OIC Comment/Review:

On 10/30/14 at approx 0106 I was the OIC. Sgt. Thompson responded to Mcgarvey;s Pub to assist officers with disorderly subjects. Officer Thompson dealt with Jonothan Soto who was approaching Sgt. Thompson and Ofc Jenkins who was affecting an arrest on another subject. Sgt. Thompson indicated that subjects arms where flared out and was continuing to advance towards his position after being given a lawful order to stop. Sgt. Thompson indicated he grabbed Soto in the torso and pulled him to the ground to gain control. Soto refused to put his hands behind his back and grabbed onto the arm of the subject Ofc. Jenkins had in custody. With assistance from Ofc Dann they were able to move subjects hands ot the rear for handcuffing.

Based on the facts reported by Sgt. Thompson and review of the department policy it appears Sgt. Thompson used the appropriate level of force necessary to gain control and effect the arrest. Z12

OIC Comment/Review:

On 10/30/14 I was assigned as the OIC on midnight shift. At approx. 0105 hours Officer Jenkins was involved in an incident at Mcgarvey's Pub where officers were requesting assistance in detaining several disorderly subjects. Officer Jenkins was advised by Officer Mangum to stop a particular subject later identified as Michael Kondzielaski. Officer Jenkins attempted to stop him but he retreated into the pub. I ordered subject to place hands behind his back but refused after several comands. According to Ofc.Jenkins, suspect tensed his arms and moved his body away to avoid apprehension. Ofc Jenkins administered a leg sweep to transition subject to the ground. He then utilized joint manipulation after subject continued to refuse to move his arm to the rear. He was handcuffed without further incident. Based on the facts reported and review of departental policy it appears Officer Jenkins utilized the appropriate level of force necessary to gain control and effect an arrest. Z-12

On 10/30/14 at approx. 0115 hrs I was assigned as the OIC. Officer Derek Cataldo responded to Mcgarvey's Pub with other officers to assist with several disorderly subjects outside the establishment. Upon his arrival he was advised by Officer Mangum that Chelsea Matz was highly intoxicated and interfering with the arrest of another party. Matz was issued several orders to move back and calm down. She refused and continued shout and approach the arrested party. She refused to leave the area and then slapped Officer Cataldo's hands. She was placed under arrest. While in handcuffs waiting for transportation she continued to squirm and move away from Ofc Cataldo. He then placed both of his hands on her tricep area to hold her in place and keep control of her while in custody. Based on SOP and after review of the facts reported, Officer Cataldo was in compliance with departmental policy regarding his use of force to control suspect who was uncooperative and refusing to comply with lawful orders. The subject's friend stated that the subject was smoking something prior to our arrival and that was why he was acting the way he did. The friend stated that he did not normally act in this manner.

Describe the effects of the force used on any persons involved, and any decontamination method used if any:

I used a take down on the subject to because he was attempting to assault Ofc. Mangum. Ofc. Mangum's taser did not seem to have any effect on the subject so I deployed my taser. The first deployment did not seem to have an effect but the second did.

| Case # 14-016496 | Officer Donovan, Thomas | Date: 10/30/2014 | Time: 0106 | Day: Thursday |
|------------------|-------------------------|------------------|------------|---------------|

OIC Comment/Review:

On 10/30/14 I was the OIC on the midnight shift. At approx. 0106 Officer Mangum and Donovan were involved in an incident outside Mcgarvey's pub on Elm Street. Reported subject on druges being pinned down on the sidewalk. Upon arrival subject (Antonio Herrera) was uncontrollable and had smoked some kind of drug. Subject had charged at Officer Mangum in an aggressive manner. Herrera was kicking and punching as he came at Officer Mangum. Officer Mangum had deployed his taser but was unsuccessful in incapacitating subject and he continued his violent behavior towards Officer Mangum who was assaulted. Upon his arrival Officer Donovan used a takedown technique to prevent subject from continuing his aggression. Since they were unable to gain control of subject, he then deployed his taser which was not succesful on first attempt. Upon Officer Donovan's second attempt he was able to gain compliance and he and Ofc Mangum were able to physically place subject into handcuffs.

Per SOP, taser probe deployment is approved as an option where use is justified as a defense technique in a harmful situation where there is active aggression. And to overcome aggression, threat of aggression or to defend threat of bodily injury to oneself or a third party. Based on review of officers reports at the scene it appears Officer Donovan used the appropriate level of force given the circumstances ase reported. In addition, Officer Donovan followed protocol regarding post deployment procedure. Z-12

OIC Comment/Review:

On 10/30/14 I was the OIC on midnight shift. At approx. 0106 Officers Mangum and Donovan were involved in an incident outside Mcgarvey's Pub on Elm Street. Officers responded to the area for a reported subject on drugs being pinned down on the sidewalk. Upon arrival they were advised that subject was uncontrollable and had smoked some kind of drug. As Officer Mangum was gathering information the subject (Antonio Herrera) charged at Officer Mangum in an aggressive manner. Herrera was kicking and punching as he came at Officer Mangum. According to his report, Officer Mangum believed he was going to be assaulted and deployed his taser. The Taser did activate but did not incapacitate the subject. Officer Mangum attempted a drive stun but was unsuccessful and again deployed his second Taser cartridge as the subject continued his aggressive behavior. Again his taser was unsuccessful. Officer Mangum was struck several times while trying to effect the arrest and administered a drive stun to gain compliance. Officer Donovan arrived on scene and deployed his taser because the subject was not in custody and still violent. Officer Donovan deployed his taser and both officers where able to handcuff the subject and place him into custody. In addition to dealing with Herrera, officers also had to contend with several other subjects who were interfering with the arrest and acting disorderly. Several subjects taken into custody during the incident.

MPD standard operating procedure regarding taser aproves deployment to overcome active aggression, threat of active aggression, deter riotous behavior or to defend himself or others from bodily injury. Based on review of all officers reports it appears Officer Mangum used the appropriate level of force given the circumstances as reported by the officers present at the scene. In addition, Officer Mangum followed protocol in following post deployment procedure. Z12

OIC Comment/Review:

I spoke with Officer O'Connor and reviewed the report he submitted. I also spoke with Sgt Murphy who responded to the scene prior to Officer O'Connor shooting the deer. Officer O'Connor was dispatched to a severely injured deer that suffered unrecoverable trauma lying in the middle of Candia Rd. It was determined that the deer would need to be euthanized due to the extent of the injuries. I was contacted by Officer O'Connor and was informed of the situation. I instructed him to standby until Sgt Murphy arrived on scene so that the deer could be shot safely. Once Sgt Murphy arrived on scene the area was made safe and Officer O'Connor euthanized the deer with his pistol. Based on the aforementioned information I find that Officer O'Connor used appropriate force and it complied with the departments SOP's.

OIC Comment/Review:

I have reviewed all the reports on this incident and I was the OIC at the time. The suspect in this case was an out of control 16-year-old female who had to be restrained multiple times during the arrest and transportation to the station. She had to be physically carried from the address where she had been trespassing into the Wagon. In the process of going from the residence to the Wagon, the suspect grabbed onto Officer Tanner's gunbelt and suspenders and would not release him. As a result a "drive stun" was delivered to her back and she subsequently complied. She was then secured in the Wagon with no further issue. No injuries were sustained by either the suspect or the officers. The suspect was charged with multiple assaults on the officers including an attempted 2nd Degree Assault. Due to her violent behavior and her refusal to release Officer Tanner I find that the force used was justified in this situation and according to NH State Statute and our S.O.P.'s

OIC Comment/Review:

I have reviewed the reports in this case and was aware of the incident while it was occurring. The suspect in this case was wanted and suspected in several felony crimes. He was also thought to be in possession of a firearm. The suspect was believed to be hiding in an apartment where entry was made by Sgt Biron, other officers and a NHSP trooper with K-9. Due to the circumstances firearms were at the low ready and the K9 was deployed when the suspect refused to come out from where he was hiding. As a result the suspect suffered bite wounds to his legs that required medical attention at the Elliot Hospital. The suspect was armed with a knife at the time he was hiding. I find that the actions taken in this incident were justified and in compliance with NH State statutes and our S.O.P.s.

|------------------|---------------------------|-----------------|------------|-------------|

OIC Comment/Review:

I reviewed the reports submitted in this case and spoke with Officer Mangum as well as Officer David Golia and Sgt Cosio. I have found that the force used was reasonable and in complinace with the departments SOP's. I requested a video of the area in front of F1 (female cell 1) in which force was used however I was informed by Rachael Page that the area in front of that cell is a blind spot. Therefore a DVD was not submitted with this report.

OIC Comment/Review:

I was working the day of this event as the OIC and heard the incident on the radio. I have also reviewed all the reports in this case. The officer's were trying to place, a Mongok Mashut 3-19-91, under arrest when another subject, a Adol Mashut 5-30-94, bacame disorderly. Adol was issued numerous warnings to cease her disorderly behavior or she would be arrested. Adol failed to comply with the lawful order's and was subsequently placed under arrest. While Off. Dunlap was attempting to apply the handcuffs, Adol dropped to her knees. With other officer's assisting, Off. Dunlap was able to gain control of Adol and secure the handcuffs. I find that the officers acted in accordance with Manchester Police Department S.O.P.'s, as well as, NH statutes.

OIC Comment/Review:

I have reviewed the reports and was on duty when this call occurred. Sgt Biron was attempting to locate and arrest a bank robbery suspect and had his handgun in a low ready position while doing so. Once he found the suspect, verbal commands were used to get him to submit to arrest. There were no injuries to any subjects involved. I find that the actions taken were in accordance with NH State Statutes as well as our S.O.P.
