Re: Response to FOIL Request

Dear Mr. Parker:

This letter serves as a determination concerning your request for records pursuant to the Freedom of Information Law ("FOIL") received by the District on March 5, 2023. You have requested: "All materials and correspondence between the district Board of Education, district Administration, district Equity Committee or Office, Faculty, Staff, Third Party Contractors and Consultants related to the following terms, subjects or concepts between April 2021 to the date this request is fulfilled: Race, Anti-racism, Racism, Equity, Culturally Responsive, Decolonize, Diversity, Implicit Bias, Intersectionality, Microaggression, Oppression, Patriarchy, People of Color, Privilege(d), Safe Space, Social Justice, Tokenism, White Supremacy."

Please be advised that your request is denied. Specifically, this request fails to reasonably describe the records being sought and transcends a normal and routine request by a taxpayer for records under FOIL and thus goes beyond the scope of what such law intended. *See e.g.*, Op. Comm. Open Govt., Op. No. FOIL-AO-f19273 (2015). In this regard, the scope of your request would involve reviewing approximately 543,220 emails constituting hundreds of thousands of pages of records, many of which would have to be redacted due to containing confidential personally identifiable information of students, which would create an unreasonable administrative burden on the District.

Pursuant to FOIL, you have a right to appeal a denial of any portion of your request within thirty (30) days to the Superintendent of Schools, Mr. Anthony Davidson, 350 Daniel Street, Lindenhurst, New York 11757. You will be advised in writing of the Superintendent's decision of your appeal within ten (10) business days following receipt of any written appeal. *See* N.Y. Pub. Off. Law § 89(4)(a).

Very truly yours,

Donna Milone
Records Access Officer
