MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 15-002015	Officer Mullen, Patrick J	Date: 2/7/2015	Time: 2310	Day: Saturday
------------------	---------------------------	----------------	------------	---------------

OIC Comment/Review:

On 02/07/15 at approx. 2315 hours I was assigned to the midnight shift as the OIC. I was advised by Officer Mullen that he was transporting a prisoner to Valley Street Jail who was continually uncooperative with the booking process and continuing her disruptive behavior. At this time he advised he would be submitting paperwork regarding use of force during the arrest of the above prisoner when she had assaulted police officers on Tory Rd.

I reviewed the reports of both Officer Cornacchia and Officer Mullen regarding the incident. They had responded to Tory Rd for a female acting disorderly. Female was not cooperative and acting hysterically. Officers indicated that it appeared the female was under the influence of alcohol or drugs. As a result of her behavior she was placed under arrest. During the arrest, Farley assaulted both Officer Cornacchia and Officer Mullen. Farley spit at Officer Mullen and then while being placed in the wagon she proceeded to kick him in the leg. Officer Mullen then deployed his OC Spray, and Farley stopped her behavior.

I reviewed the reports of officers involved. It appears they used the least force necessary to effect the arrest and control the prisoner. They used the OC spray as a means to create a safe condition for both themselves and the prisoner for transport. Officers acted in accordance with MPD standard operating procedures. NFI.
