

**JOINT TERRORISM TASK FORCE**

STANDARD MEMORANDUM OF UNDERSTANDING

BETWEEN

THE FEDERAL BUREAU OF INVESTIGATION

AND

ARIZONA ATTORNEY GENERAL'S OFFICE  
(the "Participating Agency")

**PREAMBLE**

The policy of the United States with regard to domestic and international terrorism is to deter, defeat, and respond vigorously to all terrorist attacks on our territory and against our citizens, or facilities. Within the United States, the Department of Justice, acting through the Federal Bureau of Investigation (FBI), is the lead domestic agency for the counterterrorism effort.

In order to ensure that there is a robust capability to deter, defeat, and respond vigorously to terrorism in the U.S. or against any U.S. interest, the FBI recognizes the need for all federal, state, local, and tribal agencies that are involved in fighting terrorism to coordinate and share information and resources. To that end, the FBI believes that the creation of the FBI National Joint Terrorism Task Force (NJTTF) and Joint Terrorism Task Forces (JTTFs) embodies the objectives of the U.S. policy on counterterrorism as set forth in Presidential Directives.

FBI policy for the NJTTF and JTTFs is to provide a vehicle to facilitate sharing FBI information with the intelligence and law enforcement communities to protect the United States against threats to our national security, including international terrorism, and thereby improve the effectiveness of law enforcement, consistent with the protection of classified or otherwise sensitive intelligence and law enforcement information, including sources and methods. All NJTTF and JTTF operational and investigative activity, including the collection, retention and dissemination of personal information, will be conducted in a manner that protects and preserves the constitutional rights and civil liberties of all persons in the United States.

This Memorandum of Understanding (MOU) shall serve to establish the parameters for the detail of employees (Detailees or members) from the Participating Agency to the FBI-led JTTFs in selected locations around the United States.

## FOR OFFICIAL USE ONLY

### I. PURPOSE

- A. The purpose of this MOU is to outline the mission of the JTTF, and to formalize the relationship between the FBI and the Participating Agencies in order to maximize cooperation and to create a cohesive unit capable of addressing the most complex terrorism investigations.
- B. The MOU specifically represents the agreement between the FBI and the Participating Agency, which will govern the process by which employees of the Participating Agency are detailed to work with the FBI as part of the JTTF.
- C. This MOU is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law or otherwise by any third party against the parties, their parent agencies, the U.S., or the officers, employees, agents or other associated personnel thereof.

### II. MISSION

The mission of the JTTF is to leverage the collective resources of the member agencies for the prevention, preemption, deterrence and investigation of terrorist acts that affect United States interests, and to disrupt and prevent terrorist acts and apprehend individuals who may commit or plan to commit such acts. To further this mission, the JTTF shall serve as a means to facilitate information sharing among JTTF members.

### III. AUTHORITY

Pursuant to 28 U.S.C. ' 533, 28 C.F.R. ' 0.85, Executive Order 12333, as amended, National Security Presidential Directive (NSPD) 46/ Homeland Security Presidential Directive (HSPD) 15 and Annex II thereto, the FBI is authorized to coordinate an intelligence, investigative, and operational response to terrorism. By virtue of that same authority, the FBI formed JTTFs composed of other federal, state, local, and tribal law enforcement agencies acting in support of the above listed statutory and regulatory provisions.

**FOR OFFICIAL USE ONLY**

**IV. CONTROLLING DOCUMENTS**

- A. Since the JTTF operates under the authority of the Attorney General of the United States, all JTTF participants must adhere to applicable Attorney General Guidelines and directives, to include the following, as amended or supplemented:
1. Attorney General Guidelines for Domestic FBI Operations;
  2. Attorney General Guidelines on Federal Bureau of Investigation Undercover Operations;
  3. Attorney General Guidelines Regarding Prompt Handling of Reports of Possible Criminal Activity Involving Foreign Intelligence Sources;
  4. Attorney General Memorandum dated March 6, 2002, titled "Intelligence Sharing Procedures for Foreign Intelligence and Foreign Counterintelligence Investigations Conducted by the FBI";
  5. Attorney General Guidelines Regarding the Use of Confidential Informants;
  6. Attorney General Guidelines on the Development and Operation of FBI Criminal Informants and Cooperative Witnesses in Extraterritorial Jurisdictions;
  7. Attorney General Guidelines Regarding Disclosure to the Director of Central Intelligence and Homeland Security Officials of Foreign Intelligence Acquired in the Course of a Criminal Investigation; and
  8. Memorandum from the Deputy Attorney General and the FBI Director re: Field Guidance on Intelligence Sharing Procedures for [Foreign Intelligence] and [Foreign Counterintelligence] Investigations (December 24, 2002).
- B. All guidance on investigative matters handled by the JTTF will be issued by the Attorney General and the FBI. The FBI will provide copies of the above-listed guidelines and any other applicable policies for reference and review to all JTTF members. Notwithstanding the above, this MOU does not alter or abrogate existing directives or policies regarding the conduct of investigations or the use of special investigative techniques or controlled informants. The FBI agrees to conduct periodic briefings of the member agencies of the JTTF pursuant to all legal requirements and FBI policies.

**FOR OFFICIAL USE ONLY**

V. STRUCTURE AND MANAGEMENT OF THE TASK FORCE

A. MEMBERS

1. Each JTTF shall consist of a combined body of sworn and non-sworn personnel from the FBI and each Participating Agency. This MOU shall apply to Participating Agencies that join the JTTF subsequent to execution of this agreement.

B. PROGRAM MANAGEMENT, DIRECTION, AND SUPERVISION

1. In order to comply with Presidential Directives, the policy and program management of the JTTFs is the responsibility of FBI Headquarters (FBIHQ). The overall commander of each individual JTTF will be the Special Agent in Charge (SAC) or Assistant Director in Charge (ADIC), if assigned, of the FBI local Field Division. The operational chain of command beginning at the highest level, in each FBI Field Division will be as follows: ADIC if assigned, SAC, Assistant Special Agent in Charge (ASAC), and Supervisory Special Agent [JTTF Supervisor].
2. Each FBI ADIC/SAC, through his or her chain-of-command, is responsible for administrative and operational matters directly associated with the Division JTTF(s). Operational activities will be supervised by FBI JTTF Supervisors. Staffing issues are the responsibility of the FBI chain of command.
3. All investigations opened and conducted by the JTTF must be conducted in conformance with FBI policy, to include the above-stated Controlling Documents. Each FBI ADIC/SAC, through his or her chain-of-command, will ensure that all investigations are properly documented on FBI forms in accordance with FBI rules and regulations. Any operational problems will be resolved at the field office level. Any problems not resolved at the field office level will be submitted to each agency's headquarters for resolution.
4. Each Participating Agency representative will report to his or her respective agency for personnel administrative matters. Each Participating Agency shall be responsible for the pay, overtime, leave, performance appraisals, and other personnel matters relating to its employees detailed to JTTFs. As discussed later herein at Paragraph XI, the FBI and the

## FOR OFFICIAL USE ONLY

Participating Agency may provide for overtime reimbursement by the FBI by separate written agreement.

5. Each JTTF member will be subject to the personnel rules, regulations, laws, and policies applicable to employees of his or her respective agency and also will adhere to the FBI's ethical standards and will be subject to the Supplemental Standards of Ethical Conduct for employees of the Department of Justice. Where there is a conflict between the standards or requirements of the Participating Agency and the FBI, the standard or requirement that provides the greatest organizational protection or benefit will apply, unless the organizations jointly resolve the conflict otherwise.
6. JTTF members are subject to removal from the JTTF by the FBI for violation of any provision of this MOU, the FBI's ethical standards, the Supplemental Standards of Ethical Conduct for employees of the Department of Justice, or other applicable agreements, rules, and regulations.
7. The FBI maintains oversight and review responsibility of the JTTFs. In the event of an FBI inquiry into JTTF activities by an investigative or administrative body, including but not limited to, the FBI's Office of Professional Responsibility or the FBI's Inspection Division, each Participating Agency representative to the JTTF may be subject to interview by the FBI.

### C. PHYSICAL LOCATION AND SUPPORT:

1. The FBI will provide office space for all JTTF members and support staff. In addition, the FBI will provide all necessary secretarial, clerical, automation, and technical support for the JTTF in accordance with FBI guidelines and procedures. The FBI will provide all furniture and office equipment. Participating agencies may bring office equipment or furniture into FBI space with the approval of the FBI JTTF Supervisor and in compliance with FBI regulations.
2. The introduction of office equipment and furniture into FBI space by Participating Agencies is discouraged, as any such material is subject to examination for technical compromise, which may result in its being damaged or destroyed.

VI. SECURITY PROGRAM

A. CLEARANCES

1. State, local, and tribal members of the JTTFs, as well as appropriate supervisory personnel responsible for these individuals, must apply for and receive a Top Secret/Sensitive Compartmented Information (TS/SCI) Security Clearance granted by the FBI. JTTF members from other federal agencies must obtain a Top Secret/SCI clearance from their agency and have this information passed to the FBI. No one (including FBI employees) will have access to sensitive or classified documents or materials or FBI space without a valid security clearance and the necessary "need-to-know." Pursuant to the provisions of Section 1.2 of Executive Order 12968, Detailees are required to have signed a nondisclosure agreement approved by the FBI's Security Division. Pursuant to federal law, all JTTF members, including FBI employees, are strictly forbidden from disclosing any classified information to individuals who do not possess the appropriate security clearance and the need to know.
2. All JTTF management personnel must ensure that each participating JTTF officer or agent undertakes all necessary steps to obtain a TS/SCI clearance. Conversion of FBI counterterrorism and JTTF spaces to Sensitive Compartmented Information Facilities (SCIFs) is underway. This will require that all JTTF task force officers enhance their clearances to TS/SCI (SI, TK, Gamma, HCS-P).
3. Federal agency task force officers should contact their Security Officers and request and obtain the following SCI Clearances: SI, TK, Gamma, and HCS-P. If the parent agency refuses or is unable to provide the appropriate clearances, the FBI will request the task force officer's security file. If provided, the FBI will adjudicate SCI clearances. This action may involve a prohibitively long process and should be avoided.
4. All members of the JTTF, TFOs and FBI personnel alike, have a duty to handle information related to official JTTF business appropriately. Specifically, the sharing of information with non-JTTF members must comply with any and all dissemination restrictions, such as classified information, grand jury information, foreign government information, and originator controlled (ORCON) information. An FBI SSA or higher must review and approve the sharing of all official JTTF business information

## FOR OFFICIAL USE ONLY

to ensure compliance with any such dissemination restrictions and to identify any other sensitivities that require restrictions on sharing.

TFOs are encouraged to leverage their position on the JTTF to stay abreast of threat information in their area of jurisdiction. TFOs may share threat information, including oral statements and briefings, with their home agency as long as the official with whom the TFO shares the information possesses the appropriate security clearance and the dissemination of the information is cleared by an FBI SSA. The FBI SSA is responsible to ensure that there are no dissemination restrictions or other sensitivities that require additional steps be taken before the information is disseminated.

5. In accordance with the Director of Central Intelligence Directive (DCID) 6/4, entitled Personnel Security Standards and Procedures Governing Eligibility for Access to Sensitive Compartmented Information (SCI), the FBI will implement protocols to ensure Special Agent (SA) and Task Force Officers (TFO) assigned to Joint Terrorism Task Forces (JTTF) in the field and the National Joint Terrorism Task Force (NJTTF) at FBI Headquarters - Liberty Crossing 1, are in compliance with stated directive. In order to comply with DCID 6/4, all JTTF personnel, including FBI and non-FBI JTTF members and contractors who perform functions requiring access to FBI classified data networks and space, will be given counterintelligence-focused polygraphs. The FBI will recognize polygraph examinations conducted by outside federal agencies that meet the FBI's PSPP requirement. The FBI will make the final determination whether a polygraph examination meets the PSPP requirements.
6. All JTTF members must agree to submit to counterintelligence-focused polygraphs as part of the process for obtaining and retaining a Top Secret Security Clearance.

### B. RESTRICTIONS ON ELECTRONIC EQUIPMENT

Personally owned Portable Electronic Devices (PEDs) including, but not limited to, personal digital assistants, Blackberry devices, cellular telephones, and two-way pagers are prohibited in FBI space unless properly approved. No personally-owned electronic devices are permitted to operate within SCIFs as outlined in DCI Directive 6/9 and existing Bureau policy. All other non-FBI owned information technology and systems (such as computers, printers, fax machines, copiers, PEDs, cameras, and media including diskettes, CDs, tapes) require FBI approval prior to introduction, operation, connection, or removal from FBI spaces to include SCIFs. Additionally, if approved by the FBI Security

## FOR OFFICIAL USE ONLY

Officer, these systems must operate in compliance with the FBI's policies, guidelines, and procedures.

### VII. DEPUTATION

Non-federal members of the JTTF who are subject to a background inquiry and are sworn law enforcement officers will be federally deputized while detailed to the JTTF. The FBI will secure the required authorization for their deputation. Deputation of these individuals will ensure that they are able to assist fully in investigations in compliance with applicable federal statutes. On occasion, investigations may be conducted outside of the JTTF's assigned territory. Deputation will allow non-federal members of the JTTF to exercise federal law enforcement authority throughout the United States.

Under the terms of this MOU, all Participating Agencies agree that non-sworn personnel detailed to the JTTF will not: (1) participate in law enforcement activities, (2) carry a weapon; or (3) participate in the execution of search/arrest warrants.

### VIII. STAFFING COMMITMENT

- A. In view of the need for security clearances and continuity of investigators, all personnel detailed to the JTTF should be expected to be detailed for a period of at least two (2) years. This MOU imposes no maximum limit as to the time that any individual may remain a member of the JTTF. All non-FBI members of the JTTF must adhere to the same rules and regulations as FBI employees with regard to conduct and activities while in FBI space, while operating FBI vehicles, and while conducting JTTF business. All Task Force members detailed from other federal agencies are responsible for maintaining an appropriate case load, as directed by JTTF management.
- B. All investigators detailed to the JTTF will be designated either full-time or part-time. The operational needs of the JTTF require that any assignments to special details or duties outside of the JTTF to full-time JTTF members be coordinated with the FBI JTTF Supervisor. Though each JTTF member will report to his or her respective Participating Agency for personnel matters, he or she will coordinate leave with the JTTF's FBI JTTF Supervisor.
- C. During periods of heightened threats and emergencies, the JTTFs may be expected to operate 24 hours per day, seven days per week, for extended periods of time. To function properly, the JTTF depends upon the unique contributions of each Participating Agency. Accordingly, during these periods, each Participating Agency member will be expected to be available to support JTTF activities.

**FOR OFFICIAL USE ONLY**

**IX. RECORDS, REPORTS AND INFORMATION SHARING**

- A. All JTTF materials and investigative records, including any Memorandum of Understanding, originate with, belong to, and will be maintained by the FBI. All investigative reports will be prepared by JTTF personnel solely on FBI forms. All information generated by the FBI or the JTTF will be controlled solely by the FBI and may not be removed from FBI space without the approval of the JTTF Supervisor. Dissemination, access or other use of JTTF records will be in accordance with Federal law, Executive Orders, and Department of Justice and FBI regulations and policy, including the dissemination and information sharing provisions of the FBI Intelligence Policy Manual. As FBI records, they may be disclosed only with FBI permission and only in conformance with the provisions of federal laws and regulations, including the Freedom of Information Act, 5 U.S.C. Section 552, and the Privacy Act of 1974, 5 U.S.C. Section 552a, as well as applicable civil and criminal discovery privileges. This policy includes any disclosure of FBI information, including JTTF materials and investigative records, to employees and officials of a Participating Agency who are not members of a JTTF, which must be approved by the JTTF supervisor. All electronic records and information, including, but not limited to, systems, databases and media, are also regulated by FBI policy. JTTF members may request approval to disseminate FBI information from the JTTF Supervisor.
- B. Each Participating Agency agrees to have its Detailees to the JTTF execute an FD-868, or a similar form approved by the FBI. This action obligates the Detailee, who is accepting a position of special trust in being granted access to classified and otherwise sensitive information as part of the JTTF, to be bound by prepublication review to protect against the unauthorized disclosure of such information.
- C. The participation of other federal, state, local, and tribal partners on the JTTF is critical to the long-term success of the endeavor. Articulating the level of effort for these partnerships is a key measure of the JTTF's performance. Accordingly, all task force members will be required to record their workload in the Time Utilization Recordkeeping (TURK) system used by the FBI.

**X. COORDINATION**

- A. The Participating Agency agrees to not knowingly act unilaterally on any matter affecting the JTTF without first coordinating with the FBI. The parties agree that matters designated to be handled by the JTTF shall not knowingly be subject to non-JTTF or non-FBI intelligence, law enforcement, or operational efforts by the

## FOR OFFICIAL USE ONLY

Participating Agency. Intelligence, law enforcement, and operational actions will be coordinated and cooperatively carried out within the JTTFs.

- B. JTTF criminal investigative procedures will conform to the requirements for federal prosecution. It is expected that the appropriate United States Attorney, in consultation with the FBI and affected JTTF partners, will determine on a case-by-case basis whether the prosecution of cases will be at the federal or state level, based upon which would better advance the interests of justice.

### XI. FUNDING

This MOU is not an obligation or commitment of funds, nor a basis for transfer of funds. Even where one party has agreed (or later does agree) to assume a particular financial responsibility, written agreement must be obtained before incurring an expense expected to be assumed by another party. All obligations of and expenditures by the parties are subject to their respective budgetary and fiscal processes and availability of funds pursuant to all laws, regulations, and policies applicable thereto. The parties acknowledge that there is no intimation, promise, or guarantee that funds will be available in future years. The FBI and the Participating Agency may enter into a separate agreement to reimburse the Participating Agency for approved overtime expenses.

### XII. TRAVEL

All JTTF-related travel of non-FBI personnel requires the approval of the appropriate JTTF Supervisor and Participating Agency authorization prior to travel. In order to avoid delay in operational travel, the Participating Agency will provide general travel authority to all of its participating employees for the duration of the employee's membership in the JTTFs. For domestic travel, each agency member will be responsible for appropriate notifications within his or her own agency, as well as standard FBI travel approvals and notification. The FBI will obtain FBIHQ authorization and country clearances for all JTTF members who are required to travel outside the United States. As noted above, the appropriate security clearance must be obtained prior to any international travel. The FBI will pay costs for travel of all members of the JTTFs to conduct investigations outside of the JTTF's assigned territory.

### XIII. VEHICLES AND EQUIPMENT

- A. In furtherance of this MOU, employees of the Participating Agency may be permitted to drive FBI owned or leased vehicles for surveillance, case management and investigation in connection with any JTTF investigation. FBI vehicles must

## FOR OFFICIAL USE ONLY

only be used for official JTTF business and only in accordance with applicable FBI rules and regulations.

- B. *[non-Federal entities only]* Any civil liability arising from the use of an FBI-owned or leased vehicle by a Participating Agency task force member while engaged in any conduct other than his or her official duties and assignments under this MOU shall not be the responsibility of the FBI or the United States. To the extent permitted by applicable law, the Participating Agency will hold harmless the FBI and the United States for any claim for property damage or personal injury arising from any use of an FBI owned or leased vehicle by a Participating Agency JTTF member which is outside of the scope of his or her official duties and assignments under this MOU.
- C. For official inventory purposes, all JTTF equipment including badges, credentials and other forms of JTTF identification subject to FBI property inventory requirements will be produced by each JTTF member upon request. At the completion of the member's assignment on the JTTF, or upon withdrawal or termination of the Participating Agency from the JTTF, all equipment will be returned to the supplying agency.

### XIV. FORFEITURE

The FBI shall be responsible for the processing of assets seized for federal forfeiture in conjunction with JTTF operations, as provided by these rules and regulations. Asset forfeitures will be conducted in accordance with federal law and the rules and regulations set forth by the U.S. Department of Justice and the FBI. Forfeitures attributable to JTTF investigations may be distributed among the Participating Agencies in JTTF-related operations at the discretion of the FBI.

### XV. HUMAN SOURCES

- A. All human sources developed through the JTTF will be handled in accordance with the Attorney General's and the FBI's guidelines, policies and procedures.
- B. All human sources developed during the course of any JTTF investigation shall be operated with all appropriate FBI suitability paperwork completed prior to use. All source debriefings or written products of information obtained from any human source will use FBI document format and handling procedures.

This document is the property of the FBI and is loaned to your agency.  
Neither it nor its contents may be released without authorization by FBI Headquarters.

## FOR OFFICIAL USE ONLY

- C. The FBI, as permitted by federal law, agrees to pay reasonable and necessary human source expenses incurred by the JTTF. All expenses must be approved by the FBI before they are incurred. No payments may be made to JTTF human sources without prior FBI approval.

### XVI. MEDICAL

A. All Participating Agencies will ensure that detailed JTTF members are medically qualified according to their agencies' standards to perform law enforcement duties, functions and responsibilities.

B. To ensure protection for purposes of the Federal Employees' Compensation Act (FECA), JTTF members should be detailed to the FBI consistent with the provisions of the Intergovernmental Personnel Act (IPA), 5 U.S.C. ' 3374(d). This Act stipulates that "[a] State or local government employee who is given an appointment in a Federal agency for the period of the assignment or who is on detail to a Federal agency and who suffers disability or dies as a result of personal injury sustained while in the performance of his duty during the assignment shall be treated . . . as though he were an employee as defined by section 8101 of this title who has sustained the injury in the performance of duty." Other provisions of federal law may extend FECA benefits in more limited circumstances. The Department of Labor's Office of Workers' Compensation Programs is charged with making FECA coverage determinations and is available to provide guidance concerning specific circumstances.

### XVII. TRAINING

All JTTF members are required to attend FBI legal training in compliance with FBI regulations and any other training deemed necessary by the FBI chain of command. The FBI is responsible for the costs of such training. The Participating Agency will bear the costs of any training required of its own employees detailed to the JTTF.

### XVIII. DEADLY FORCE AND SHOOTING INCIDENT POLICIES

Members of the JTTF will follow their own agency's policy concerning use of deadly force.

**FOR OFFICIAL USE ONLY**

**XIX. DEPARTMENT OF DEFENSE COMPONENTS**

The Posse Comitatus Act, 18 U.S.C. ' 1385, prohibits the Army and Air Force (Department of Defense regulations now restrict the activities of all branches or components of the Armed Services under this Act) from being used as a posse comitatus or otherwise to execute the laws entrusted to civilian law enforcement authorities. The restrictions of the Act do not apply to civilian employees of the Department of Defense who are not acting under the direct command and control of a military officer. Other statutory provisions specifically authorize certain indirect and direct assistance and participation by the military in specified law enforcement functions and activities. All Department of Defense components (except strictly civilian components not acting under direct command and control of a military officer) who enter into this agreement, shall comply with all Department of Defense regulations and statutory authorities (describing restrictions, authorizations and conditions in support of law enforcement) including but not limited to Department of Defense Directives 5525.5, and 3025.15, Chapter 18 of Title 10 of the United States Code dealing with military support for civilian law enforcement agencies and any other or subsequent rules, regulations, and laws that may address this topic or that may amend, or modify any of the above provisions. This MOU shall not be construed to authorize any additional or greater authority (than already described) for Department of Defense components to act in the support of law enforcement activities.

**XX. MEDIA**

All media releases will be mutually agreed upon and jointly handled by the member Participating Agencies of the appropriate JTTF. Press releases will conform to DOJ Guidelines regarding press releases. No press release will be issued without prior FBI approval.

**XXI. LIABILITY**

The Participating Agency acknowledges that financial and civil liability, if any and in accordance with applicable law, for the acts and omissions of each employee detailed to the JTTF remains vested with his or her employing agency. However, the Department of Justice (DOJ) may, in its discretion, determine on a case-by-case basis that an individual should be afforded legal representation, legal defense, or indemnification of a civil judgment, pursuant to federal law and DOJ policy and regulations.

**FOR OFFICIAL USE ONLY**

A. COMMON LAW TORT CLAIMS

1. Congress has provided that the exclusive remedy for the negligent or wrongful act or omission of an employee of the U.S. Government, acting within the scope of his or her employment, shall be an action against the United States under the FTCA, 28 U.S.C. ' 1346(b), and 2671 - 2680.
2. Notwithstanding the provisions contained in Article XIII of this MOU, for the limited purpose of defending civil claims arising out of JTTF activity, a state, local, or tribal law enforcement officer who has been federally deputized and who is acting within the course and scope of his or her official duties and assignments pursuant to this MOU may be considered an employee of the U.S. government, as defined at 28 U.S.C. ' 2671. See 5 U.S.C. ' 3374(c)(2).
3. Under the Federal Employee Liability Reform and Tort Compensation Act of 1998 (commonly known as the Westfall Act), 28 U.S.C. ' 2679(b)(1), if an employee of the United States is named as a defendant in a civil action, the Attorney General or his or her designee may certify that the defendant acted within the scope of his or her employment at the time of the incident giving rise to the suit. 28 U.S.C. ' 2679(d)(2). The United States can then be substituted for the employee as the sole defendant with respect to any tort claims alleged in the action. 28 U.S.C. ' 2679(d)(2). If the United States is substituted as defendant, the individual employee is thereby protected from suit on any tort claim arising out of the incident.
4. If the Attorney General declines to certify that an employee was acting within the scope of employment, the employee may at any time before trial petition the court to find and certify that the employee was acting within the scope of his office or employment. 28 U.S.C. ' 2679(d)(3).
5. Liability for any negligent or willful acts of JTTF members undertaken outside the terms of this MOU will be the sole responsibility of the respective employee and agency involved.

**FOR OFFICIAL USE ONLY**

**B. CONSTITUTIONAL CLAIMS**

1. Liability for violations of federal constitutional law may rest with the individual federal agent or officer pursuant to Bivens v. Six Unknown Names Agents of the Federal Bureau of Narcotics, 403 U.S. 388 (1971) or pursuant to 42 U.S.C. ' 1983 for state officers.
2. Federal, state, local, and tribal officers enjoy qualified immunity from suit for constitutional torts, insofar as their conduct does not violate clearly established statutory or constitutional rights of which a reasonable person would have known. Harlow v. Fitzgerald, 457 U.S. 800 (1982).
3. If a Participating Agency JTTF officer is named as a defendant in his or her individual capacity in a civil action alleging constitutional damages as a result of conduct taken within the course of the JTTF, the officer may request representation by DOJ. 28 C.F.R. ' ' 50.15, 50.16.
4. An employee may be provided representation when the actions for which representation is requested reasonably appears to have been performed within the scope of the employee's employment, and the Attorney General, or his or her designee, determines that providing representation would otherwise be in the interest of the United States. 28 C.F.R. ' 50.15(a).
5. A JTTF member's written request for representation should be directed to the Attorney General and provided to the Chief Division Counsel (CDC) of the FBI division coordinating the JTTF. The CDC will forward the representation request to the FBI's Office of the General Counsel (OGC), together with a letterhead memorandum concerning the factual basis of the lawsuit. FBI's OGC will then forward the request to the Civil Division of DOJ, together with an agency recommendation concerning scope of employment and DOJ representation. 28 C.F.R. ' 50.15(a)(3).
6. If a JTTF member is found to be liable for a constitutional tort, he or she may request indemnification from DOJ to satisfy an adverse judgment rendered against the employee in his or her individual capacity. 28 C.F.R. ' 50.15(c)(4). The criteria for payment are substantially similar to those used to determine whether a federal employee is entitled to DOJ representation under 28 C.F.R. ' 50.15(a).

**FOR OFFICIAL USE ONLY**

7. Determinations concerning legal representation and indemnification by the United States are discretionary and are made by DOJ on a case-by-case basis. The FBI cannot guarantee that the United States will provide legal representation, legal defense, or indemnification to any federal or state employee detailed to the JTTF, and nothing in this Article shall be deemed to create any legal right on the part of any JTTF personnel.

C. EXPRESS RESERVATIONS

1. Nothing in this Article shall be deemed to create an employment relationship between the FBI or the United States and any Participating Agency JTTF member other than for exclusive purposes of the FTCA, as outlined herein.
2. The participating agencies do not waive any available defenses and/or limitations on liability. No Participating Agency shall be considered to be an agent of any other Participating Agency.

XXII. DURATION

- A. The term of the MOU shall be an indefinite period. The MOU may be terminated at will by any party, provided written notice is provided to the other parties of not less than sixty (60) days. Upon termination of the MOU, all equipment will be returned to the supplying agency(ies). It is understood that the termination of this agreement by any one of the Participating Agencies will have no effect on the agreement between the FBI and all other participating agencies.
- B. Notwithstanding this provision, the provisions of Paragraph IX, entitled RECORDS, REPORTS AND INFORMATION SHARING, and Paragraph XXI, entitled LIABILITY, will continue until all potential liabilities have lapsed. Similarly, the inherent disclaimer limitation contained in the EXPRESS RESERVATION provision will survive any termination.

The modifications shall have no force and effect unless such modifications are reduced to writing and signed by an authorized representative of the FBI and the Participating Agency.

**FBI NATIONAL VEHICLE LEASE  
VEHICLE USE AGREEMENT – NON-FBI TASK FORCE OFFICER**

FBI Office/Program: Phoenix Division / Counterterrorism  
Vehicle Operator Name: Ronald Jackson  
Operator's Agency: Arizona Attorney General's Office  
Operator's Task Force: Joint Terrorism Task Force

**Ronald Jackson** (operator), Arizona Attorney General's Office (agency), is being provided a leased vehicle by the Federal Bureau of Investigation (FBI) for use in connection with his or her assignment as a Task Force Officer to the task force identified above.

The operator and the agency understand and agree to the following conditions related to vehicle use:

1. Use of the vehicle is a privilege carrying certain responsibilities as derived from the lease contract, law, regulation, and FBI policy, including the FBI's Government Vehicle Use Policy Guide (GVU PG). Failure to comply with the responsibilities and conditions outlined in this Agreement may cause the FBI to terminate the Agreement and prohibit further vehicle use. In addition, the vehicle operator using a vehicle for non-official purposes may be individually liable for the costs of such use, any consequent damages to the vehicle, and any injuries or damages sustained by third parties.

2. The operator shall familiarize himself/herself with the applicable FBI National Vehicle Lease Program (NVL) Guidance, the GVU PG, and the applicable task force Memorandum of Understanding (MOU). The NVLP guidance addresses procedures and responsibilities related to the lease program, while the GVU PG establishes the policy governing the use of government vehicles (GOVs), including vehicles leased or directly rented by the FBI. The task force MOU governs the formation and administration of the task force.

3. The above-identified Task Force Officer and Agency understand that the following restrictions govern appropriate use of the vehicle:

a. The operator shall use the vehicle only for official purposes related to performance of duties assigned under the FBI Task Force program. The operator shall not use the vehicle for personal use or any other use not directly related to activities authorized within the mission of the FBI Task Force program. The operator may use the vehicle for travel between home and place of work only when specifically authorized in accordance with the GVU PG by an appropriate FBI official (no lower than ASAC).

b. The operator is authorized to use the vehicle only during the operator's assignment to the task force. Upon cessation of the operator's assignment, the operator shall return the vehicle immediately to the FBI. The operator agrees to return said vehicle to the FBI in the same condition as received, except for normal wear and tear. The operator and/or the agency could be held accountable for damage.

c. The operator shall not operate the vehicle if the operator fails to possess a valid driver's license. The operator shall exercise reasonable care in using the vehicle and shall not use the vehicle for any illegal activities, including operation while under the influence of drugs or alcohol.

d. The operator must not permit unauthorized persons to operate the vehicle.

e. The operator must only transport authorized passengers in the vehicle (i.e., persons with whom the operator has official business related to the FBI Task Force).

4. The following responsibilities are imposed through implementation of the lease contract, and the operator and/or the agency shall comply as stated:

a. If instructed to pick up or turn in a vehicle acquired under the NVLP contract, the operator shall conduct an inspection of the vehicle at the time and place of pick-up or turn-in, and shall accurately complete a Vehicle Inspection Report (provided by the FBI) documenting the results of the inspection. The operator shall provide the completed report to the FBI task force supervisor for subsequent submission to FBI Headquarters.

b. The operator and the agency shall ensure that no law enforcement or other equipment is installed in the vehicles in a manner that requires drilling or otherwise alters or damages the vehicle. The agency shall be responsible for any damage it may cause if it installs equipment.

c. The operator shall retain a Driver's Users Guide, provided by the FBI, which provides information on a national maintenance account, in the vehicle glove compartment at all times. The operator shall take the vehicle to a participating servicing facility at the intervals identified in the kit to obtain necessary preventive and other maintenance. Although the operator does not pay for repairs under this maintenance program, the operator shall obtain receipts for all service to enable reconciliation of billing statements, if necessary. The operator shall provide receipts to the FBI task force supervisor.

d. If a fuel card is provided in conjunction with the vehicle, the operator shall retain the card in the vehicle glove compartment at all times. The operator shall use the card only for purchasing fuel for the assigned vehicle. The operator shall use the card in accordance with all instructions in the Driver's Users Guide, including inputting correct odometer readings as prompted at the fueling station pump.

5. The operator and the agency shall be responsible for any and all parking tickets and traffic citations, unless it is determined that a violation or infraction was necessary for the performance of official duties. The operator shall report tickets and citations as soon as possible to the FBI task force supervisor. The operator/agency shall resolve all outstanding fines promptly and may be denied a subsequent or replacement vehicle until fines are resolved.

6. The operator shall immediately notify the Chief Division Counsel of the Field Office's Legal Unit **AND** the FBI task force supervisor of **ANY** accident involving the vehicle. The operator shall follow procedures for handling accidents, as outlined in FBI NVLP Guidance and the FBI's Gvu PG.

7. The operator and the agency recognize the following liability considerations related to use of the vehicle, as further detailed in the applicable task force MOU:

a. This agreement does not alter the potential liability of the operator, the agency, or the United States under applicable law.

b. For the limited purpose of defending a civil claim by a party seeking damages from the operator arising from the alleged negligent operation of an FBI-leased vehicle by the operator, the operator may be deemed to be an employee of the United States as defined in the Federal Tort Claims Act (FTCA), 28 U.S.C. §§ 1346(b), 2671-2680, provided the operator was acting within the scope of his or her duties or assignments pursuant to his or her federal deputation and in conformity with the terms of this Agreement at the time of the incident giving rise to the claim

c. Liability for any civil claims arising from the unauthorized use of an FBI-leased vehicle by the operator undertaken outside of the scope of his or her duties or assignments pursuant to his or her federal

deputation and not conformity with the terms of this Agreement will not be the responsibility of the FBI or the United States.

This Agreement shall remain in effect until the earliest occurrence of the following: conclusion of the operator's assignment to the FBI task force identified above, conclusion of the FBI's participation in the National Vehicle Lease Program, or termination by written notice of one party to the other. Upon the occurrence any of these events, the vehicle shall be returned immediately to the FBI. This agreement may be modified subsequently through written agreement of the parties.
