Re: Freedom of Information Request James Burke/Personnel & Disciplinary Records

To Whom It May Concern:

I am in receipt of your Freedom of Information request, which was submitted via an email communication on Friday, June 12, 2020 through the Public Information Office of the Suffolk County Police Department.

Please be advised that your request for the "complete personnel record of former Chief James Charles Burke and all disciplinary records that identify Burke as a subject" is hereby acknowledged. As such, be advised that your request will be forwarded on to the appropriate Commands to ascertain the cost associated with the satisfaction of your request. Once a cost summary analysis has been compiled, you will receive a "money letter" which will allow you to decide whether or not you wish to move forward with your request.

As, I am sure you can appreciate, the Suffolk County Police Department receives a significant number of F.O.I. requests daily and, as such, there may be a delay of approximately (30) days associated with the satisfaction of your request.

Allow me to thank you, in advance, for your patience and consideration while we work to fulfill your request.
