**OIC Comment/Review:**

On 08/24/14 I was the OIC assigned to the midnight shift. I reviewed the reports regarding this incident. In the report both Officer Blonigen and Officer White indicate the suspect was assaultive towards police and continued to actively resist despite officers attempts to physically control suspect. Officer White deployed his tazer and drive stunned the subject. Based on information provided the force used in this incident was appropriate.

**OIC Comment/Review:**

I was working the day of this event and heard the incident on the radio. I have also reviewed all the reports in this case. The officers were trying to arrest a wanted subject who was actively resisting. In order to get the subject to submit a "drive stun" was delivered to his back via Tazer. The subject then submitted to arrest. I find that the officers acted in accordance with MPD S.O.P. as well as NH Statutes.

**OIC Comment/Review:**

I have reviewed the reports and video of this incident. Based on the reports and video, Officer was spit on by suspect Barrett while suspect Barrett was in the back of the transport van refusing to exit. In fear of being spit on again, Officer Mullen deployed his OC. While Officer Mullen had his OC in his hand, suspect Barrett lean forward in what appears to be an attempt to spit of Officer Mullen for a second time. Officer Mullen then sprayed Barrett with a quick burst of OC, to prevent being assaulted by Barrett. I find that Officer Mullen used the appropriate amount of force to prevent further assaults by suspect Barrett. Suspect Barrett was also charged with Assault on a PO.

### OIC Comment/Review:

In reviewing the reports authored by Officer Megowen and Officer Wood, it is clear the Joseph was actively and aggressively resisting arrest. He physically broke free from the grasp of both Officers Megowen and Wood. After a foot chase into an apartment building the officers where able to reengage Joseph only after he lost his footing. Officer Wood was able to deploy his taser. This caused a lapse in Joseph resistance. Officer Megowen attempted to handcuff Joseph, but he continued to struggle and aggressively resist arrest. Officer Megowen was eventually able to get Joseph handcuffed. I find that they used the proper amount of force based on Josephs aggressive demeanor prior to and during the arrest.

Upon review of the police reports it was determined the force used was justified but ineffective while using the dept.issued pistol. Officers had to transition to the rifle which was succesful.

**OIC Comment/Review:**

Officer Battistelli responded to the park regarding a male subject that he observed and heard making loud and vulgar comments in the park, where juveniles and their families were. Officer Battistelli also heard the subject make numerous racial slurs toward African Americans in the park and he continued even after being ordered to stop by Officer Battistelli. Officer Jenkins arrived and the suspect continued to make racial slurs toward him, but neither officer reacted negatively. I reviewed Officer Battistelli's report and other officers supplemental reports and it appears that the appropriate level of force was used. Sgt. Richard Brennan Z-13

Based upon the level of offense (armed robbery) and suspect's actions in trying to ellude Ofc Joyal I found that the deployment of a firearm was appropriate. I spoke with Ofc Joyal and he states that the suspect immediately complied with being detained and arrested. C. Biron
