SPECIFIC GRANT CONDITIONS FOR PAYMENTS

THE G5 PAYMENTS MODULE

Payments under this award will be made through the G5-Payments module of the U.S. Department of Education's (Department) electronic payments system. The G5 Payments module within the Education Central Automated Processing Systems (EDCAPS) is administered by the Office of the Chief Information Officer, Financial Systems Services.

The internet address for G5 is <https://www.g5.gov>. To access the G5 Payments module, you must first have a G5 User Id and Password. You will need to request a G5 User Id and Password from the Department of Education by submitting an **External Access Security Form**. This form is electronically available during online registration under "*Not Registered? Sign Up*", when you access the website. The Department will issue G5 User IDs and Passwords to those individuals authorized by the payee to access G5 to request funds and report expenditures. User IDs and Passwords cannot be faxed or given over the phone, and may not be shared by multiple users. The External User Access Request Form must be completed and mailed to the following address:

U.S. Department of Education
Office of the Chief Information Officer
Mail Stop – 4138
Attn: G5 Functional Application Team
400 Maryland Avenue, SW
Washington, DC 20202

New grantees will be requested to provide pertinent information before they may begin requesting funds. Information to be provided includes:

- Designation of payee;
- Payee contacts and mailing addresses;
- Depositor account information; and
- Individuals authorized by the payee to access G5 to request funds - these individuals will be provided User IDs and passwords to access G5.

The payee is the entity identified by the grantee to handle the financial aspects of the grant (e.g., request payments, report expenditures, etc.). While a grantee may designate an entity to be its payee, alternatively, a grantee and payee may be the same entity.

Payees may begin requesting funds for the grantee once their award authorization is entered into G5 and the award start date is reached.

A copy of the Department of Education G5 Training Guide (*Guide*) is available on the G5 website at the "Help" link. The guide provides detailed instructions on all electronic payment processes. If you are not Internet capable, please contact the G5 Hotline at toll free 1 (888) 336-8930 to request a hard copy of the Guide.

REQUESTING FUNDS USING THE G5 MODULE

Payees can access the G5-Payments Module on-line to request funds. To access the G5 Payments Module, payees need a Web browser (such as Microsoft Internet Explorer) and Internet connectivity. Payees will request funds by award using **the PR/Award Number** found in **Block 5** of the **Grant Award Notification**. Instructions for navigating through the G5-Payments screens to make a payment request are given in the G5 Training Guide and in the G5 On Demand training located under the "Help" link. Instructions for modifying payment requests, adjusting drawdown amounts, and viewing award and authorization histories are also included in the Guide.

Those payees who do not have the technology to access G5-Payments on-line may request funds by calling ED's G5 Hotline by at 1-888-336-8930.

AWARD INFORMATION

Payees can get information on this award on-line, or by calling ED's G5 Hotline Staff at 1-888-336-8930.

➤ On-Line:

Payees may access G5 via the Internet at <https://www.G5.gov> to retrieve and view information on their awards, such as:

- Net authorization and authorization history;
- Net draws;
- Available balance;
- History of pending and completed payments;
- Award status; and
- Award history - including detailed transactions on drawdowns, returns, refunds, and adjustments.

➤ ED's G5 Hotline Staff:

Payees can contact a G5 Hotline Staff for information on any award. Because award information is organized in G5 by a unique identifier - the Dun & Bradstreet Number (DUNS Number) - payees should have their DUNS number, identified in **Block 8** of the **Grant Award Notification**, available when contacting a G5 Hotline Staff Representative.

FINANCIAL REPORTS:

When a Payee requests a drawdown of funds by grant award, the Department records this drawdown as an expenditure against the specified grant award. This method of identifying expenditures, at the time of drawdown, and the capability to make adjustments on-line, eliminates the need for the submission of the Federal Cash Transactions Report Form 272. Thus, additional financial reporting generally will not be required, unless otherwise specified by ED.

**An Overview of Single Audit Requirements of States,
Local Governments, and Non-Profit Organizations**

To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all documents required by Uniform Guidance 2 CFR 200.512, including Form SF-SAC: Data Collection Form, to:

Federal Audit Clearinghouse
1201 East 10th Street
Jeffersonville, Indiana 47132
(301) 763-1551 (voice)
(800) 253-0696 (toll free)
(301) 457-1540 (fax)

Below is a summary of the single audit requirements:

- (1) **Single Audit.** A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.514, "Scope of Audit," except when it elects to have a program specific audit conducted.
- (2) **Program-specific audit election.** When an auditee expends Federal awards under only one Federal program (excluding R&D), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
- (3) **Exemption when Federal awards expended are less than \$750,000.** A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

(4) Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.

(5) Report Submission. The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

If the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at the address, phone, or fax number provided on page 3 of this attachment.

Grantees can obtain information on single audits from:

The OMB Publications Service, (202) 395-7332. (To obtain OMB Compliance Supplement, and Form SF-SAC: Data Collection Form)

The OMB web site. The Internet address is www.omb.gov. Look under OMB "Information for Agencies", then in OMB Circulars. (To obtain OMB Compliance Supplement, and Form SF-SAC: Data Collection Form)

The Federal Audit Clearinghouse, 1-888-222-9907. (to obtain Form SF-SAC: Data Collection Form), or

The American Institute of Certified Public Accountants (AICPA). AICPA has illustrative OMB Single Audit report examples that might be of interest to accountants, auditors, or financial staff. The examples can be obtained by their fax hotline: (202) 938-3797, request document number 311; or from their Internet page. The Internet address is www.aicpa.org.

If the U.S. Department of Education is the cognizant agency for the grantee organization, the following shows, according to the location of the grantee entity, which location of the Office of Inspector General to contact for single audit-related questions. For programmatic questions, grantees should contact the Education Program Contact shown on the Department's Grant Award Notification.

Reporting Subgrant Data and Executive Compensation Data for Subrecipients As Required under the Federal Funding Accountability and Transparency Act

The Federal Funding Accountability and Transparency Act (FFATA) is designed to increase transparency and improve the public's access to Federal government information. To this end, FFATA requires that subgrant data be reported for all new Federal grants funded at \$25,000 that meet the reporting conditions as set forth in this grant award term, and that are awarded on or after October 1, 2010. Subgrant data and executive compensation data for subrecipients must be reported by the prime awardee. For FFATA reporting purposes, the prime awardee (i.e. the grantee) is the entity listed in box 1 of the Grant Award Notification. Only subgrants made by the prime awardee to **first-tier subrecipients** are reportable in accordance with FFATA.

a. Reporting of First-tier Subgrants:

1. ***Applicability.*** Unless the prime awardee is exempt as provided in paragraph **c** of this grant award term, the prime awardee must report each action that obligates \$25,000 or more in Federal funds for a subgrant to an entity (see definitions in paragraph **e** of this award term).
2. ***Where to report.*** The prime awardee must report each obligating action described in paragraph **a.1.** of this award term at www.FSRS.gov.
3. ***What to report.*** The prime awardee must report the information about each obligating action that the submission instructions posted at www.FSRS.gov specify.
4. ***When to report.*** The prime awardee must report subgrants described in paragraph **a.1.**, by the end of the month following the month during which the prime awardee makes the subgrant. For example, if the prime awardee obligates a subgrant on any date during the month of October of a given year (i.e., between October 1 and 31), the prime awardee must report the subgrant by November 30 of that year.

b. Reporting of Total Compensation of Subrecipient Executives:

1. ***Applicability and what to report.*** Unless the prime awardee is exempt as provided in paragraph **c** of this award term, for each first-tier subrecipient under this award, the prime awardee shall report the names and total compensation of each of the subrecipient's five most highly compensated executives for the subrecipient's preceding completed fiscal year if all of the following conditions are applicable to the subrecipient:

i. in the subrecipient's preceding fiscal year, the subrecipient received--

(A) 80 percent or more of its annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards); **and**

(B) \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts), and Federal financial assistance subject to the Transparency Act (and subawards); **and**

ii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Securities and Exchange Commission total compensation filings at www.sec.gov/answers/execomp.htm.)

2. Where to report. The prime awardee must report subrecipient executive compensation described in paragraph **b.1** of this award term at www.FSRS.gov.

3. What to report. The types of compensation that must be reported for each subrecipient are listed in the definition of “total compensation” appearing in item **d** of this grant award term.

4. When to report. The prime awardee must report subrecipient executive compensation described in paragraph **b.1.**, by the end of the month following the month during which the prime awardee makes the subaward. For example, if the prime awardee obligates a subgrant on any date during the month of October of a given year (i.e., between October 1 and 31), the prime awardee must report any required compensation information of the subrecipient by November 30 of that year.

5. Conditions imposed on subgrants. The prime awardee must include a condition on its subgrants that requires the subrecipients to timely report the information required under paragraph **b.1.** to the prime awardee, or in the System for Award Management (www.SAM.gov) as executive compensation data entered in www.SAM.gov by the subrecipient will pre-populate in www.FSRS.gov.

c. Exemptions:

If, in the previous tax year, the prime awardee had gross income, from all sources, under \$300,000, the prime awardee is exempt from the requirements to report:

1. Subawards, and

iii. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a [subgrant] or a contract, and is reportable in accordance with FFATA when the subrecipient of the subaward: (1) determines who is eligible to receive what Federal assistance; (2) has its performance measured in relation to whether objectives of a Federal program were met; (3) has responsibility for programmatic decision making; (4) is responsible for adherence to applicable Federal program requirements specified in the Federal award; and (5) in accordance with its agreement, uses the Federal funds to carry out a program for a public purpose specified in authorizing statute, as opposed to providing goods or services for the benefit of the pass-through entity from which it received the subaward (see 2 CFR 200.330(a)). Subgrants as referenced in EDGAR § 75.708, are considered subawards and are reportable in accordance with FFATA, if they are awarded by a pass-through entity to a subrecipient, and the conditions and requirements as addressed within this definition are applicable.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.

Registration of Data Universal Numbering System (DUNS) Number and Taxpayer Identification Number (TIN) in the System for Award Management (SAM)

The U.S. Department of Education (Education) Grants Management System (G5) will begin disbursing payments via the U.S. Department of Treasury (Treasury) rather than directly through the Federal Reserve as in the past. The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with Education you must have a registered DUNS and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee DUNS number is different than your grantee DUNS number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from Education.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered TINs according to the IRS.

- Social Security Number "[SSN](#)"
- Employer Identification Number "[EIN](#)"
- Individual Taxpayer Identification Number "[ITIN](#)"
- Taxpayer Identification Number for Pending U.S. Adoptions "[ATIN](#)"
- Preparer Taxpayer Identification Number "[PTIN](#)"

If your DUNS number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220.

If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your DUNS is correct.

If you have any questions or concerns, please contact the G5 Hotline at 888-336-8930.

UNITED STATES DEPARTMENT OF EDUCATION
Office of the Chief Financial Officer

MEMORANDUM to ED GRANTEES REGARDING THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.” In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.

UNITED STATES DEPARTMENT OF EDUCATION

Office of the Chief Financial Officer

- All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:
 - The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.
