Re: Plainsburg's] Determination Response to May 18, 2023 California Public Records Act Request

Dear Sir/Madam:

This letter constitutes the Plainsburg's determination regarding the disclosure of records within its possession that are responsive to your California Public Records Act Request, which was received by the on May 18, 2023 by email. Plainsburg responds to your Request as follows:

Request No. 1

Electronic copies of any email notifications, letters sent to employees, staff, teachers, contractors or parents about cyber attacks, ransomware attacks or data breaches against individual schools or the district within the past three years (Jan. 2020-May 18. 2023).

Response to Request No. 1

Your request is subject to exemption from disclosure since the volume of records to be searched is so great that it constitutes an unduly burdensome request under the "rule of reason" implied in the CPRA. [See *Rosenthal v. Hansen* (1973) 34 Cal.App.3d 754, 761; *California First Amendment Coalition v. Superior Court* (1998) 67 Cal.App.4th 159, 166.] The CPRA permits requestors to have reasonable access to the desired documents and to secure copies of specific documents, but this is subject to the imposition of reasonable restrictions on general requests for voluminous classes of material. [See *Rosenthal, supra*, at p. 754.]
