Re: February 3, 2020 Public Records Act Request

To Whom it May Concern:

This letter constitutes the Renton School District's acknowledgement that it has received your February 3, 2020 email in which you requested records pursuant to the Washington State Public Records Act ("PRA") RCW 42.56. The District has reproduced your request below for reference:

- 1. I request an electronic copy of all email communications between any employee of the Renton School District and any member of the Washington School Personnel Association for the years 2014-2020.*
- 2. I request an electronic copy of all emails in the possession of the Renton School District to or from any user of the internet domain WSPA.NET for the years 2016-2020.*
- 3. I request an electronic copy of all RECORDS and WRITING, documents, agreements, meetings, papers, scheduling, etc. referencing the Washington School Personnel Association for the years 2014-2020.*

The Washington School Personnel Association is a Washington State Non profit corporation located at 6118 PARKSIDE DR, ANACORTES, WA, 98221.

The District anticipates that it will provide you with the first installment of records responsive to your request by March 10, 2020. Extra time is necessary to locate and assemble responsive records, redact any information that may be exempt, notify any third parties who are affected by the request, and provide responsive documents to you. This is an estimate and the District may request additional time if necessary, to respond to this request.

Should you have any questions or need to clarify your request(s), please feel free to contact me at 425204.2371 or emily.ganyo@rentonschools.us

Sincerely,
