Mr. Eater:

On November 5, 2018, we received your email dated the same day requesting records in the possession of the 911 Coordinating Council. In your email, you requested the following:

Pursuant to the Kansas Open Records Act please provide the letter sent by the 911 Coordinator Council to the Shawnee County District Attorney. The letter was discussed and voted on in open session of the 911 Coordinating Council on August 10, 2018. A letter discussed in an open meeting, voted on in an open meeting and sent as the result of an open meeting is considered an open record.

We have completed our search for records that may be responsive to your request for records. Please be advised that we possess no records that are responsive to your request for records.

Because the effort to identify responsive records was de minimis, there will be no charge.

I trust this information is useful. Please feel free to contact us again concerning any matter within our jurisdiction.

Sincerely,

911 Coordinating Council
