Dear Mr. Welsh and/or MuckRock News,

We have received your communications following up on your request and truly apologize for the delay. Given our office staffing, increasing caseload, and the expansive nature of Iowa Code § 22.7, reviewing both email accounts has proven to be a more in-depth task than originally anticipated.

At this time, one email account has been reviewed pursuant to the previously requested parameters. The emails that are eligible for disclosure and do not fall under an exemption included in Iowa Code § 22.7 are attached. Due to their volume, they will be uploaded via your online platform and not included in the mailed version of our response.

Taking into consideration our office's schedule for the upcoming weeks and the attention to detail that is required in applying Iowa Code § 22.7, it's anticipated that it will take two months to review and provide emails from the remaining email account.

Sincerely,

/s

Dana R. Minter
