Re: *Agreement with the Commonwealth Fusion Center*

Dear Colonel Booth:

The Massachusetts State Police has recently stood up the Commonwealth Fusion Center (CFC). The CFC's mission is to provide information sharing among local, state and federal public safety agencies and private sector organizations in order to facilitate the collection, analysis, and dissemination of intelligence relevant to terrorism and public safety. The Massachusetts State Police is seeking to enter into memoranda of understanding with New England, and other states, as part of the CFC's overall homeland security mission. Specifically, the CFC seeks to establish a mutually beneficial arrangement to communicate securely and to efficiently exchange appropriate homeland security related intelligence/information products between our states.

To this end, I am requesting that you join in this endeavor by entering into the attached Memorandum of Understanding between the CFC and your agency. Your participation would be a great asset.

I appreciate your consideration and hope you will execute the MOU soon. I will be contacting you to discuss this MOU further and answer any questions you may have. Please also feel free to contact me at 508-820-2350 or Major Robert Smith, the CFC Commander, at 508-820-2334. Thank you.

Sincerely,

Colonel Thomas G. Robbins
Superintendent
