This request was originally submitted via fax to (903) 868-2977 (fax) (error). It was never acknowledged. Due to issues with the original communication method, we are now directing this request to you.
To Whom It May Concern:

Pursuant to the Texas Public Information Act, I hereby request the following records:

1. the total number of use of force incidents, separated by type of force and year used in 2021 (for example, information that specifies the number of taser incidents in 2021, baton incidents in 2021, etc.). Please include as part of this a breakdown of how many use of force incidents in each year were related to law enforcement operations and how many were related to correctional/custodial operations.
2. the total number of civilian complaints alleging any form of law enforcement misconduct that were reported and the total number sustained in 2021.
3. the total number of civilian complaints alleging law enforcement use of excessive force that were reported and the total number sustained in 2021.
4. the total number of civilian complaints alleging biased policing or racial profiling that were reported and the total number sustained in 2021. *none LTCB*
5. the total number of civilian complaints alleging criminal conduct that were reported and the total number sustained in 2021.
6. the total number of officer involved shootings in 2021, both fatal and non-fatal. *none LTCB*

When available, I would appreciate being sent individualized data for each item in this request in spreadsheet format. If individualized data are unavailable, please send information that includes aggregate statistics for the item instead.

Note that my requests for civilian complaints are specifically for civilian complaints alleging police misconduct, please do not include complaints filed by one officer/the department against another officer.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or
