Dear Mr. Estes,

The necessary documents for the on-call professional services agreement have been received by the City of Monterey. Enclosed is a fully executed copy of the Agreement for your files.

Task orders may be issued by the City for specific projects under the parameters of this Agreement. As projects are identified, you will be notified by me or my designee and asked to develop project-specific tasks, fee, and schedule. Once the proposal has been approved, the City will issue a notice to proceed.

We look forward to working with you on future projects. Please contact me at (831) 646-3921 if you have any questions.

Sincerely,
