CAUTION: External Sender

Hi all - Thank you for an incredibly productive and hopeful conversation that we could - through collective action and pooling our funding - enable more homeless folks to get housed in Marin County. A goal we all share.

Please see below for Next Steps and Links/Attachments. Another heartfelt thank you to Andrew for guiding the conversation and suggesting a path forward to action.

NEXT STEPS

- Connect with your City Manager about this discussion and how your jurisdiction could commit 5% of your American Rescue Plan dollars to the shared city/county case management.
- Andrew will draft a staff report that all jurisdictions can use as a template for moving this item forward in their budget process.
- Fill out your availability for our follow up meeting: https://doodle.com/poll/y6fhdsnrz4x7b2h8?utm_source=poll&utm_medium=link

And included as an attachment is another pallet/tiny home/cabin option as implemented by Oakland (thanks Pat!).

As was said during the meeting, time is of the essence so thank you for making this a priority. Please contact either Andrew (cc'd on the email) or me with any questions.

Warmly,
Kate
