

Quarter 3: OnGoing Surveys

2022-23

Background

- “Beginning in the 2019-20 school year, all Comprehensive Support and Improvement (CSI) schools must implement a Participatory Budgeting process or select from an approved list of alternatives to Participatory Budgeting designed to increase student and family participation in decision making.” (NYSED, n.d.)
- Essential Components: expanding stakeholder voice, providing opportunities to practice democracy, and promoting civic engagement.
- CSI schools can implement any of the approved alternatives to Participatory Budgeting.
- Our District Leadership Team (a shared decision making stakeholder group) chose ongoing surveys as our method of choice to meet this requirement.
