### Helping Hands Await for Rental Assistance

[Pop-up events](#) on Wednesday, May 19, and Sunday, May 23, will allow local residents experiencing financial hardship because of the pandemic to get in-person help with federal [rental assistance](#).

Both events will take place at Exhibit Hall, in the back of the Marin County Fairgrounds at 20 Avenue of the Flags, San Rafael. The May 19 event will be from 4-8 p.m., and the May 23 event will be from 10 a.m. to 3 p.m. No appointments will be necessary to receive assistance, and language translation services will be provided. Visitors only need to bring required documents. Assistance will be available for both landlords and tenants. Free tacos will be provided for those receiving services.

In this session of federal economic hardship relief, there is \$16 million to distribute as part of the federal Consolidated Appropriations Act, intended to prevent evictions and homelessness. The applications for tenants and landlords are available on the County's [rental assistance website](#) in a variety of languages.
