Re: Michael Locke, Chapter 13 bankruptcy Case No. 22-02930

To Whom it may concern

With this letter, the Chapter 13 bankruptcy trustee, Laurie Weatherford, ("Trustee") gives approval for Mr. Locke to participate in the Homeowners Assistance Fund ("HAF"). The Trustee has no objection to Mr. Locke participating in the Florida HAF program where such funds will be distributed directly to the mortgage lender/servicer contract for deed holder, county treasurer, local taxing authority, hazard insurance company homeowners/condominium association, or other payee by the Florida HAF and/or its authorized agents on behalf of the applicant. Such grant benefits are expressly for the purpose of paying delinquent amounts owed related to the property located at 127 Delvalle Street, Melbourne Beach, FL 32951. Proof of any payment must be provided to the trustee.

Sincerely,

Laurie Weatherford, Chapter 13 trustee,
Middle District of Florida, Orlando Division
