# MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 16-009896	Officer McDonald, Matthew	Date: 7/2/2016	Time: 0145	Day: Saturday
------------------	---------------------------	----------------	------------	---------------

**OIC Comment/Review:**

I spoke with Officers Bifsha, Choi, McDonald and Tennis about this incident the night it occurred. I have also reviewed the Response to Resistance Report and all reports associated with this incident and found that the use of force was appropriate under the circumstances and within departmental SOP's. Based on how the fight broke out and the lack of response to verbal commands the officers responding had no other choice to but to deploy both OC spray and tasers to quell the disturbance. The offenders sustained minor scrapes and scratches as a result of being taken into custody. The two that were tased also had small marks from the taser prongs. None of the persons involved required medical attention and were given instruction on decontamination at HQ. They were also afforded the appropriate access to water and paper towels to begin their decontamination. Instructions for further decontamination after release was also given. Z6

# MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 16-009896	Officer Bifsha, Robert	Date: 7/2/2016	Time: 0137	Day: Saturday
------------------	------------------------	----------------	------------	---------------

### OIC Comment/Review:

I spoke with Officers Bifsha, Choi, McDonald and Tennis about this incident the night it occurred. I have also reviewed the Response to Resistance Report and all reports associated with this incident and found that the use of force was appropriate under the circumstances and within departmental SOP's. Based on how the fight broke out and the lack of response to verbal commands the officers responding had no other choice to but to deploy both OC spray and tasers to quell the disturbance. The offenders sustained minor scrapes and scratches as a result of being taken into custody. The two that were tased also had small marks from the taser prongs. None of the persons involved required medical attention and were given instruction on decontamination at HQ. They were also afforded the appropriate access to water and paper towels to begin their decontamination. Instructions for further decontamination after release was also given. Z6

------------------	-------------------------	----------------	------------	---------------

### OIC Comment/Review:

I spoke with Officer Bifsha about this incident the night it occurred. I have also reviewed the Response to Resistance Report and all reports associated with this incident and found that the use of force was appropriate under the circumstances and within departmental SOP's. Based on his observations of the ongoing fight and his observations that another officer was in a dangerous situation by himself, Officer Bifsha made the correct decision to abandon his chase of the suspect he had deployed his taser on, particularly when only a single prong struck the suspect. The suspects continued flight from the scene and ability to evade detection shortly thereafter, did not continue to endanger anyone. It also did not appear that getting struck by a single prong caused the suspect any ill effects given that he was able to flee. Z6

Case # 16-010703	Officer Dann III, William	Date: 7/17/2016	Time: 2335	Day: Sunday
------------------	---------------------------	-----------------	------------	-------------

### OIC Comment/Review:

On 7/18/16 I was the OIC assigned to the midnight shift. As part of my duties I reviewed the arrest reports of both Officer Bill Dann and Officer Nocella regarding the arrest of Jonathen Gregg at 68 Wason St. Jonathen Gregg was wanted for a domestic and resisted lawful order from police officers and then proceeded to lock himself in his home. Officers forced entry due to exigent circumstances. Officers were advised of a child inside the home and officers were in process of investigating a violent assault when he fled into his home. Upon making contact with Gregg he refused to comply with commands to show his hands, Officers attempted to gain control of suspects hands and he refused to comply. In addition, he assaulted Officer Dann while resisting arrest. Officers Nocella and Dann continued to use verbal and physical commands to gain compliance. By using a standing armbar and takedown they secured subject safely.

I reviewed the use of force and all reports related to this arrest. Officers acted appropriately by using the force necessary to effect the arrest of a subject wanted for domestic charges and assault on a police officer. Officers followed the Manchester Police policy and procedures. NFI.

# MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 16-009862	Officer Tracy, Eric	Date: 7/1/2016	Time: 1300	Day: Friday
------------------	---------------------	----------------	------------	-------------

**OIC Comment/Review:**

I heard the radio transmissions of this incident and I spoke with Officer Tracy after this incident and I find that he used an appropriate level of force to overcome Nielwocki and stop her as she was assaulting an uninvolved third party. No further review is necessary.
