Re: Information Request – Human Remains Received from Hidalgo & Cameron Counties

Ms. Caroline Tracey,

I have received your request related to Nueces County receiving human remains from Hidalgo and/or Cameron Counties since October 15, 2020, and any associated emails related to postmortem examinations and payments received for those examinations.

To my knowledge and after conferring with our investigations division, we do not have any responsive records related to your request. However, you may wish to contact the Nueces County Medical Examiner's Office who may have responsive information.

Regards,

Daniel T. Perez
