Hello all - We last met on March 5th - yes, a lifetime ago and I'm hoping we can connect before the calendar reaches 2021. To that end, please fill out the poll below asap. I recognize that people might have rotated off this committee in your town and I'm hoping you will forward it to the appropriate person.

Draft agenda (email me if there is something we should consider adding):

- Project Homekey
- Police Calls for Service (aka discussion about sending mental health professionals to some PD calls instead)
- Freeway Encampments/CalTrans

And finally, my amazing co-chair Eric Lucan has rotated off so if you'd be willing to co-chair with me, please lmk.

Look forward to zooming with you all soon. Thanks for filling out the doodle poll.

Stay safe out there!

Kate Colin
