Subject: Alaska Public Records Act Request: Alaska police data collection (Police Department)

To Whom It May Concern,

This is to acknowledge receipt of your request dated August 19, 2022. The Ketchikan Police Department is in the process of reviewing your request. Once that has been completed it will be submitted to the City Law Department for legal review and any appropriate redactions. The City Attorney is out of the office until the second week of October so I am not in a position to inform you when you will receive a response. There is no state statute that mandates the City respond within 10 business days and the City is not subject to the state regulations governing responses by the executive branch of state government. The City will provide a response in a reasonable time under the circumstances involved.

Sincerely,

Eric Mattson  
Deputy Police Chief
