MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case #	15-014467	Officer	Megowen, Robert G	Date:	8/29/2015	Time:	0159	Day:	Saturday
--------	-----------	---------	-------------------	-------	-----------	-------	------	------	----------

OIC Comment/Review:

On 8/29/15 I was the officer in charge for the midnight shift. At approx. 0159 Officers Tennis and Megowen were involved in the arrest of Christian Edwards. Subject had refused to obey police orders to vacate the area. Upon attempting to arrest subject put his hand in his pants pocket and refused to remove it. Officers could not physically remove his hand and it was apparent he was either concealing contraband of some type, possibly a weapon. He continued to pull away from officers and through use of joint manipulation and a takedown they were able to gain control of subject. Subject was charged with Resisting, Poss.of Controlled Drug (x2) and Falsifying Physical Evidence. I reviewed all arrest reports associated with the incident. Officers invovled used good judgement and followed the guidelines regarding the use of force. NFI.

OIC Comment/Review:

On 8/29/15 I was the OIC on the midnight shift. During the course of my duties I reviewed police report and response to resistance form submitted by Officer B.Fleming reference arrest of Donn Williams for protective custody. During the arrest the subject was not compliant and actively resisted officers verbal commands and continued to resist after they employed soft hand techniques. Based on the information provided it appears the officers followed department regulations and used only that force necessary to control and take suspect into custody.

Suspect eventually fled in vehicle and was involved in a short motor vehicle pursuit which I terminated due to the reckless operation of the vehicle. MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 15-014079	Officer Finn, Casey	Date: 8/22/2015	Time: 2152	Day: Saturday
------------------	---------------------	-----------------	------------	---------------

OIC Comment/Review:

Multiple Officers responded to assist Officer Delorey. This was a volatile situation in which multiple subjects were being placed under arrest. One subject (Caraballo) attempted to interfere with Officer Delorey as he was making an arrest. Officer Finn intervened and attempted to remove the subject from the area however he refused to comply. Officer Finn utilized an arm bar take down to bring the subject to the ground which allowed him to take control of the subject. Officer Finn was justified in using this take down as the subject was non-compliant and attempted to interfere with an Officer making an arrest.

MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 15-013806	Officer O'Connor, Matthew W	Date: 8/18/2015	Time: 1852	Day: Tuesday
------------------	-----------------------------	-----------------	------------	--------------

OIC Comment/Review:

While assisting Street Crime Officer O'Connor observed the suspect attempt to conceal what he believed at the time was the narcotic drug "crack" cocaine. When he confronted the suspect about this he placed the drug in his mouth and fled. Officer O'Connor was able to grab the suspects arm and take him to the ground to prevent his escape. At this time the suspect actively resisted by flailing his arms at the Officers and refusing to comply with their lawful orders to comply with the arrest and place his hands behind his back. In attempt to stop the suspects active aggression of flailing his arms at the Officers and to take the suspect into custody before he injured himself or an Officer as well as prevent him from swallowing the crack and possibly overdosing Officer O'Connor utilized a 2 to 3 second drive stun to the suspects lower right portion of his back. As a result the suspect was handcuffed. Officer O'Connor was justified in using the takedown to prevent the escape of the suspect. He was also justified in using the drive stun to stop the aggressive behavior fo the suspect and prevent injury to the suspect of Officers on scene.

Case # 15-013160	Officer Goodman, Austin	Date: 8/7/2015	Time: 1621	Day: Friday
------------------	-------------------------	----------------	------------	-------------

OIC Comment/Review:

Officer Goodman engaged in a foot pursuit with a male subject that was wanted. The suspect scaled an 8 foot high fence and fell to the ground after reaching the other side. As Officer Goodman scaled the fence and reached the top of the fence the suspect began moving. Officer Goodman feared that due to his vulnerable position atop of the fence the suspect could possible attack him. Officer Goodman deployed both Taser cartridges at the suspect however they did not have the desired effect and the suspect fled. Officer Goodman was justified in deploying his Taser as he feared that the suspect would attack him due to his vulnerable position.

MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 15-13090	Officer Duchesne, Jonathan M	Date: 8/6/2015	Time: 1626	Day: Thursday
-----------------	------------------------------	----------------	------------	---------------

OIC Comment/Review:

Officer Duchesne and Finn responded to 82 W Brook St for a civil stand-by. The caller James Disko had called earlier in the shift for a Civil Stand-by and was unhappy with how he was treated the night before when he was removed from the address due to a DVP service. It appears that Disko was agitated and not happy with the Police prior to him meeting with Officer Duchesne and Officer Finn. He was disorderly and belligerent during the civil stand-by and was ordered to leave the residence. He became combative and kicked the suitcase striking Officer Finn. He then began to struggle with Officers when they attempted to take him into custody. Disko was clearly aggressive towards the Offices and Officer Duchesne was justified in deploying his Taser (Drive Stun) to stop Disko's aggressive behavior and take him into custody. Due to the fact that this altercation took place in a confined area and the drive stun was unsuccessful he was justified in using both prong strikes. It appears that the close confines and limited prong separation limited the effectiveness of the first strike. Office Finn was also justified in using knees strikes to both stun and separate himself from Disko and ultimately take him into custody with the assistance of Officer Duchesne. It should be noted that Disko was very uncooperative during the booking process and ultimately refused to cooperate and be printed. During the booking process I observed that Disko had existing scabs to his face that he indicated were caused by his significant other. During this process I observed Disko strike himself in the face and pick the scabs from his face causing these old wounds to bleed.

OIC Comment/Review:

Officers were responding to the area for a report of a domestic dispute. The first responding Officer told the operator of a vehicle leaving the scene to stop however she did not comply and fled the area with a male subject fitting the description of the suspect from the domestic. Officer Ditullio was able to intercept the vehicle while it was stopped in traffic. Due to the frantic movements by the suspect in the rear seat of the vehicle he drew his firearm to the low ready and began giving commands. The male suspect then fled on foot. Officer Ditullio pursued the fleeing suspect and used a take down to take the suspect in custody.
