All doors, windows, classrooms and administrative offices are locked. Students, teachers and employees remain in their classroom/offices until the "ALL CLEAR" signal is given.
- Under lockdown procedures, **NO ONE** will be allowed to enter or leave the building.
- The local law enforcement authorities will provide assistance if needed.

VIOLATIONS

- There could be legal ramifications if an individual violates SHELTER IN PLACE and

LOCKDOWN procedures.

CRIMINAL TRESPASSING - Texas Penal Code section 30.05

DISRUPTION - Texas Education Code section 37.124

CLASS B MISDEMEANORS

VIOLATIONS

Employees shall comply with the standards of conduct set out in this policy and with any other policies, regulations, and guidelines that impose duties, requirements, or standards attendant to their status as District employees. Violation of any policies, regulations, and guidelines may result in disciplinary action, including termination of employment. [See Policy DF series]

TEACHER RESPONSIBILITY

CURRICULUM & INSTRUCTION RESPONSIBILITY

Curriculum is defined as the knowledge, skills, attitudes, and processes to be taught and learned at the appropriate levels/areas or in courses in the District's schools. The District uses our web-based Curriculum Corner for the required scope and sequences and units of study outlined in the curriculum maps. The model for curriculum development, implementation, and evaluation includes the following components: curriculum (written curriculum), instruction (taught curriculum), and evaluation (tested curriculum). The curriculum is clearly stated in Curriculum Corner so that the faculty can teach the written curriculum. The teacher-made tests and standardized tests shall be congruent with the written and taught curriculum. Teachers shall follow the curriculum maps and scope sequences distributed by the District and the Texas Essential Knowledge and Skills for each subject mandated by the state. Teachers will use Curriculum Corner to develop daily lesson plans as specified by the administrator in charge. Administrators, supervisors, and mentors shall work with teachers to ensure consistency between curriculum design (written curriculum) and curriculum delivery (what is actually taught). Any substantial deviation must be approved by the Superintendent or designee.

In addition to consistent delivery of the learning objectives in the curriculum, it is expected that instructional delivery will be based on sound teaching principles grounded in educational research. Instructional supervision efforts are to focus on these sound teaching principles.

A systematic process shall be in place for planning and providing instruction appropriate for each student and for engaging the student until learning objectives are attained. This systematic process shall include:

1. Establishing a school climate that continually affirms the worth and diversity of all students.
2. Expecting and ensuring that all students will perform at high levels of learning.
3. Varying the time for learning according to the

needs of each student and the complexity of the task.

4. Having staff members, students, and parents take responsibility for successful student learning.
5. Assessing current student skills/learning for instructional assignment (placement).
6. Analyzing the content of each objective so that instructional strategies match content and assessment.
7. For a student receiving special education services, each teacher shall document the use of accommodations/modifications as required by the IEP (Individualized Education Plan). If the student receives the required accommodations/modifications and fails, the teacher will conference with parent/guardian, (student as appropriate), and case manager to develop an intervention plan and to schedule an ARD meeting to modify the IEP for the intervention plan, including new/different accommodations/modifications as needed by the student.

Procedures must be in place to assign student instructional materials such as: textbooks, calculators, lab equipment, manipulatives, technology equipment. Student use of instructional materials during class time should be monitored and materials must be collected at the end of every class period to be stored properly. A calculator contract must be utilized for any student that uses a scientific or graphing calculator. Report any issues involving instructional materials to appropriate campus/district personnel in a timely manner.

The District staff development program for teachers shall include a research-based approach to teaching and provide teachers with alternative ways to view teaching. Teachers may be required to attend staff development beyond their normal work days and hours, including after school and on Saturdays.

DIFFERENTIATION

Teachers will differentiate their instruction to meet the needs of all students. Differentiated instruction is Responsive Teaching - utilizing various methods and adapted instruction so that students have multiple options for taking in information and making sense of ideas. Differentiated instruction requires teachers to be flexible in their approach to teaching and adjusting the presentation of information to learners rather than expecting students to modify themselves to access and make sense of the curriculum. Classroom teaching is a blend of whole-class, flexible groups and individual instruction. Differentiated Instruction is based on the premise that instructional approaches should vary and be adapted in relation to individual and diverse students in classrooms. Teachers should recognize students varying background knowledge, readiness, language, preferences in learning, interests, and to react responsively. Differentiated instruction is a process of teaching and learning for students of differing abilities in the same class. The intent of differentiating instruction is to maximize each student's growth and individual success by meeting each student where he or she is, and assisting in the

learning process of all students.

NEW COURSES/PROGRAMS

New programs and courses shall be instituted in the District only after careful research, study, and planning have been completed.

Proposals for new programs shall be submitted in writing to the appropriate coordinator/director. Each program, course, or proposal should be documented according to need, resources required, and operating costs. Following a review of the proposal by professional staff and the Program Evaluation Committee, a decision will be made concerning its feasibility. If approved, a program description of each new program should be appropriately distributed and filed for future reference.

STUDENT FAILURE CRITERIA

The following guidelines for student failure on all campuses shall apply:

1. A parent shall receive contact if his or her student(s) is receiving a failing grade on the progress report or report card.
2. Each teacher shall submit a Contact Log to his or her appraiser/principal at the end of the grading period with the failing students' names and grades attached. Leaving a message on an answering machine shall not be considered contact with the parent/guardian. Email or text messages may be considered contact if the parent responds.
3. A parent/guardian shall be contacted any time his or her student's grade drops from passing to failing during a grading period.
4. A conference shall be scheduled with a parent/guardian of a student who fails during the grading period. Documentation shall be submitted to the teacher's appraiser/principal.
5. Every student shall have the opportunity to retest after receiving a failing grade (69 or below) on a major test. The two test grades shall be averaged together for the final test grade. Quizzes, six-week exams, nine-week exams, and semester exams shall not be eligible for retesting. Best practice is to bring the student in for a review prior to the retesting.
6. A student may turn in work to eliminate zeros during the grading period. The deadline for submitting the makeup work shall be one week before the end of the grading period. The District's penalty for late work in regular classes is a maximum of minus ten points for one week late, minus 20 points for two weeks late, and minus 30 points for three or more weeks late. The District's penalty for late work in Advanced Placement (AP) classes and Pre-AP classes shall be minus ten points per day late.

GRADING REQUIREMENTS

The purpose of grading is to provide feedback to students and parents regarding the student's performance in the classroom. A reminder, that SB 2033 from the 81st Texas Legislature requires all teachers

to assign grades that reflect the student's mastery of an assignment. Teachers are expected to follow Policy EIA & EIE when determining students grades. To do this effectively and consistently, teachers are required to adhere to the following grading policies:

1. All work must be graded and returned to the students within 72 hours. The exception is for Full Compositions, for which the timeline is increased to one calendar week.
2. When grades are returned to students, the students will have an opportunity to ask questions about what they missed.
3. For scantron tests, the students will receive a copy of the test so they can see the actual questions missed.
4. If test security needs to be maintained, tests may be taken up following the student review.
5. For subjective assessments (short answer, essays, etc.) students are to receive feedback for improvement if points were deducted from the grade. Students need to understand why they did not get full credit.
6. All grades must be placed in Skyward within the above timeline.
7. All grades in Skyward should have a clear title so parents understand which skill(s) were addressed.

TEACHER RESPONSIBILITIES - SPECIAL EDUCATION

The general education teacher should:

- Review and become familiar with IEPs/Accommodation Plans/ BIPS accessible in Aware for each student assigned to them.
- Maintain a classroom file (include work samples, accommodated/modified work, lesson plans, behavior and attendance data, etc.) for each identified student who receives support from Special Education.
- Maintain work samples that include documentation of implementing such plans.
- Develop, implement and maintain lesson plans that indicate adaptations or accommodations specified in the students' IEP.
- If Co-Teaching with a Special Education Teacher, meet regularly to plan collaborative lessons. Address questions or concerns with the Special Education Department or with campus administration.
- Monitor and evaluate the progress of all students including those receiving support from Special Education.
- Report any concerns immediately to Special Education Department/Case Manager.
- Communicate regularly with the Special Education Department /Case Manager.
- Assign grades based on the assignments/tests that have been Modified or Accommodated per the IEP.
- Ensure and maintain work samples to serve as documentation that the IEP has been fully implemented prior to issuing a failing grade on a report card.
- Follow the District's Grading Policies/Procedures.
- Prepare appropriately for ARD meetings, by sharing

data regarding grades, progress, attendance and behavior.

SUSPECTED DISABILITY

If you suspect a student has a disability, share that information with the Rtl Chairperson. You may be asked to produce work samples and documentation of your observations. Teachers should prepare to share data with the team, such as: written work samples, documented behavior and/or academic concerns, documentation of interventions that have been provided and documentation that the parent has been contacted.

When a parent submits a written request for a referral for an Initial Special Education Referral, you must submit this letter immediately to your campus Diagnostician. The District has 15 school days to reply to the parent's request. The Diagnostician should contact the Special Education Director for Assessment and Compliance immediately. The Director will provide a timeline and further guidance regarding the request.

TEACHER ATTENDANCE REPORTING EXPECTATIONS

Galena Park ISD receives state funding based on student attendance. It is the expectation of the district that every teacher submit attendance daily in Skyward. For those campuses that have more than one class period, attendance must be submitted for every class period assigned to a teacher. The attendance time reported in Skyward is very important. Skyward time stamps the exact time attendance is reported. In the event of a TEA Attendance Audit, TEA will ask for a report that indicated the exact time attendance is taken daily by each teacher. If the ADA attendance is not reported during the designated ADA window, TEA will retain 100% of the district's funding.

Teacher Attendance Expectations:

- Report attendance daily.
- Attendance reported must reflect which students are actually present in your classroom at the ADA snapshot time.
- Attendance submitted prior to official ADA time will result in the district losing ADA funding.
- If a student is not physically present in the classroom at ADA time, the student must be marked absent. This includes students who are in the office, clinic, on a field trip, etc.
- Promptly notify the attendance clerk/office, in writing using district form, of any errors or omissions.
- Attendance for non-ADA class periods must be taken within the first 10-15 minutes of each class period.
- Complete the membership **reconciliation** of the district designated days.

TEA's Student Attendance Accounting Handbook states, "The teacher who initially records an absence is responsible for the accuracy of the report and

attests to the validity of the data with his or her entry using the teacher's log-on. Attendance may not be taken by the students, classroom aides, clerks or substitutes."

DISTRICT EMPLOYEE STUDENT TRANSFER REQUEST

All full-time resident and nonresident Galena Park ISD employees may apply for a transfer for their child/children to a Galena Park ISD campus. One application must be submitted annually for each child. In addition, employees must sign and complete a Student Transfer Agreement.

In approving transfers, the Superintendent or designee shall consider availability of space and instructional staff, the student's disciplinary history, and attendance/tardy records. Employees will only be allowed to request a transfer for their child/children during the designated enrollment period, unless hired after the close of the annual enrollment period.

HEALTH SAFETY TRAINING Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the Director for Athletics by the start of the school year.

STUDENT MANAGEMENT

The classroom teacher is responsible for maintaining a safe learning environment for all students. Positive discipline strategies that reflect the campus and district student management plan should be used consistently when addressing undesired behavior. Rules and expectations should be clearly communicated to parents/guardians and students. Teachers are to address mild disruptions with appropriate behavior changing consequences as well as maintain an open line of communication with parents/guardians regarding the undesired behavior. It is the teacher's responsibility to document behavior and notify parents. Campus administrators should be informed of any persistent or illegal behavior immediately. All behavior should be addressed by the classroom teacher.

Notification is defined by speaking with the parent or guardian. This communication should be logged in the teacher's Parent Communication Log in Skyward.

DISCRIMINATION, HARASSMENT, AND RETALIATION Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be reported to the Executive Director for Compliance & Hearing, [Jerid Link at extension 1241 for Title IX Complaints \(Gender\) can, Title XII Complaints \(Sex, Race, Color, Age, Religion, National Origin\)](#). Any complaints in regards to ADA or Section 504 complaints can be reported to the District 504 Coordinator, [Andrea Sellers, Special Education Director for Psychological Services at \(832\) 386-1080](#). A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

This policy is outlined on the District's website at www.galenaparkisd.com

HARASSMENT OF STUDENTS Policies DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 33 and *Bullying*, page 36 for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is as follows:

This policy is outlined on the District's website at www.galenaparkisd.com

SEXUAL HARASSMENT

DEFINITION:

Sexual harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an employee because of his/her gender and that:

1. Has the purpose or effect of creating an intimi-

- dating, hostile, or offensive working environment;
2. Has the purpose or effect of unreasonably interfering with an individual's work performance;
 3. Otherwise adversely affects an individual's employment opportunities.

Harassing conduct includes (1) epithets, slurs, negative stereotyping or threatening, intimidating, or hostile acts that relate to gender and (2) written or graphic material that denigrates or shows hostility or aversion toward an individual or group because of gender and that is placed on walls, bulletin boards, or elsewhere on District premises, or is circulated in the workplace.

NOTICE OF EMPLOYEE RESPONSIBILITY FOR ENSURING STUDENT WELFARE

Any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect by any person shall immediately make a report as required by law. *Family Code 261.101(a)*

Any employee who has cause to believe that a child has been or may be abused or neglected shall make a report as required by law. The report must be made within 48 hours after the professional first suspects abuse or neglect. [See FFG (EXHIBIT) for definitions of "neglect" and "abuse."] A professional may not delegate to nor rely on another person to make the report.

REPORTING SUSPECTED CHILD ABUSE *Policies DG, DH, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code **§26.001**, to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child or person with a disability.

Reports to Child Protective Services can be made to www.txabusehotline.org or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

SEXUAL ABUSE AND MALTREATMENT OF CHILDREN

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at the office of Senior Director for Educational Support. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

REPORTING CRIME *Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

COMPLAINT PROCEDURE

An employee who believes he or she has been or is being subjected to any form of sexual harassment shall bring the matter to the attention of the principal

or immediate supervisor, in accordance with the procedures in the District's employee complaints policy [see DGBA (LOCAL)]. However, no procedure or step in that policy shall have the effect of requiring the employee alleging harassment to present the matter to a person who is the subject of the complaint. Nor shall a sexual harassment complaint be dismissed because it is not filed within the time lines set out in DGBA (LOCAL).

RESIGNATIONS

Policy DFE

Contract Employees. Contract employees may resign their position without penalty at the end of any school year if written notice is received at least 45 days before the first day of instruction of the following school year. An electronic notice of resignation through TEAMS should be submitted to the Assistant Superintendent for Human Resource Services. Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Agency* on this page. The superintendent will notify SBEC when an employee resigns and reasonable evidence exists to indicate that the employee has engaged in of the same acts.

Noncontract Employees. Noncontract employees may resign their position at any time. - Employee's last known address
- Name and address of the employee's new employer, if known

TEACHER RETIREMENT

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify Human Resource Services as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. STUDENT RECORDS

Policy FL

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus administration for assistance.

PARENT AND STUDENT COMPLAINTS

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or Human Resource Services can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

ADMINISTERING MEDICATION TO STUDENTS

Policy FFAC

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for any phylaxis (e.g., EpiPen), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures.

A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

DIETARY SUPPLEMENTS

Policies DH, FFAC

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance enhancing dietary supplement to any student.

PSYCHOTROPIC DRUGS

Policy FFAC

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood or behavior altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

STUDENT CONDUCT AND DISCIPLINE

Policies in the FN series and FO series

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

STUDENT ATTENDANCE

Policy FEB

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

BULLYING
Policy FFI

All employees are required to report student complaints of bullying to the campus principal. The district's policy includes definitions and procedures for reporting and investigating bullying of students and is reprinted below:

This policy is outlined on the District's website at www.galenaparkisd.com. Under the Administration tab and then click on Policy Online.

HAZING
Policy FNCC

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.

REPORTING ROUTINE ABSENCES

When both professional and non-exempt staff members are absent from work, they must notify the supervisor to whom they directly report no later than the time specified by the campus or department. In addition, staff members must also enter their absence in to the TEAMS Employee Service Center. Itinerant personnel must notify their coordinating office.

STATE PERSONAL LEAVE-
(POLICY DEC LEGAL)

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school district, and generally transfers to education service centers. The District may provide additional personal leave beyond this minimum. The Board may adopt a policy governing an employee's use of personal leave granted under this subsection. Education Code 22.003(a)

District employees retain any leave accumulated as state minimum leave under former Section 13.904(a)

of the Education Code. Former Section 13.904(c), Education Code, continues to govern the use of that sick leave. Leave days shall be used only for the following:

- 1. Illness of the employee;
- 2. Illness of a member of the employee's immediate family;
- 3. Family emergency;
- 4. Death in the employee's immediate family;
- 5. During Military Leave [see use During Military Leave].

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- 1. Spouse;
- 2. Son or daughter, including a biological, adopted, or foster child, a son-or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in *loco parentis*;
- 3. Parent, step-parent, parent-in-law, or other individual who stands in *loco parentis* to the employee;
- 4. Sibling, step-sibling, and sibling-in-law;
- 5. Grandparent and grandchild;
- 6. Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

TYPES OF STATE PERSONAL LEAVE

Under authority of Education Code 22.003 and to preserve the employee's leave entitlement while minimizing disruption to the instructional program, the Board requires employees to differentiate between uses of personal leave:

NON-DISCRETIONARY

Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary leave may be used in the same manner as state sick leave.

DISCRETIONARY

To be taken at the individual employee's discretion, subject to limitations outlined on the following pages.

REQUEST FOR
DISCRETIONARY LEAVE

A notice of request for discretionary personal leave shall be submitted to the principal or designee by noon two days in advance of the anticipated absence (The required form is available at your department/campus). Discretionary personal leave shall be granted on a first-come, first-served basis, with a

Leave of Absences

maximum of ten percent of the total staff of a campus or department which exceeds ten people permitted to be absent at the same time for discretionary personal leave. If the campus or department is within the ten percent limit, the supervisor may use discretion in the event of requests received after the deadline.

Use of discretionary personal leave shall be considered granted unless the principal or designee notifies the employee to the contrary within 24 hours of receipt of the request.

DURATION OF LEAVE

Discretionary personal leave may not be taken for more than five consecutive days, except in extenuating circumstances as determined by the Superintendent.

SCHEDULE LIMITATIONS (POLICY DEC LOCAL)

Discretionary leave shall not be allowed on the day before or after a school holiday, days scheduled for end-of-semester or end-of-year exams, days scheduled for state mandated assessments, professional or staff development days, the first or last two weeks of the school year, or the first or last day of a grading period.

LEAVE PRORATION

If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

STATE SICK LEAVE

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disaster or life-threatening situations)
- Death in the immediate family
- Active military service

LOCAL LEAVE (POLICY DEC LOCAL)

All employees in positions normally requiring 10 months of service shall earn an additional 5 equivalent workdays of local leave per school year. Employees in positions normally requiring 11 months of service shall earn an additional six equivalent workdays of local leave per school year, and employees

in positions normally requiring 12 months of service shall earn an additional seven equivalent workdays of local leave per school year.

Local leave shall not be made available until at least one full day of work in the District has been completed, shall be taken with no loss of pay, and shall accumulate without limit.

LEAVE WITHOUT PAY

Any leaves granted or days of absence, beyond an employee's accumulated paid leave, shall result in deductions from the employee's pay unless otherwise provided [See DMD (LOCAL)] Deductions in pay will be processed based upon the Payroll Reporting Schedule.

EXTENDED SICK LEAVE

The District shall provide local extended sick leave days for employees suffering from personal illness or disability, including pregnancy-related disability, as follows. After an employee has exhausted all leave, his or her salary shall be reduced at full pay for the first three extended sick leave days, and at the current daily rate of pay for substitutes for subsequent days. This shall be done in accordance with the number of years an employee has worked for the District as follows:

1. Employees, with fewer than six years of service with the District shall be allowed a maximum of 10 days of extended sick leave. After the employee has exhausted all state and local leave, the employee's salary shall be reduced at full pay for the first 3 days; further, the employee's salary shall be reduced by the current daily rate of pay for substitutes for the remaining 7 days of extended leave. For any days over the maximum of 10, the employee's salary shall be reduced at full pay.
2. Employees with six years or more service with the District shall be allowed a maximum of 30 days of extended leave. After the employee has exhausted all state and local leave, the employee's salary shall be reduced at full pay for the first 3 days; furthermore, the employee's salary shall be reduced by the current rate of pay for substitutes for the remaining 27 days extended leave. For any days over the maximum of 30, the employee's salary shall be reduced at full pay.

Written verification from a doctor may be required. Extended local sick leave days shall not be subject to the worker's compensation offset provision found in this policy.

MILITARY FAMILY

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or

duty ordered by proper authority. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Re-employment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be re-employed provided they can be qualified to perform the required duties. Employees returning to work following military leave **should** contact Human Resource Services. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits Department for details on eligibility, requirements, and limitations.

FAMILY AND MEDICAL LEAVE (FMLA) - GENERAL PROVISIONS

The following text is from the federal notice, Employee Rights and Responsibilities Under the Family and Medical Leave Act. Specific information that the district has adopted to implement the FMLA follows this general notice.

Leave Entitlements

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered service-member's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

District employer requires use of accrued paid leave while taking FMLA leave.

Benefits and Protections

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

Eligibility Requirements

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special hours of service eligibility requirements apply to airline flight crew employees.

Requesting Leave

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, and employee must notify the employer as soon as possible and, generally, follow the employers' usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

Employer Responsibilities

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

Enforcement

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

LOCAL FAMILY AND MEDICAL LEAVE PROVISIONS (FMLA)

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured forward from the date an individual employee's first FMLA begins.

Use of Paid Leave. FMLA runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FMLA, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FMLA to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district shall permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FMLA due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee's ability to perform essential job functions is required, the district shall provide a list of essential job functions (e.g., job description) to the employee with the FMLA designation notice to share with the health care provider.

Reinstatement. An employee returning to work at the end of FMLA will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FMLA entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA (LEGAL)).

Failure to Return. If, at the expiration of FMLA, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FMLA when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FMLA or have questions should contact the Senior Director for Risk **Management** and Non-Exempt Services.

MILITARY FAMILY LEAVE ENTITLEMENTS

An eligible employee whose spouse, son, daughter or parent is on covered active duty or called to covered active duty status may use his or her 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service-member during a single 12-month period. A covered service-member is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current service-members and veterans are distinct from the FMLA definition of "serious health condition".**

DEFINITION OF SERIOUS HEALTH CONDITION

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to

pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

USE OF LEAVE

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

SUBSTITUTION OF PAID LEAVE FOR UNPAID LEAVE

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

TEMPORARY DISABILITY LEAVE

Each full-time employee shall be given a leave of absence for temporary disability at any time the employee's condition interferes with the performance of his or her regular duties. In accordance with law, the contract or employment of the employee shall not be terminated while the employee is on a leave of absence for temporary disability. For purposes of temporary disability leave, pregnancy shall be considered a temporary disability.

All full-time employees shall be eligible for a maximum of 180 calendar days of temporary disability leave. Temporary disability runs concurrently with FMLA. Therefore, day 1 of FMLA is also day 1 of temporary disability. Temporary disability leave shall be given in 30-day increments and shall continue upon the receipt of medical certification every 30 days. The employee shall be required to notify the District's Risk Management office of his or her desire to return to active duty no later than the 30th day before the expected date of return. The notice shall be accompanied by a physician's statement indicating the physical fitness of the employee to return to his or her regular duties.

The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Risk Management department should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume

regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

CERTIFICATION OF ILLNESS

Upon request for FMLA or, Temporary Disability Leave the employee shall provide medical certification of the illness or disability. This certification shall be at the request of the District and shall be at the employee's expense. If medical leave is required for an unscheduled procedure or illness, medical certification is required within 15 days after the first of leave.

CONCURRENT USE OF LEAVE

Except for employees who are receiving workers' compensation wage benefits, the District shall require the use of all applicable accumulated sick leave and personal leave in the order determined by this policy, concurrently with family and medical leave. [See WORKERS' COMPENSATION, page 42]

MEDICAL RELEASE

The employee's request for reinstatement shall be accompanied by medical certification of the employee's ability to perform essential job functions.

PREGNANCY

The Pregnancy Discrimination Act of 1978 requires that employers treat pregnancy the same as other disabling illnesses or injuries for the purpose of employment decisions. Therefore, medical leave for this purpose is classified under FMLA and Temporary Disability Leave.

ASSAULT LEAVE

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury, and should be immediately reported to the Senior Director for Risk Management and Non-Exempt Services.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compen-

Leave of Absences

sation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

BEREAVEMENT (FUNERAL) LEAVE

Use of state leave and/or local leave for death in the immediate family shall not exceed five workdays per occurrence, subject to the approval of the District.

MILITARY LEAVE: SHORT TERM

All employees of the District who are members of the military forces or of the reserve components of the United States Armed Forces shall be granted a leave of absence from their duties without loss of time, efficiency rating, vacation time, or salary on all days during which they are engaged in authorized training or duty ordered or authorized by proper authority, not to exceed 15 days in a federal fiscal year.

Such employees who are ordered to duty by proper authority shall be restored, when relieved from duty, to the position held by them when ordered to duty.

Government Code 431.005

MILITARY LEAVE: LONG TERM

Any employee, other than a temporary employee, who leaves a position with the District to enter active state military service is entitled to be reemployed by the District in the same position held at the time of the induction, enlistment, or order, or to a position of similar seniority, status, and pay. To be entitled to reemployment, the employee must be discharged, separated, or released from active state military service under honorable conditions not later than the fifth anniversary after the date of induction, enlistment, or call to active military service and must be physically and mentally qualified to perform the duties of the military service.

An employee who cannot perform the duties of the position because of a disability sustained during state military service is entitled to reemployment in the District in a position that the employee can perform and that has like seniority, status, and pay as the former position or the nearest possible seniority, status, and pay. *Government Code 613.003*

To be reemployed, a veteran of the state military must apply for reemployment not later than the 90th day after the date the veteran is discharged or released from active state military service. Application must be made in writing to the Superintendent and have attached to it evidence of the veteran's discharge, separation, or release from state military service under honorable conditions. *Government Code 613.004*

A person reemployed after active state military service shall not be discharged without cause before the first anniversary of the date of the re-employment. *Government Code 613.005*

"Military service" means service as a member of the Armed Forces of the United States, a reserve component of the Armed Forces of the United States,

the Texas National Guard or the Texas State Guard. *Government Code 613.007(2)*

MEDICAL CERTIFICATION (POLICY DEC LOCAL)

Any employee who is absent more than five days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and in the case of personal illness the employee's fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assertive reproductive services.

Note: The District may require certification of "fitness for duty" from employees as a result of related conduct, attendance or other job performance related concerns.

CONTINUATION OF HEALTH INSURANCE (POLICY DEC LOCAL)

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Employee Benefits department for details on eligibility, requirements, and limitations.

Employees on an approved leave of absence other than FMLA leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to leave. Under Policy DECA (Legal), employees who do not pay overdue premiums within 30 days of notice, shall have their benefits terminated. If benefits are terminated, an employee may be reinstated in medical coverage and flexible spending accounts only, upon return to work, and in accordance with the Code of Federal Regulations 825.212, and the Department of Labor.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FMLA. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

JURY DUTY

The district provides paid leave to employees who are

summoned to jury duty. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or of documentation of time spent at the court may be required.

COMPLIANCE WITH A SUBPOENA

Absences for court appearances related to an employee's personal business shall be deducted from the employee's personal leave or shall be taken by the employee as leave without pay.

TRUANCY COURT APPEARANCES

An employee who is a parent or guardian of a child and any court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

RELIGIOUS OBSERVANCES

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

USE AND RECORDING OF ABSENCES

Employees shall have the option of charging their absences related to personal leave to either their state or local balances. This election shall be made by the employee when submitting absences through TEAMS Employee Service Center. Local personal leave shall be used under the terms and conditions applicable to state personal leave. Employees shall be charged leave as used even if a substitute is not employed.

Leave shall be recorded in whole workdays and half workdays only, except in accordance with provisions for intermittent leave in the Family and Medical Leave Act, or when coordinated with workers' compensation benefits as provided in this policy.

WORKERS' COMPENSATION INSURANCE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from

Texas Political Subdivision Joint Self Insurance Fund (JSIF), effective October 1, 2014. Benefits help pay for medical treatment and make up for part of the income loss while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the Risk Management Department. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, below for information on use of paid leave for such absences.

WORKERS' COMPENSATION BENEFITS

Report all on job injuries to the immediate supervisor of that functional area. An employee receiving workers' compensation wage benefits shall be assigned to family and medical leave, if applicable. The employee shall inform the appropriate administrator whether he or she chooses to use available paid leave while receiving workers' compensation wage benefits.

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use available, partial-day increments of sick leave or any other paid leave benefits to make up the difference between wage benefits and pre-injury or -illness wages. While an employee is receiving worker's compensation wage benefits, the district will charge available leave proportionately so that the employee receives an amount equal to the employee's regular salary.

1. **TRANSITIONAL DUTY** - The District may provide transitional duty for employees if available, for a period not to exceed thirty days consecutively, or non-consecutively per injury.
2. **SICK LEAVE OFFSET** - An employee who chooses to use paid leave shall have his or her weekly workers compensation wage benefit supplemented up to the pre-injury regular weekly wage. The District shall charge the employee's accrued leave proportionally until the available leave is exhausted.

NEUTRAL ABSENCE POLICY

District employees who have exhausted all leave to which they are entitled: state sick leave, personal leave, local leave, extended sick leave, family and medical leave, temporary disability leave, and assault leave, shall have their employment with the District terminated. This termination is without prejudice to the person seeking reemployment with the District. This policy shall be applied regardless of the reasons for the absence, i.e., state sick and personal leave, local leave, extended sick leave, family and medical leave, temporary disability leave, assault leave, or work related injury. This policy shall not apply to individuals on active military status and/or on leave protected by veterans' employment laws.

**UNEMPLOYMENT COMPENSATION
INSURANCE**

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Senior Director for Risk Management and Non-Exempt Services.

**GUIDING PRINCIPLES INFORMAL
PROCESS**

The Board encourages employees to discuss their concerns and complaints through informal conferences with their supervisor, principal, or other appropriate administrator.

Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

**DIRECT COMMUNICATION WITH BOARD
MEMBERS**

Employees shall not be prohibited from communi-

cating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

FORMAL PROCESS

If an informal conference regarding a complaint fails to reach the outcome requested by the employee, he or she may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

FREEDOM FROM RETALIATION

Neither the Board nor any District employees shall unlawfully retaliate against an employee for bringing a concern or complaint.

WHISTLEBLOWER COMPLAINTS

Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Time lines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

COMPLAINTS AGAINST SUPERVISORS

Complaints alleging a violation of law by a supervisor may be made to the Superintendent or designee. Complaints alleging a violation of law by the Superintendent may be made directly to the Board or designee.

GENERAL PROVISIONS FILING

Complaint forms and appeal notices may be filed by hand-delivery, fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Fax filings shall be timely filed if they are received on or before the deadlines, as indicated by the date/time shown on the fax copy. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

RESPONSE

At Levels One and Two, "response" shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered or sent by U.S. Mail to the employee's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

DAYS

“Days” shall mean District business days, unless otherwise noted. In calculating time lines under this policy, the day a document is filed is “day zero.” The following business day is “day one.”

REPRESENTATIVE

“Representative” shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process.

The employee may designate a representative through written notice to the District at any level of this process. The representative may participate in person or by telephone conference call. If the employee designates a representative with fewer than three days’ notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District’s counsel. The District may be represented by counsel at any level of the process.

CONSOLIDATING COMPLAINTS

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not bring separate or serial complaints arising from any event or series of events that have been addressed in a previous complaint.

When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints.

UNTIMELY FILINGS

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

COSTS INCURRED

Each party shall pay its own costs incurred in the course of the complaint.

COMPLAINT FORM

Complaints under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the

Level One conference.

A complaint form that is incomplete in any material aspect may be dismissed, but may be refiled with all the required information if the refiled is within the designated time for filing a complaint.

LEVEL ONE

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint for at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and hold a conference with the employee within ten days after the receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL THREE

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the

Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give the notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly related to achieving campus and district performance objectives, addressed in the campus and district improvement plans, and approved by a campus-level advisory committee. Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Staff members have both learning and input opportunities through participation in several councils and committees, some of which follow:

- Textbook Selection Committees
- Numerous Campus Committees
- Technology Committees
- DPAC
- Clerical/Paraprofessional Advisory Committees

A staff member should contact the building principal or appropriate department head to make known his/her interest in serving on one of these committees. Workshops on improving management skills, interpersonal relationships, teaching techniques and subject area information are scheduled on the state-required staff days.

Benefits under Section 125 for Galena Park ISD are Medical, Dental, Vision, and Flexible Spending Accounts. All deductions are paid current, and must be taken on the 15th and the last day of the month (example: to pay for April coverage, deductions will be taken April 15th and April 30th.)

OPEN ENROLLMENT

Each year GPISD offers open enrollment when employees may elect to add, drop or change benefit coverages as well as opt to participate in the Flexible Spending Account (FSA). Galena Park ISD Technology

EMPLOYEE AGREEMENT FOR ACCEPTABLE USE OF THE ELECTRONIC SYSTEM

You are being given access to Galena Park ISD's Technology Resources. GPISD's goal in providing this service is to promote educational excellence by facilitating and providing communications for resource sharing, collaborative work, databases, software, and access to other online resources. Access to Internet resources also brings the possibility of encountering material that may not be considered appropriate in an educational setting. The District has taken available precautions, including but not limited to enforcing the use of filters that block access to inappropriate or non-educational sites. However, on a global network, it is impossible to control all material and an industrious user may obtain access to inappropriate information or material. It is all staff members' responsibility to educate students about appropriate online behavior, including interactions with other individuals on social networking sites / chat rooms, and cyber bullying awareness and response. In addition to the district provided Internet Safety curriculum, teachers may conduct yearly short training sessions, one-on-one education with individual students, and / or via educational handouts. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgment by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes e-mail, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*; however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Communications*, page 52. Unsolicited contact from a student through electronic means is not a communication.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselor, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall have supervisor and parent permission before using texting as a form of communication.
- Teachers with or without extracurricular duties may communicate with students and parents using district approved programs such as; Remind and CHARMS.
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must allow administration and parents to access the employee's professional page.
- The employee shall not communicate directly with any student between the hours of 9:00 p.m. and 6:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, including:
 - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
 - Copyright law [Policy CY]
- Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
- An employee shall notify his or her supervisor in writing within one business day if a student engages in an improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

PERSONAL USE OF ELECTRONIC COMMUNICATIONS***Policies CQ, DH***

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also includes all forms of telecommunications such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - Confidentiality of student records. [See Policy FL]
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]
 - Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]
 - Copyright law [See Policy GBA]
 - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

See *Electronic Communications Between Employees and Students*, page 51, for regulations on employee communication with students through electronic media.

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected annually and serve 3 - year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

Wanda Heath Johnson, President
Wilfred J. Broussard, Jr., Vice President
Ramon Garza, Secretary
Jeff Miller, Member
Dawn Fisher, Member
Minnie Rivera, Member
Adrian Stephens, Member

The board usually meets on the second Monday of each month at 6:00 pm. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district Web site and at the Administration Building at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.
