

STATE PLAN OF OPERATION BETWEEN THE
STATE OF CALIFORNIA
AND THE Mountain View Police Department

I. PURPOSE

This State Plan of Operation (SPO) is entered between the State of California and the Law Enforcement Agency (*LEA name*) Mountain View Police Department, to set forth the terms and conditions which will be binding on the parties with respect to excess Department of Defense (DOD) personal property transferred pursuant to 10 USC § 2576a in order to promote the efficient and expeditious transfer of property and to ensure accountability of the same.

II. AUTHORITY

The Secretary of Defense is authorized by 10 USC § 2576a to transfer to Federal and State or local Law Enforcement Agencies (LEAs), personal property that is excess to the needs of the DoD, including small arms and ammunition, that the Secretary determines is suitable to be used by such agencies in law enforcement activities, with preferences for counter-drug/counter-terrorism or border security activities, under such terms prescribed by the Secretary. The Secretary of Defense has delegated authority for management of this program to the DLA. DLA defines law enforcement activities as activities performed by governmental agencies whose primary function is the enforcement of applicable Federal, State, and local laws and whose compensated law enforcement officers have powers of arrest and apprehension. This program is known as the Law Enforcement Support Program and commonly referred to as the “LESO Program” or “1033 Program” and is administered by DLA Disposition Services, LESO.

B. All property is transferred and recipient (*LEA name*) Mountain View Police Department agrees to accept property on an as-is, where-is basis. The DLA has final authority to determine the type, quantity, and allocation of excess DoD personal property suitable for law enforcement activities.

C. This agreement creates no entitlement to the LEA to receive excess DoD personal property. The State and DLA retains the right to recall any property during the period that it is conditionally transferred.

D. The (*LEA name*) **Mountain View Police Department** understands that property made available under this agreement is for the use of authorized program participants only. Authorized participants who receive property from the LESO Program will not loan, donate, or otherwise provide property to other groups or entities that are not otherwise authorized to participate in the Program. Property will not be obtained by any authorized participant for sale, lease, loan, personal use, rent, exchange, barter, transfer or to secure a loan. Authorized participating agencies may, with prior approval from the LEA on a temporary basis, conditionally loan property to another **participating agency** as their mission requires, utilizing an Equipment Custody Receipt (ECR). Property temporarily loaned will be returned to the LEA responsible for the accountability. All requests for property will be based on **bona fide law enforcement requirements**.

E. Controlled property (equipment) includes any property that has a Demilitarization (DEMIL) Code of B, C, D, E, F, G, and Q3.

To receive such property, on an annual basis the LEA shall certify (Ref: 10 U.S. Code § 2576a):

- 1) That it has obtained the authorization of the relevant local governing body authority (city council, mayor etc.) to participate in the program.
- 2) That it has adopted publicly available protocols for the appropriate use of controlled property, the supervision of such use, and the evaluation of the effectiveness of such use, including auditing and accountability policies.
- 3) That it provides annual training to relevant personnel on the maintenance, sustainment, and appropriate use of controlled property.

F. The (*LEA name*) **Mountain View Police Department** will maintain and enforce regulations designed to impose adequate security and accountability measures for controlled property to mitigate the risk of loss or theft. Under no circumstances will controlled property be sold or otherwise transferred to non-U.S. persons, or exported pursuant to 10 U.S.C. 2576a. All transfers of property must be approved by the State and DLA Disposition Services LESO.

G. Upon approval of written requests, cannibalization may be performed on approved aircraft, armored vehicles, and High Mobility Multipurpose Wheeled Vehicles (HMMWVs). Requests will be submitted in writing to the State and approved by the LESO for approval. The cannibalized end item must be returned to DLA Disposition Services within the allotted timeframes determined by the LESO.

- H. The LESO conditionally transfers all excess DoD property to LEAs enrolled in the LESO Program. Title or ownership of controlled property will remain with the DoD in perpetuity and will not be relinquished to the LEA. When the LEA no longer has a legitimate law enforcement use for controlled property, the LEA will notify the LESO and the controlled property must either be transferred to another enrolled LEA (via standard transfer process) or returned to DLA Disposition Services for disposal. The LESO reserves the right to recall controlled and non-controlled property issued to LEA through the DLA at any time.
- I. Property with a DEMIL Code of “A” and “Q” with an Integrity Code of “6” (Q6) is also conditionally transferred to the LEA, yet controlled for one (1) year from the ship date. However, after one (1) year from the ship date, the DLA will relinquish ownership and title to the LEA. Prior to this date, the LEA remains responsible for the accountability and physical control of the item(s) and the Program retains the right to recall the property.
- 1) Property with DEMIL Codes of “A” and “Q6” will be placed in a closed status on the LEA’s LESO inventory upon meeting the one year mark.
 - 2) Once closed, the property is no longer subject to the annual inventory requirements and will not be inventoried during a LESO Program Compliance Review (PCR).
 - 3) Ownership and title of DEMIL “A” and “Q6” items that have been closed will pass from the DoD to the LEA one year from the ship date, without issuance of any further documentation.
 - 4) LEA receive title and ownership of DEMIL “A” and “Q6” items as governmental entities. Title and ownership of DEMIL “A” and “Q6” property does not pass from DoD to any private individual or LEA official in their private capacity. Accordingly, such property should be maintained and ultimately disposed of in accordance with provisions in LEA and local laws that govern public property. Sales or gifting of DEMIL “A” and “Q6” property after one year from the ship date in a manner inconsistent with LEA or local law may constitute grounds to deny future participation in the LESO Program.
 - 5) An SF 97 form will be provided upon physical transfer for vehicles. Recipients are authorized to make upgrades to vehicles during the one (1) year conditional period. Full title to DEMIL “A” and “Q6” property, including vehicles, will vest in the recipient after one (1) year if all other requirements of this agreement have been met. After the one (1) year period DEMIL “A” and “Q6” items may be transferred, cannibalized for usable parts, sold, donated or scrapped.
- J. LEAs are not authorized to transfer any property on their inventory without State and LESO notification and prior approval. Property will not physically move until the State and LESO approval process is complete.

- K. Certain controlled equipment will have a documented chain of custody (i.e. Equipment Custody Receipt [ECR] or equivalent), including a **signature of the recipient**. Controlled equipment requiring a chain of custody are: small arms, aircraft, high profile vehicles, optics, robots, and small arm's parts/accessories. It is encouraged to utilize ECRs for all controlled equipment. Regarding ECRs during a LESO PCR see section VI, A, 4.
- L. Sale or transfer of DEMIL Codes "A" or "Q6" property after the one (1) year conditional holding and utilization period to non-LEA participants will be executed in compliance with U.S. Export Control Regulations.
- 1) Excess personal property may be export-controlled, regardless of the assigned DEMIL Code and regardless of the Department or Agency that donates the property.
 - 2) DEMIL Codes are not a substitute for export controls. They do not provide information on the export control requirements for an item.
 - 3) The Transferee is responsible for complying with U.S. Export Control Laws and Regulations, including the Export Administration Regulations (EAR) (15 CFR Parts 730-774) and the International Traffic in Arms Regulations (ITAR) (22 CFR Parts 120-130).
 - a) This responsibility exists independent of, and is not established or limited by, the information provided in this statement of compliance.
 - b) The responsibility includes, but is not limited to, determining the subsequent transferee's eligibility to receive such items in accordance with U.S. Export Control Laws and Regulations.
 - c) Information on the EAR and ITAR are at: <https://www.bis.doc.gov/index.php> and <https://www.pmddtc.state.gov/index.html>.
 - d) Tips:
 - i. If Transferee has doubts about which regulation governs control of the item, they may submit a commodity jurisdiction request to the Department of State, Directorate of Defense Trade Controls to determine whether it is subject to the ITAR or EAR. Information on commodity jurisdiction requests can be found at: http://www.pmddtc.state.gov/commodity_jurisdiction/index.html
 - ii. If Transferee is sure the item is subject to the EAR, but needs help determining the correct Export Control Classification Number (ECCN), they must submit a commodity classification request to the Department of Commerce, Bureau of Industry and Security (BIS). Information on classification requests can be found at: <https://www.bis.doc.gov/index.php/licensing/commerce-control-list-classification/classification-request-guidelines>

iii. For items subject to the EAR: Transferee is cautioned that prior to sale or transfer of items they should be familiar with their customer and intended end use of the items. Transferees must check prospective Transferees/buyers to ensure they are not on the Department of Commerce List of Parties of Concern (<https://www.bis.doc.gov/index.php/policy-guidance/lists-of-parties-of-concern>) and the transfer/sale complies with the EAR, including 15 CFR Part 736. BIS Export Compliance Guidelines are at: <https://www.bis.doc.gov/index.php/forms-documents/pdfs/1641-ecp/file>

- 4) The Transferee must notify all subsequent purchasers or Transferees in writing, of their responsibility to comply with U.S. Export Control Laws and Regulations.
- 5) *Definition.* “Export-controlled items,” as used in this statement of compliance, means items subject to the Export Administration Regulations (EAR) (15 CFR Parts 730-774) or the International Traffic in Arms Regulations (ITAR) (22 CFR Parts 120-130). The term includes:
- a) “Items,” defined in the EAR 15 CFR 772.1. as “commodities”, “software”, and “technology.”
 - b) “Defense Articles, Defense Services, and related Technical Data defined in the ITAR, 22 CFR Part 120.

- A. A LEA will have at least one full-time law enforcement officer in order to enroll and/or receive property via the LESO Program. Only full-time and part-time law enforcement officers are authorized to receive property. Reserve officers are not authorized to receive property. State law enforcement training facilities/academies may be authorized to participate in the program given the primary function is the training of bona fide LEA and Local law enforcement officers. Law Enforcement training facilities/academies will be reviewed and approved for participation on a case-by-case basis via concurrence of DLA Disposition Services, DLA General Counsel, and DLA J349.
- B. Unauthorized Participants. Nongovernmental law enforcement entities such as private railroad police, private security, private academies, correctional departments and prisons, or security police at private schools or colleges. Fire departments, by definition, are ineligible for the Law Enforcement Support Program.

- 2) Receive and process applications for participation from eligible LEAs within the State of California.
- 3) Collect originating agency identifier code (ORI) for all new, reactivation (whether voluntary separation or termination), and otherwise suspicious applications. Originating agency identifier will be coordinated with DLA Office of the Inspector General (OIG) for validation against the Federal Bureau of Investigation's National Crime Information Center database.
- 4) Ensure only authorized LEA applications for participation are submitted to the Program for approval. Applications are required by the LESO Standard Operating Procedures (SOP) to be submitted within thirty (30) days of both the Chief Law Enforcement Officer's (CLEO) and the State Point of Contact's approved signature and date.
- 5) Validate the authenticity of the LEAs within their State that are applying for participation. If the LEA forwards an unauthorized participant application, this may result in a formal suspension of the LEA.
- 6) Determine the qualifications of a full-time law enforcement officer.
- 7) Have sole discretion to disapprove LEA applications on behalf of the Governor of their State. The LESO should be notified of any applications disapproved at the State level. The LEA will only forward and recommend/certify LEAs to the LESO that are government agencies whose primary function is the enforcement of applicable Federal, LEA, and local laws and whose compensated officers have the powers of arrest and apprehension. The LESO retains final approval/disapproval authority for all LEA applications forwarded by the State.
- 8) Ensure LEAs enrolled in the Program update the LEA's account information annually, or as needed. This may require the LEA to submit an updated application. Updated applications are required to be submitted for, but are not limited to, the following reasons: a change in CLEO, the addition or removal of a screener, and/or a change in the LEA's address or contact information.
- 9) Provide a comprehensive overview of the Program to all LEAs once they are approved for enrollment. This comprehensive overview will be done within thirty (30) days of an LEA receiving the LESO's approval to participate.
- 10) Ensure that screeners of property are compensated employees of the LEA. A screener may only screen property for two Law Enforcement Agencies. Contractors may not conduct screening on behalf of the LEA.

- 11) Ensure at least one eligible person per LEA maintains access to the Federal Excess Property Management Information System (FEPMIS), or current property accounting system. Account holders will be employees of the LEA.

Once approved, the certification remains valid for a one year period. New certification requests must be submitted within sixty days (60) of the certification expiration. Once a LEA receives notification of their approved application from LESO or the SPOC, each screener will register with the DLA Account Management and Provisioning System (AMPS) and the DLA Reutilization, Transfer, and Disposal (RTD) web sites.
 - a) If the agency CLEO changes, a new certification package is required as soon as the change has occurred, within 15 days after taking office.
- 2) Maintain an active status if they acquire property or weapons through the program. Failure to maintain an active status will result in the turn-in of all such property.
- 3) Submit requests for property electronically via the DLA Disposition Services. The LEA must provide written justification for all requisitions to the SPOC describing how the property will support their law enforcement activity. The justification should ALWAYS include the LEA's name.
- 4) Control and maintain accurate records on all property obtained under this plan. These records must provide an "audit trail" for individual items of property from receipt to distribution for the life cycle of the property. The CLEO must certify all annual inventory requirements. Annual inventories start on 1 October each year and end 31 January each year. **LEAs in California will submit certified inventories by 1 December each year.**

1) DEMIL "A" and "Q6" property records will not be closed during the annual inventory!

B. The State shall:

- 1) Receive and validate incoming certified inventories and reconcile inventories from the LEAs.
- 2) Ensure LEAs validate and provide serial numbers and photos identified during the annual inventory process for inclusion in the LESO property accounting system for all aircraft, armored vehicles, small arms and other unique items, as required.
- 3) Suspend a LEA as a result of the LEA's failure to properly submit certified inventories, according to the aforementioned requirements.

C. The LEA shall:

- 1) Complete and certify the annual physical inventory as required for continued participation in the program by **1 December of each year.**
- 2) Adhere to additional annual certification requirements as identified by the LESO. All inventories and certification statements will be maintained on file indefinitely.
 - a) The State and LESO requires each LEA to submit certified inventories for their agency annually. The Fiscal Year (FY) is defined as October 1 through September 30 of each year. This gives the LEA two (2) months to physically inventory DLA LESO Program property in their possession and submit their certified inventories to their State Coordinator.

When a LEA is suspended, a Corrective Action Plan (CAP) will need to be submitted to the State and LESO identifying all actions taken to correct the deficiencies. Further failure to submit the certified annual inventory may result in a LEA's termination.
- 3) Be aware that **High-Profile** commodities (aircraft, armored vehicles and small arms) and other property may be subject to additional controls.
- 4) Ensure that an approved **current SPO** is uploaded in FEPMIS.

VI. PROGRAM COMPLIANCE REVIEW

- A. The LESO conducts a PCR for each State that is enrolled in the LESO Program every two (2) years. The Program reserves the right to conduct no notice PCRs, or require an annual review, or similar inspection, on a more frequent basis for any LEA. LESO PCRs are performed in order to ensure that State Coordinators, SPOCs, and all LEAs within a State are compliant with the terms and conditions of the LESO Program as required by 10 USC § 2576a, DLA Instruction and Manuals regarding the LESO Program, and the DLA MOA.
 - 1) If a State and/or LEA fails a PCR, the LESO will immediately suspend their operations and will subsequently issue corrective actions (with suspense dates) to the State Coordinator, which will identify what is needed to rectify the identified deficiencies within his/her LEA.
 - 2) If a State and/or LEA fails to correct identified deficiencies by the given suspense dates, the LESO will move to terminate the Program operations within the State and/or LEA.
 - 3) States and/or LEAs which fail a program compliance review will be suspended for a minimum of sixty (60) days and will not be reinstated until DLA conducts a re-inspection on the State and the State and/or LEA successfully passes the inspection.
 - 4) During a LESO PCR, it is the Program's intent to physically inventory 100% of property selected for review at each LEA. **The use of ECRs in lieu of physical inspection is discouraged during PCRs.**

B. The State shall:

- 1) Support the LESO PCR process by:
 - a) Coordinating and forwarding completed PCR daily events schedule to the selected LEAs to be reviewed.
 - b) Contacting LEAs selected for review via phone and email to ensure they are aware of the PCR schedule and prepared for review.
 - c) Receiving inventory selections from the LESO and forwarding them to the selected LEAs.

 - e) Providing additional assistance to the LESO as required, prior to, during, and upon completion of the PCR.
- 2) Conduct internal PCRs of LEAs participating in the Program in order to ensure accountability, program compliance, program eligibility and validate annual inventory submissions are accurate. The State will ensure an internal PCR of at least 5% of LEAs that have a property book from the LESO Program within his/her LEA is completed annually. This may result in a random review of all or selected property at the LEA. Results of internal PCRs will be kept on-file at the State Coordinator's Office.
 - a) The internal PCR will include, at minimum:
 - i. A review of the SPO signed by both parties, ensuring that the SPO is uploaded into the Station Management Utility within FEPMIS.
 - ii. A review of the LEA's application/screener letter.
 - iii. A physical inventory of DLA LESO Program property selected for review at each LEA.
 - iv. A specific review of each selected LEA's files for the following: DD Form 1348-1A for each item currently on inventory, small arms documentation, transfer documents, turn-in documents, inventory adjustment documents, exception to policy letters (if any), approved cannibalization requests (if any), or other pertinent documentation as required.

A. The State shall:

- 1) Identify, establish, and issue minimum criteria to be included in the SPO for the State and each participating LEA.

 - d) The State Coordinator will notify LESO of any applications that are not approved at the State level.
- 3) Enter into written agreement with each LEA, via the LESO approved State Plan of Operation, to ensure the LEA fully acknowledges the terms, conditions, and limitations applicable to property transferred pursuant to this agreement. The State Plan of Operation must be signed by the Chief Law Enforcement Official (CLEO) or acting Chief Law Enforcement Official.
- 4) Request that the LESO Suspend or Terminate an LEA(s) from the LESO Program when an LEA fails to comply with any term of DLA MOA, the DLA Instruction and Manuals, any Federal statute or regulation, or the State Plan of Operation.

- B. LESO may grant extensions to the reporting requirements listed above on a case-by-case basis.

IX. AIRCRAFT AND SMALL ARMS

- A. All aircraft are considered controlled property, regardless of DEMIL Code. The SPO will ensure that all LEAs and all subsequent users are aware of, and agree to provide, all required controls and documentation in accordance with applicable laws and regulations for these items.
- B. LEAs no longer requiring small arms issued through the LESO Program will request authorization to transfer or turn-in small arms. Transfers and turn-ins will be forwarded and endorsed by the LEA, and approved by the LESO. Small arms will not physically move until the LESO provides official notification that the approval process is complete.

When returning small arms to Anniston Army Depot, LEAs are required to:

- 1) Provide the 1348-1A turn in document that has been approved through the LESO.

- 2) Provide an appointment letter signed by the CLEO, or their designee, appointing the certifier and verifier to that position (found on the LESO website).

- C. Small arms that are issued must have documented chain of custody including a signature of the receiving officer indicating that he/she has received the appropriate small arm(s) with the correct, specified serial number(s). Small arms that are issued to an officer will be issued utilizing an Equipment Custody Receipt; this Custody Receipt obtains the signature of the officer/deputy responsible for the small arm.
- D. Modifications to small arms are authorized. All parts are to be retained and accounted for in a secured location under the original serial number for the small arm until final disposal. If the modified small arm is transferred to another LEA, all parts must accompany the small arm to the receiving LEA.
- E. Weapon Accountability. Law enforcement agencies that have multiple instances of a missing, lost, or stolen LESO Program small arm within a five (5) year window will be assessed by DLA Disposition Services to determine if a systemic problem exists.
- 1) First Instance of Loss/theft: Will result in a sixty (60) day minimum suspension.
 - 2) Second Instance of Loss/theft: Will result in a one hundred and eighty (180) day minimum suspension.
 - 3) Third Instance of Loss/theft: Will result in a two hundred and forty (240) day minimum suspension. DLA Disposition Services will submit a formal assessment presenting all the facts of the instances of loss, relevant data, and evidence as to whether a systemic problem exists to DLA J34 for review and coordination. DLA Disposition Services will recommend potential disciplinary actions which could include recalling the agency's loaned small arms or termination from the Program.

- 1) Provide the LESO website that will afford timely and accurate guidance, information, and links for all LEAs who work, or have an interest in, the LESO Program.
- 2) Upon receipt of a valid LEA request for property through the DLA Disposition Services RTD Website, give a preference to those requisitions indicating that the transferred property will be used in the counter-drug/counter-terrorism or border security activities of the recipient agency. Additionally, to the greatest extent possible, the State will ensure fair and equitable distribution of property based on current LEA inventory and LEA justifications for property.
- 3) The State and the LESO reserves the right to determine and/or adjust allocation limits. Generally, no more than one of any item per officer will be allocated. Quantity exceptions may be granted on a case-by-case basis by the LESO based on the justification provided by the LEA. Currently, the following allocation limits apply:
 - a) Small Arms: one (1) of each type for every qualified officer, full-time/part-time;
 - b) HMMWVs/Up-Armored HMMWVs: one (1) vehicle for every three (3) officers;
 - c) MRAPs/Armored Vehicles: two (2) vehicles per LEA;
 - d) Robots: one (1) of each type for every twenty-five (25) officers
 - e) General property: If an agency requests more than one of any item of general property per officer, their RTD justification must be clear and convincing as to why a larger quantity is needed.
- 4) Additional justification may be required for small arms and armored vehicles. The State and LESO reserves final authority on determining the approval and/or disapproval for requests of specific types and quantities of excess DoD property.
- 5) Access the DLA Disposition Services RTD Website at a minimum of once daily (Monday – Friday) to review/process LEAs' requests for excess DoD property.
- 6) Accountability and responsibility concerning excess DoD personal property and inventory requirements will be verified during the annual inventory certification process.
- 7) Training and education will be provided via telephone contact, e-mail conversations, webinars, and personal site visits either one on one or on a regional basis.

- 8) Procedures for turn-in's and transfers are discussed on LESO's web site at <http://www.dla.mil/DispositionServices/Offers/Reutilization/LawEnforcement/TurnInTransfers.aspx>. Scheduling turn-ins is accomplished online at <http://www.dispositionservices.dla.mil> on the Schedule Property Turn In tab or from any DLA DS Site contact page "Schedule a Turn In" hyper link.
- 9) California LEA's are not authorized to dispose of controlled property in any other way other than transferring to another eligible LEA or turning in to a DLA Disposition Services Site. Transfers and turn-ins of property will not be executed without the expressed approval of the State Coordinator and LESO.

B. The LEA shall:

- 2) Access the LESO website for timely and accurate guidance, information, and links concerning the LESO Program and ensure that all relevant information is reviewed.
- 3) When requesting property, provide a justification to the State and the LESO on how the requests for property will be used in counter-drug, counter-terrorism, or border security, officer support, or law enforcement mission support activities of the recipient agency. Additionally, the LEA should be fair and equitable when making requisitions based on current LEA inventory and the justification for property. Generally, no more than one of any item per officer will be allocated.
- 4) Maintain access to FEPMIS to ensure the LEA is properly maintaining their property books, to include, but not limited to, transfers, turn-ins, and disposal requests.
 - a) FEPMIS account holders must be employees of the LEA.
- 5) Ensure screeners of property are employees of the LEA. Contractors may not conduct screening on behalf of the LEA.
- 6) DLA typically allows 14 days for allocated property to be picked up or for shipping arrangements to be made. If an LEA cannot meet this timeframe, direct coordination with the Disposition Service Site must be made before the end of the 14 day period.
- 7) Once the property has been received, the LEA has 30 days to accept the receipt in FEPMIS.
- 8) Once the property is in an Active status in FEPMIS, the LEA must upload the signed DD Form 1348-1A as a document via the Modify module in FEPMIS.

The LESO may, from time to time, make unilateral modifications or amendments to the provisions of this MOA. Notice of these changes will be provided to State Coordinators in writing.
