**(U) Baltimore, Maryland** - *Thousands of Unapproved, Counterfeit COVID-19 Tests Seized* - 14,000 COVID-19 treatment capsules and dozens of COVID testing kits were seized by Homeland Security Investigations (HSI) Baltimore. Both the treatment capsules and testing kits were all imported from China and are all completely fake. The Baltimore-based team of HSI agents found the COVID-19 treatment capsules at the Port of Baltimore, hidden in boxes under packets of Chinese tea.
