------------------	--------------------------	------------------	------------	-------------

OIC Comment/Review:

I have reviewed the reports and I was listening to the radio traffic as the CFS progressed. Officers on-scene had the wanted suspect come out of the residence after a short stand-off. The taser was used to prevent her from getting back into the house, where she had numerous weapons, and where she was using the house to barricade herself to prevent her arrest. Officers were able to take the suspect into custody, who was wanted for multiple felonies, involving a firearm and to end a stand-off peacefully with no injuries. The taser usage was within the department policy.

OIC Comment/Review:

I have reviewed the reports attached to this incident and found that Officer Regan's actions were consistent with both training and Standard Operating Procedures. The decision to transition an uncooperative suspect who may have been involved in what was originally reported as a stabbing is reasonable under the circumstances present.
