Dear Michael Owens:

I am writing in response to your e-mail request received on August 9, 2022 which requested disclosure of HCRC records under the Hawai‘i Uniform Information Practices Act (UIPA), HRS chapter 92F. This letter and the attached Amended Notice to Requestor are an update from our communications of August 12, 2022.

As I explained previously, your request is granted in its entirety. However, the file is 1,175 pages, which is higher than our previous estimate. Based on this, the cost will be \$117.50 based on a fee of 10¢ per page -- not \$60.00 to \$80.00 as previously estimated.

Please confirm that you are willing to pay \$117.50. We had previously asked that you pay part of the fee before scanning and you did not respond. At this time, we can upload it and have you pay us after, if you agree. **Please respond as soon as possible.** We accept payment by check or money order. We do not accept credit card payments.

Also, I am unable to upload further documents to the link you sent, after the initial responses to you were attached.

Again, your request is granted. We await your response regarding payment.

Yours truly,

/s/ Robin Wurtzel
