Hi David,

Just wanted to follow up with the Verkada message that I left you I recently talked to your verkada rep Juliana and she informed me of an ongoing promo that they are offering.

Knowing you were looking into the possibility of getting more cameras this year I thought I would pass the message onto you, it is basically a buy 15 cameras and they will give you a free one with licensing.

Let me know if you are still looking into this Verkada project and would like to see some pricing.

Thank you,
