MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 16-002570	Officer Brandreth, Ryan J	Date: 2/21/2016	Time: 0830	Day: Sunday
------------------	---------------------------	-----------------	------------	-------------

OIC Comment/Review:

Officer Brandreth was faced with a subject who was fleeing a convenience store where a panic alarm had been activated. The subject was armed with a baseball bat that he throw at Officer Brandreth's cruiser prior to fleeing on foot. Officer Brandreth took up the foot pursuit, along with Officer Dejoy, and deployed his partner, Colt, to apprehend the subject, which was successful. It was later learned that the suspect was involved in a horrific attack of the clerk in the store and that the attack was very violent in nature. Officer Brandreth's use of his K9 partner as a force option was appropriate and justified and no further review surrounding this use of force is necessary.

Case # 16-001959	Officer Stone, Aaron	Date: 2/7/2016	Time: 1130	Day: Sunday
------------------	----------------------	----------------	------------	-------------

OIC Comment/Review:

I have reviewed the reports associated with this incident, I listened to the radio traffic while the incident was unfolding, I talked with many of the Officers involved in this incident, and I was able to view video footage of the confrontation between Officer Stone and the suspect and I find that Officer Stone was justified in his use of force against this subject, and would have been justified in using a higher level of force, as Santagati was actively eluding capture and was involved in two previous violent offenses.

No further review of this incident is necessary.

MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 16-001959	Officer Valenti, Richard J	Date: 2/7/2016	Time: 1200	Day: Sunday
------------------	----------------------------	----------------	------------	-------------

OIC Comment/Review:

I have reviewed the reports associated with this incident, I listened to the radio traffic while the incident was unfolding, and talked with many of the Officers involved in this incident and find that Officer R Valenti was justified in his attempt to taze this subject as he was actively eluding pursuit and who had already been involved in three violent offenses, to include assaulting an Officer who was attempting to arrest him. Although the tazer is generally not used against subjects who are running or who could fall the totality of the circumstances during this incident (extremely violent individual who was becoming more and more desperate in his attempts to elude pursuit) justified Officer Valenti's use of this force option. Had Officer Valenti been successful in capturing Santagati through the use of the tazer he would have prevented the violent incident that occurred at 115 Randall St.

No further review of this incident is necessary.

MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 16-001959	Officer Murphy, Darren N	Date: 2/7/2016	Time: 1200	Day: Sunday
------------------	--------------------------	----------------	------------	-------------

OIC Comment/Review:

I have reviewed the reports associated with this incident, I listened to the radio traffic while the incident was unfolding, and talked with many of the Officers involved in this incident and find that Officer Murphy was justified in his use of force in his response to the violent resistance from this subject who was actively involved in a violent encounter with a homeowner who had confronted him after he illegally entered a residence. This subject had been actively eluding pursuit and had entered this residence in an attempt to avoid capture and he had already been involved in three violent offenses, to include assaulting an Officer who was attempting to arrest him.

No further review of this incident is necessary.
