EO-2021-20 (1).pdf;

Hi Everyone!

It's that time of the week again--Friday. 😊

Here's a little bit of what happened this week:

- We had a Board meeting last night. The budget was passed for this fiscal year. Candidates were interviewed for the vacancy. Chuck Miles was selected to fill the vacancy and serve as one of our seven trustees. He will be sworn in at the meeting on September 23. His information will be added to the website soon.
- Outdoor signs were installed to recognize spaces named in honor of donors; the new base sign for the Nick Bottom sculpture was also installed; window films for our hours were replaced.
- Drive-Up is now a location option available to patrons when placing holds. Please help spread the word.
- Asher's last day of work is next week. Good luck at school!
- **And the big news of the week...**yesterday the Governor issued a new statewide mask mandate effective Monday, August 30. What does this mean for us? We need to wear masks when working in both public areas of the building and in communal work areas. You can take your mask off if you're working independently in an office or cubicle. Patrons 2 and over need to wear masks in all indoor spaces of our building. Building signage and our website will be updated with this new information. I attached the Governor's Executive Order to this email. Please let me or your supervisor know if you have questions.

Reminder to all staff working service points: please complete your holiday weekend schedule for 2022 survey. See: <https://forms.office.com/r/6YVWPCd25J>.

Have a great weekend!

Thanks,
Christine
