Hi Michael,

Thanks for your emails. I do not believe there is any need for you to provide me with anything other than what you already have; I was only looking for the order regarding custody to ensure our records were accurate. As discussed, the trespass has been lifted. If you or your attorney have any questions whatsoever, please do not hesitate to contact me.

This ties into Paiges most recent injunction. Before she filed the injunction, she called BCSO from one of your emergency rooms . The responding deputy investigated and ultimately decided her claims were unfounded. She then filed an injunction for protection, but for some reason decided to not include any mention of her contact with BCSO.

I have more too if needed.

Deputy Lopez closed his portion of the incident, no report, "T- Turned over to other agency" meaning the full report was taken by another agency. Unfortunately, it does not state what agency it was turned over to. I would contact the Communication Center (321-264-5100 opt.4) and ask to speak with Deputy Lopez for further information.
