Good morning,

Patrol typically accompanies:

And his team to conduct a count. We are scheduled on February 24-25th and this has been assigned to Sgt. Ryan Smith. Patrol will assist the team with locating and counting our known individuals experiencing homelessness.

Thank you,

Hi, Rachel! Tricia Ossa is our council rep on the MCCMC Homelessness Committee. I'm not sure from the staff level how we participate - cc:ing our City Manager for more info.

Hi Sashi,

Hope you are well. I'm glad our paths are starting to cross more.

One of my new jobs as Councilmember for San Rafael is to participate on the County's Homelessness committee. Along with a number of agencies we are developing a plan for this year's modified PIT.

I wanted to check with you on your understanding of how Mill Valley traditionally participates in the annual PIT. Due to the pandemic, this year the count will look different but will hopefully provide us data to evaluate the current count of the homeless. San Rafael, Novato, Central Marin and West Marin PD, with the County's resources, will assist with this year's analysis.

Please let me know if there is someone from Mill Valley who should be included in the planning.

Thank you,
Rachel
