Hi,

Would it be ok if we submitted materials to the National Council PG awards using your membership number? If so, please share you member # and we will submit materials today.

P.S. We were considering submitting under my membership but I wasn't really comfortable with that.

Hi Carolyn and Dana,

Just wanted to bring this chain to the top of your inboxes! Confirming that McCann does not have their own account. Carolyn, did you confirm with the NY Commission if we are able to submit under their name? I can look to pull together all of the creative today and tomorrow to share for each category.

Please let me know if there are any questions!

Best,
Christina

I just reviewed membership categories (you must be a member to submit an entry):

NY Council would be considered an affiliate so the submissions would have to be made in their name

Corporate covers businesses, non-profits and government agencies. I know the Commission is not a member. I have an individual membership. Is McCann a member?

I am all for asking NY Council if we can submit under their name, if needed. We did that for the gifting campaign a few years ago.

Thank you, Christina. I am looping Carolyn in on the conversation. I agree with your selected categories below, but let's wait to hear from Carolyn before proceeding. I'm not sure how they define "affiliate" and "corporate." The Gaming Commission might be considered corporate, although the work was done as part of the RPP. I agree that the multi-cultural would be a stretch.

Hi Dana,

I went through and identified the following awards I feel that we could submit our Bright Idea campaign to:

 - Can submit 1 (one) Poster electronically AND by mail:
 - NCPG Awards 730 11th St. NW, Suite 601 Washington, DC 20001
- Affiliate People's Choice Award

- Corporate Newsletter Award
 - Submit an electric version of the newsletter along with identification of the organization producing the newsletter and information about distribution and readership
- Affiliate Newsletter Award
 - Submit an electric version of the newsletter along with identification of the organization producing the newsletter and information about distribution and readership
- Corporate Public Awareness Award
 - Campaign must show increased public awareness of problem/pathological gambling
 - Documentation of the reach of the message is encouraged but not required
- Affiliate Public Awareness Award
 - Campaign must show increased public awareness of problem/pathological gambling
 - Documentation of the reach of the message is encouraged but not required
- Gift Responsibly Campaign Award
 - Can submit TV, Radio, Print, Web campaign materials

Additionally, there are two additional categories we are considering, but as we only translated the TV and Radio to Spanish, we aren't sure if it would be a strong enough case, but please let me know your thoughts:

- Corporate Multi-Cultural Communications Award
 - Most effective multi-cultural outreach program using integrated communication channels
- Affiliate Multi-Cultural Communications Award
 - Most effective multi-cultural outreach program using integrated communication channels

Please note, for the Corporate and Affiliate People's Choice Awards, they required that we submit 1 (one) poster by mail, could you please confirm if NYL or McCann would need to print the poster?

Please take a look at the above and please let me know if there are any questions on your end!

Best,
Christina
