

STATE VS LOCKE MICHAEL BASS

05-2022-MM-028459-XXXX-XX

I can't dispute any of the other allegations in the capias, because it doesn't list any other allegations. The allegation that is listed is easily disputed base on the full message and when the message is taken in context.

When you leave out material fact like Melbourne Police Department has done in this instance, it's lying.

“Nothing in this world can take the place of persistence. 'Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent. 'The slogan 'Press On!' has solved and always will solve the problems of the human race.”

Can persistence and determination be their superpower?
