Hi Michael,

Thank you for reaching out! I brought this to a member of our tech team, who had this to say:

"I have no insider knowledge of how OpenAI trained their data, but I would have to assume they did, as asking GPT FOIA related things often has it giving back MuckRock boilerplate text verbatim, and our requests are freely available on the internet."

I hope this helps!

Best,

Adrien

This is a follow-up to your previous request [#99977](#) "I need help with a portal, ..."

Hello,

Thank you.

Do you guys have any idea if information from muckrock was used at anytime by OPENAI in training any of their gpt models? I'm hoping the answer is yes, just to say.

I guess as much would fit more with casetext CoCounsel.
