CITY OF FAIRFIELD SERVICES AGREEMENT

SC 10164

A9663 WTP

THIS AGREEMENT is made at Fairfield, California, as of the 11/3, 2006, by and between the City of Fairfield ("the CITY") and Wunderlich-Malec Engineering Systems Services ("SERVICE PROVIDER").

1. SCOPE OF SERVICE

SERVICE PROVIDER agrees to perform the following work: Provide and install office furniture in various locations throughout the City at the direction of facility managers. This is to include design services where necessary.

2. PAYMENTS.

- a. The total contract price for services rendered by SERVICE PROVIDER under this Agreement shall be as specified below: Not to exceed the currently adjusted maximum per unit cost for goods and services. This value is annually adjusted upward commiserate with the Consumer's Price Index (CPI). Please contact the Purchasing Officer at (707) 428-7596 for additional information.
- b. Payment shall be made to SERVICE PROVIDER on a time and materials basis, and SERVICE PROVIDER shall submit monthly invoices to the requesting City department/division for the same.
- c. Any additional meetings or work required beyond that set forth in Exhibit "A" shall be mutually agreed to by the CITY and SERVICE PROVIDER, and shall be billed on a time and materials basis to the requesting City department/division.

3. INSURANCE.

- a. WORKERS' COMPENSATION. During the term of this Agreement, SERVICE PROVIDER shall fully comply with the terms of the law of California concerning workers' compensation. Said compliance shall include, but not be limited to, maintaining in full force and effect one or more policies of insurance insuring against any liability SERVICE PROVIDER may have for workers' compensation. Said policy shall also include employer's liability coverage no less than \$1,000,000 per accident for bodily injury or disease.
- b. GENERAL LIABILITY INSURANCE. SERVICE PROVIDER shall obtain at its sole cost and keep in full force and effect during the term of this agreement commercial general liability insurance in the amount of \$ 1,000,000 per occurrence for bodily injury, personal injury, and property damage. Said insurance shall provide (1) that the CITY, its officers, agents, employees and volunteers shall be named as additional insureds under the policy, and (2) that the policy shall operate as primary insurance, and (3) that no other insurance effected by the CITY or other named insureds will be called upon to cover a loss covered thereunder.
- c. AUTOMOBILE LIABILITY INSURANCE. SERVICE PROVIDER shall obtain at its sole cost and keep in full force and effect during the term of this agreement automobile liability insurance in the amount of \$ 1,000,000 per occurrence for bodily injury and property damage. Said insurance shall provide (1) that the CITY, its officers, agents, employees and volunteers shall be named as additional insureds under the policy, and (2) that the policy shall operate as primary insurance, and (3) that no other insurance effected by the CITY or other named insureds will be called upon to cover a loss covered thereunder.
- d. CERTIFICATES OF INSURANCE. SERVICE PROVIDER shall file with CITY'S Director of Public Works, c/o Scott Leland, 2900 Vista Grande, Fairfield, CA 94534 upon the execution of this agreement, certificates of insurance which shall provide that no cancellation, major change in coverage, expiration, or nonrenewal will be made during the term of this agreement, without thirty (30) days written notice to the Director of Public Works, c/o Scott Leland, 2900 Vista Grande, Fairfield, CA 94534 prior to the effective date of such cancellation, or change in coverage.
- e. SERVICE PROVIDER shall file with the Director of Public Works, c/o Scott Leland, 2900 Vista Grande, Fairfield, CA 94534 concurrent with the execution of this agreement, the City's standard endorsement form (attached hereto) providing for each of the above requirements.

INDEMNIFY AND HOLD HARMLESS. SERVICE PROVIDER shall indemnify, defend, and hold harmless the CITY, its officers, agents, employees and volunteers from all claims, suits, or actions of every name, kind and description, brought forth on account of injuries to or death of any person or damage to property arising from or connected with the willful misconduct, negligent acts, errors or omissions, ultra-hazardous activities, activities giving rise to strict liability, or defects in design by the SERVICE PROVIDER or any person directly or indirectly employed by or acting as agent for SERVICE PROVIDER in the performance of this Agreement, including the concurrent or successive passive negligence of the CITY, its officers, agents, employees or volunteers

It is understood that the duty of SERVICE PROVIDER to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code.

Acceptance of insurance certificates and endorsements required under this Agreement does not relieve SERVICE PROVIDER from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

5. LABOR AND WAGE CODE GUIDELINES

- a. Attention is directed to Section 1777.5 of the Labor Code as it applies to apprenticeship standards
- b. SERVICE PROVIDER, as defined for this agreement, shall pay prevailing wages to the extent required by California Labor Code Section 1771. The general prevailing wage rates for each craft, classification, or type of workman shall be as determined by the Director of Industrial Relations (available online at [http://www.dir.ca.gov/DLSR/statistics\\_research.html](http://www.dir.ca.gov/DLSR/statistics_research.html) select the appropriate wage decision and then collect the wage decision for Statewide, Northern California and Solano County). A copy of these wage rate determinations are kept on file and are available for review at the Office of the City Engineer located at 1000 Webster Street.
- c. In accordance with the provision of Section 1860 of the California Labor Code, attention is directed to the requirement that in accordance with the provisions of Section 3700 of the California Labor Code, every contractor will be required to secure the payment of compensation of his or her employees.

6. BUSINESS LICENSE. The CONSULTANT shall obtain a business license for work within the City of Fairfield pursuant to Chapter 10B of the Fairfield City Code, with respect to the gross receipts received pursuant to this Agreement. No payments shall be made to any CONSULTANT until such business license has been obtained, and all fees paid therefore, by the CONSULTANT. Business license applications and information may be obtained from the Finance Department, Fairfield City Hall, 1000 Webster Street, Fairfield, CA 94533-4883, (707/428-7509).

7. CANCELLATION. This agreement may be canceled at any time by CITY for its convenience upon written notice to SERVICE PROVIDER: provided, however, that the SERVICE PROVIDER shall be entitled to receive full payment for all services performed and all costs incurred to the date of its receipt of written notice to cease work.

8. COMPLETE AGREEMENT/AMENDMENT. This Agreement constitutes the complete agreement between the parties as to the subject matter hereof and may not be amended or changed except by a written agreement signed by both parties.

**PUBLIC WORKS DEPARTMENT INTEROFFICE MEMORANDUM**

---

---

July 3, 2006

To: Gene Cortright, Director of Public Works

From: Denise Drumm, Water Treatment Supervisor *dd*  
Rick Wood, Assistant Director of Public Works/Water *RW*

Subject: Establish "Service Contract" Purchase Order Account for Wunderlich-Malec Engineering Systems Services with certificates of liability and endorsements on file.

Action: Please review and initial each attached one-page contract, then forward to Wade Brown for signing.

The City's Purchasing Officer has created a new series of open P.O. "Service Contract" accounts such that a streamlined binding contract, certificates of liability and endorsements are on file for each vendor. The limit for purchasing goods and services could be set at the maximum "not to exceed current unit cost," which is at this time \$20,279.00. These purchases of goods and services could be approved without City Council action, just as open P.O.s could before.

As part of the plant modernization project, the Waterman Water Treatment Plant needs to provide the operations staff with a console that meets their needs ergonomically while providing an opportunity for security and technology updates. Three bids were obtained from the following companies: Corporate Interior Services, Rep Works, and Wunderlich-Malec Engineering Systems Services. The Waterman Treatment staff chose Wunderlich-Malec Engineering Systems Services based on their experience and expertise with the unique equipment and services required for an operations console.

Stuart Hamilton:

Wunderlich-Malec is pleased to offer the following proposal for the City of Fairfield CA, Operations Console discussed in April. We are proposing a custom built operations console based on the attached sketches and scope of work description. We hope you find this proposal complete and commensurate with all your requirements. Please call me if you have any questions.

Sincerely

## **Introduction**

City of Fairfield's Waterman Water Treatment Plant is undergoing a plant modernization and expansion project. Separate from the construction effort, the Operations Team has developed a requirement for a new operator's console. The current operations center is to be retrofitted with a modern console/desk that will allow 2-3 operators access to information and PCs.

Space available is limited, and the team has requested Wunderlich-Malec develop a concept for the console based on prior experience. Wunderlich-Malec brings unique engineering talent and expertise to this area, in that we provide SCADA and process automation engineering services to several Water and Wastewater facilities throughout the United States, and can offer assistance well beyond the console requirements. In developing our concept, we are hoping to create an Operations Center that is flexible and can adapt to the plants modernization and growth.

In addition to assisting with the console design, manufacturing and installation, Wunderlich-Malec's Pleasanton location a premier solution provided for GE Fanuc software and hardware technology. The current SCADA system deployed in the WTP is GE Fanuc Proficy iFIX. Wunderlich-Malec also offers ongoing engineering support and training services for Proficy iFIX and related products, making access to engineering, integration services, and training easy.

Minimal documentation is required on this project. Wunderlich-Malec will provide standard manufacturing drawings and samples for approval as needed. For additional information on Wunderlich-Malec, please refer to our website at [www.wmeng.com](http://www.wmeng.com).

## **Scope of Work**

Wunderlich-Malec proposes the following console for your operations center. The console will be custom manufactured as a "U" shape design, approximately 17' 6" in length, 32" deep. The left and right ends will include a desktop return, with the left end return being approximately 9' 4" from the outer most corner, and the right end return being approximately 7' 6". Both returns are also 32" deep.

The construction materials will be commercial grade laminate surfaces, with final selection of based on customer choice of P/lam countertop with ¾" wood or vinyl bullnose. Beneath the main console desk, the sub-cabinet area will house 6-8 CPUs in a swing out door configuration. Internal to the cabinet area, a PVC wire duct will be included for marshalling computer cables. In addition, a horizontal electrical strip will be included for convenient access of PC towers. The cabinet doors are designed that when opened, the PC tower front panel will roughly align with the front desk edge. This allows for ease of access for CD and floppy disk drives. The design surface will be prepared with necessary grommets cut outs for CPU monitor cable passage.

A 12" upper shelf with minimal leg support will be provided for the needed battery charging center. The shelf will be mounted at approximately 54" in height, based on customer field approval. Customer consideration should be given to electrical outlet locations to make best use of this shelf.

In addition to the PC tower storage areas, 2 double and 1 single pair of file drawers will be provided as shown. These will be equipment for standard 8 ½" x 11" hanging file folders. Filing materials are not included.

Delivery and installation to the San Francisco Bay area is included in pricing. Applicable sales tax is not included. Current delivery time is 5-6 weeks ARO unless other arrangements are made

*This price is good for corrected  
/ concept as well.*

### **Price Proposal**

W-M proposes the above materials and services on a Lump Sum contract basis for **\$ 18,400.00**. Sales taxes, usage or other applicable local taxes are not included and are in addition to the price proposed.

Progress billing will be required.

- 25% on receipt of order
- 25% on delivery of materials to site
- 50% on completion of installation.

The above services do not include charges for CAD reproducible services, if required. No CAD services were requested or are anticipated.

Changes in scope of work may require revisions to these prices as additional variations in design are indeterminate.

The City of Fairfield is responsible for schedule coordination with other trades and service work, any architectural, electrical, and/or mechanical modifications to the room. The existing structure is assumed to be of sound construction and able to support the load of the proposed console.

The City of Fairfield is responsible for all final finish and repairs to the room after installation of the console. This includes carpet, tile, wall texture, paint, doors, and trim. Minor incidental damage to finish surfaces can occur during installation, but is unlikely. The installation crew will use the utmost care in performing installation.

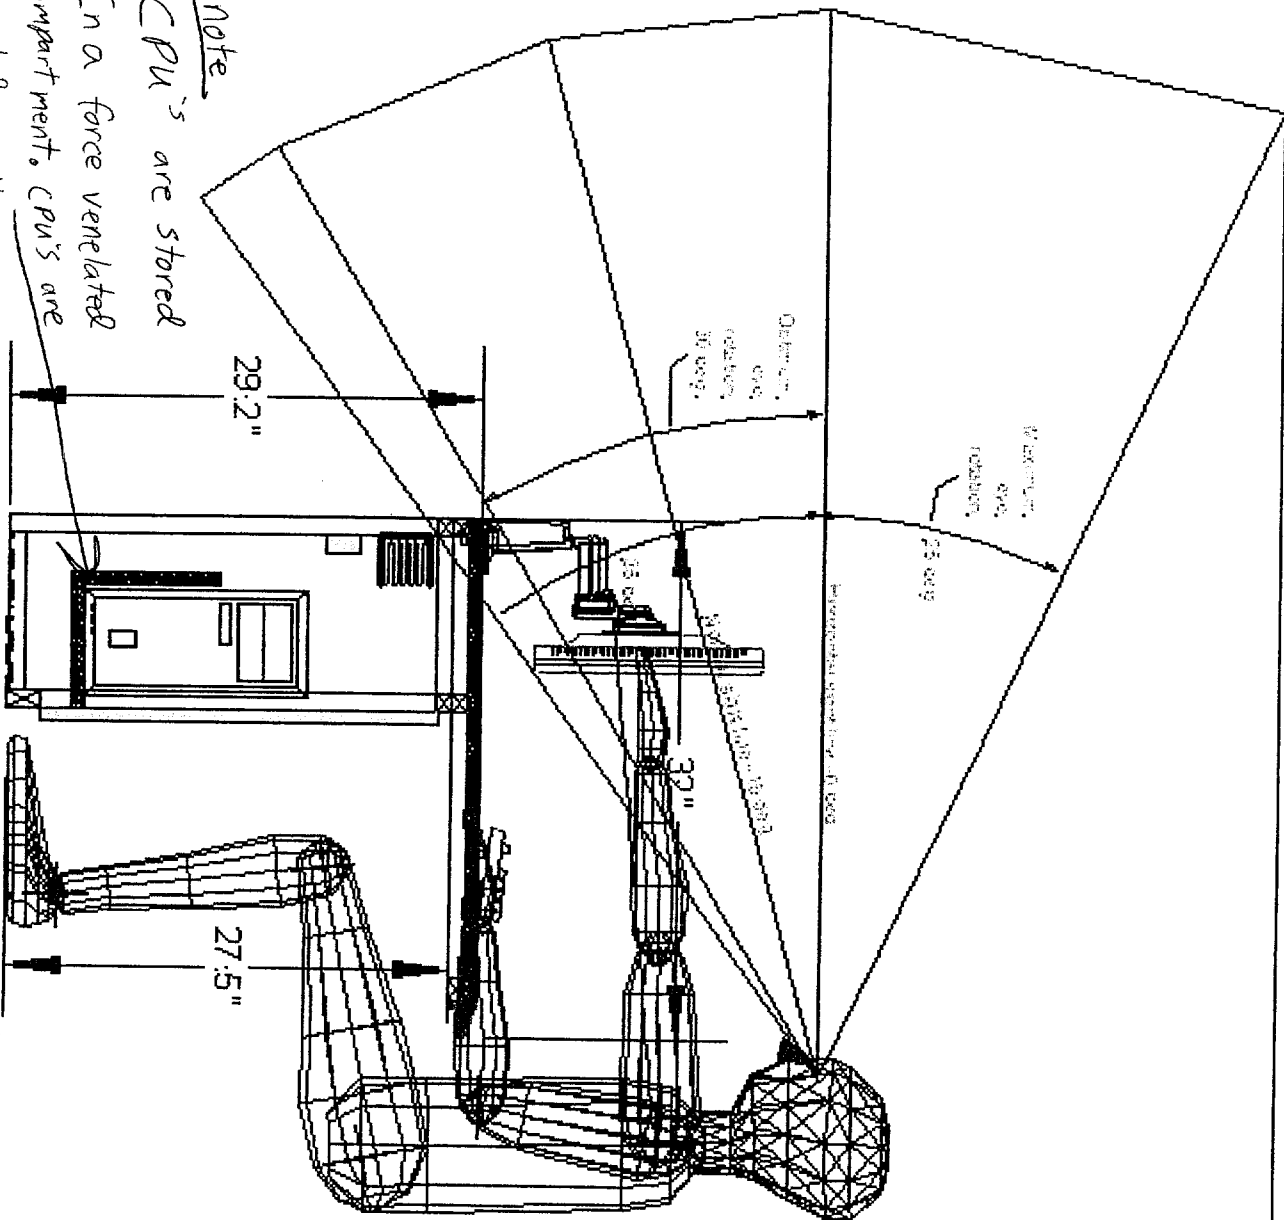

### **Summary**

Wunderlich-Malec is prepared to start immediately on the above scope of work. Thank you for the opportunity to be of assistance.

**Please contact Bill Storey at Wunderlich-Malec with any questions. PH: 925 460-9921 x102**

A modified concept that matches what we asked for an new room layout (without corner) and change section will be drawn and re-submitted. Bill says this will not change the current bid on previous page.

Note

CPU's are stored

In a force ventilated

compartment. CPU's are

mounted on the access

doors so they swing out
