I realize that like anything it's a work in progress, but I wish it was better. I wish the communication was better between parents and teachers for virtual, and I am wondering if my children will receive access to the same educational opportunities as those that aren't virtual learning. Because I'm not really sure, I find myself purchasing memberships and extra materials for my children so that they do not fall behind. I want to feel confident in this process.

Communication between staff has been unclear causing confusion with parents. I do however appreciate the patience the staff provides when there is an issue of confusion and how quickly they assist in clearing things up. I understand that multiple parents are complaining and feel bad that the employees have to hear the same complaints over and over. It is a difficult time for all of us and I know you are trying your best to help our children to succeed. Thank you for your patience.

Mr. Gallo is an amazing teacher. He has a way to make the kids trust him, which engages the respect of the kids, and therefore has their attention.

The music teacher, Jen Fisher, is full of excuses, lazy, and disorganized. I do not feel as though this woman is providing a good musical education to my child.
