Subject: RE: Texas Public Information Act Request: Texas police data (Longview Police Department)

Hi Melissa,

Here are the answers to your questions:

Q. Are you wanting only those documents pertaining to formal investigations into complaints filed by citizens against officers for any reason, or only those complaints dealing with use of force issues.

A: Yes, documents pertaining to all formal investigations into complaints filed by citizens against officers (not just those involving use of force).

Q. Are you requesting only the information mentioned specifically (I.E. race, gender, weapons used, date, officers involved etc) or are you requesting the entire report on each case. Please note that these reports are releasable after redactions and there is a fee attached. We also need to clarify if by records you mean all documents or all records.

A: I'm requesting the entire reports for these incidents, including all relevant documents. I'm not requesting the videos/digital evidence however.
