-----------------	---------------------------	-----------------	------------	---------------

OIC Comment/Review:

I have reviewed the reports in this case and I was aware of the situation when it occurred. Officer Dunlap was working the detail at the gunshow at the Radisson when one of the patrons accidentally discharged a firearm while attempting to clear it. Upon hearing the gunshot Officer Dunlap had his firearm in the low ready position until the situation was deemed safe. I find that the actions taken are in accordance with NH State statutes and our S.O.P.

Case # 14-14552	Officer Mullen, Patrick J	Date: 9/26/2014	Time: 0130	Day: Friday
-----------------	---------------------------	-----------------	------------	-------------

OIC Comment/Review:

I reviewed the reports and video submitted in this case. I have found that the force used falls within the parameters of the departments SOP's. The reports state and the video show an uncooperative subject who had to be instructed multiple times to face the booking desk glass as he was being processed. The subject then made a quick turn to his right towards Officer Mullen in an aggressive manner while pulling on front of his belt. Officer Mullen initially attempts to restrain the subject against the glass but was unable to control him. He then attempts to place the subject on the ground with the assistance of Officer Joyal. Both officers struggled with the subject and were unable to get him to the ground. They managed to restrain him against the booking room bench as he continued to resist. Once braced against the bench they were able to re-handcuff the subject. No injuries were reported by the officers or the prisoner.

------------------	--------------------------	-----------------	------------	---------------

OIC Comment/Review:

Upon reviewing this report, I find that there was justification for the displaying of a firearm. Officer Breton has articulated in his report the legitimate circumstances where the drawing and availability of his firearm was tactically prudent. In this High-risk situation, the officer's weapon was immediately available for his own and the safety of others.

OIC Comment/Review:

I have reviewed the reports submitted in this case. I have found that the force used was reasonable and in compliance with the department's SOP's. Furthermore the injuries suffered by Royer may have been self inflicted due to the fact he repeatedly slammed his head against the ground as the officers struggled to control him as he was placed under arrest.

Case # 14-014366	Officer Makara, Jonathan P	Date: 9/22/2014	Time: 2330	Day: Monday
------------------	----------------------------	-----------------	------------	-------------

OIC Comment/Review:

While working as the OIC, I reviewed and spoke with Officer Makara regarding the deployment and use of his department issued Taser. Officer Makara articulated in person and report that although there were no criminal charges, the suicidal subject was intoxicated, incoherent and displayed an emotional unstable state of mind. The subject had already used the box cutter razor blade for a self inflicted wound. The subject refused to drop the box cutter, displaying intent to commit further harm to himself. Numerous verbal commands were given to no avail. Officer Makara deployed and utilized the Taser to diffuse the situation. However, the Taser SOP dictates that it should generally not be used to prevent individuals from harming themselves. I would respectfully ask that the Training Division review the deployment and use of the Taser under these circumstances and render a training decision regarding less lethal options under these or similar circumstances.

I have reviewed the reports and video submitted in this case. I have found that the force used was reasonable and in compliance with the department's SOP's. Henton suffered a very minor laceration/swelling above her left eye which she received treatment for at the Elliot Hospital. The injury was the result of Henton being restrained against the booking desk window after she attempted to kick Officer Dietle while being booked. Officer Dietle immediately gained control of Henton and was able to continue the booking process a short time later.

MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 14-13965	Officer: Duchesne, Jonathan M	Date: 9/15/2014	Time: 2148	Day: Monday
-----------------	-------------------------------	-----------------	------------	-------------

OIC Comment/Review:

I reviewed Off Duchesne's Police Report and Response To Resistance form. I determined that Off Duchesne used the appropriate amount of force necessary to remove the suspect from the vehicle and place him in to custody and to keep the suspect from causing any more damage or possibly injuring an officer or himself.

OIC Comment/Review:

On 09/12/14 at approx. 0147 hours Officer Ouellette was involved in an arrest that required the use of force. I reviewed the report, booking photo and spoke with Officer T.Ouellette regarding the incident. Officer Ouellette indicated subject did not comply with his verbal commands during the arrest. Ofc Ouellette took the subject to the ground in an attempt to gain control and at that point was able to apply handcuffs. He indicated subject sustained no injuries. Subject did have an abrasion to his forehead that was sustained during an altercation prior to police contact. Based on the information the use of force was appropriate. Z12

MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 14-13724	Officer McKenney, Kelly L	Date: 9/11/2014	Time: 1445	Day: Thursday
-----------------	---------------------------	-----------------	------------	---------------

OIC Comment/Review:

I have reviewed Off McKinney's report and Response to Resistance Form. Off McKinney used the proper amount of force necessary on the suspect who was being actively aggressive toward the officers that were attempting to place him in the transport wagon. This use of force resulted in no injuries to the suspect or officers and gained the desired result. There is no booking photo of the suspect because he refused the booking process. I determined that he should stay in the transport wagon until he was brought to Hillsborough County Corrections due to his violent behavior while in the transport wagon.

OIC Comment/Review:

I was working on the day of this event and heard the incident on the radio. I have also reviewed the reports in this case. A subject armed with a knife at the Jolicour School was refusing to submit to lawful orders of the police and did not want to surrender the knife. Sgt O'Keefe and Lt Soucy tried to physically restrain the subject but Sgt O'Keefe was forced to deploy his Tazer and fire it in order to secure the individual and take the knife away from him. I find that Sgt O'Keefe acted in accordance with MPD S.O.P. and NH state statute.

MANCHESTER NH POLICE DEPARTMENT RESPONSE TO RESISTANCE REPORT

Case # 14-013539	Officer: Karoul, Brian P	Date: 9/7/2014	Time: 1823	Day: Sunday
------------------	--------------------------	----------------	------------	-------------

OIC Comment/Review:

While working as the OIC, Officer Karoul who is assigned to the Community Policing Unit, focused his patrol attention to the area of Main Street and Parker Street. This area has been problematic with burglaries, theft from motor vehicles and drug activity. Officer Karoul's attention was drawn to a subject who was on foot. Officer Karoul articulated the subject's behavior as suspicious, based on the fact that his route of travel was randomly changing, while looking into several different yards. Officer Karoul made contact with the subject, who was reluctant to provide any form of identification or dispel any suspicion for his activity. While being detained, the subject tried to flee. Officer Karoul took hold of the subject's right wrist in an attempt to maintain control and affect an arrest. Suspect was able to pull his right arm away from Officer Karoul as he attempted to run. Officer Karoul neutralized and diffused the situation by grabbing a hold of the subject and affecting a take down. The suspect was prone and handcuffed without further incident. Upon reviewing the Arrest and Response To Resistance reports, I find that Officer Karoul acted in accordance to the departments Standard Operating Procedures.
