**Security Features exceed industry standards and include:**

- ImageMatch<sup>SM</sup>: Matching account and check number on back (Patent No. 9,240,068)
- MobileMark<sup>SM</sup>: Mobile Deposit check mark to indicate check has been deposited via a mobile device
- The Security Weave<sup>SM</sup> pattern on back designed to deter fraud
- Microprint (MP) lines printed on front and back
- The words "ORIGINAL DOCUMENT" across the back
- Photo Safe Deposit<sup>SM</sup> icon visible on front and back

**Do not cash it:**

- Any of the features listed above are missing or appear altered
- Fugitive Ink on back looks pink or has disappeared
- Brown stains or colored spots appear on both front and back, and in Chemical Wash Detection Box
