Re: Public Records Act Requests Received on May 18, 2021

Dear Mr. Powelson:

The City of Mill Valley ("City") received your Public Records Act request on May 18, 2021. Your request seeks:

Request No. 1: *"All emails within possession of email accounts of any City Manager of the City dated between January 1st 2020 to May 17th 2021 that contain the following keywords: 'Homeless' 'Unhoused' 'Shelterless' 'Anchor out' 'Recreational Vehicle' 'RV' 'Encampment Cleanup' 'Tent' 'transient.'"*

Request No. 2: *"...emails that..." "requested an eviction moratorium, attempted to stop an encampment cleanup, or destruction of boats in Richardson Bay, or intervened in any way with any law enforcement actions against low income or unhoused communities."*

The purpose of this correspondence is to advise you that, pursuant to Government Code Section 6253(c)(2), the City is extending its determination by fourteen (14) days from the tenth day following the City's receipt of your request. This is due to the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in the request. The examination of records will include a review to determine if any of the records are exempt from disclosure pursuant to any exemption set forth in the Public Records Act.

A determination regarding your request will be sent to you no later than **Tuesday, June 15, 2021**. In the event documents are collected and examined and a determination is made prior to that time, we will provide you with that determination sooner.

Should you have any questions, please contact me at 415-388-4033 or by email at hpolitzer@cityofmillvalley.org.

Sincerely,

A handwritten signature in blue ink that reads "Hannah Politzer". The signature is fluid and cursive, with the first name "Hannah" and last name "Politzer" clearly distinguishable.
