Narrative.....

On 04/03/2019 at 11:20am, Officer N. Griggs 1413, Officer A. Thompson 437 and Officer M. Cross 1115 were dispatched to Eldorado Retirement, 714 W Arapaho Rd Apartment 216, Richardson, Dallas County, Texas regarding a disturbance.

Officer Griggs contacted the resident, Ronald Silver (72 years old), who stated his son, Stuart Silver (w/m, [REDACTED]), hit him at approximately 10:35am. Ronald Silver advised his son was laying in the bedroom asleep and he wanted his son out of the residence. Ronald advised his son hit him on right forearm. Officer Griggs observed a fresh wound on Ronald Silver's right forearm with bright red blood covering his entire forearm. The skin on Ronald Silver's forearm looked torn. When Officer Griggs asked how his son hit him, Ronald Silver stated "oh. You wanna know how he hit me?" then made a closed fist with his right hand and punched the open palm of his left hand. Ronald Silver stated the only place Stuart hit him was his right arm.

Officer Griggs contacted the son who had blood on his face and left hand. Blood did not appear to belong to Stuart Silver due to the fact he had no cuts or abrasions. Officer Griggs observed Stuart Silver dressed only in boxers with bruises on his right bicep. Officer Griggs observed blood on the sheets of the bed next to where Stuart Silver was lying down. Officers had trouble attempting to wake Stuart Silver. Officer Griggs and Officer Thompson smelled the odor of alcohol coming from Stuart Silver. Stuart Silver verbally identified himself to Officer Thompson. Officer Thompson then located a wallet containing [REDACTED] DL [REDACTED] that was also used to identify Stuart Neal Silver.

Stuart Silver is not a resident at the Eldorado Retirement Home, 714 W Arapaho Rd, and does not need to return for any property.

RFD was notified and responded. Ronald Silver refused to be treated by paramedics. Ronald Silver became irate and uncooperative.

Officer Griggs took photos of the blood on the bed in the bedroom, the blood on Stuart Silver's hands and face, and overall condition of Ronald Silver. Officer Griggs attempted to take photos of the wounds on Ronald Silver's forearm, but he refused to allow Officers to do so.

Stuart Silver was transported to the RPD Jail and charged with T.P.C. 22.04 Injury to Elderly Individual, F/3.

Officer Griggs completed a Notice of 4-hour Extended Incarceration.

Officer Griggs completed an Application of Extended Incarceration.

Officer Griggs completed an Emergency Protective Order.

Open Records Division
Office of the Attorney General
State of Texas
P.O. Box 12548
Austin, Texas 78711-2548

RE: Public Information Request Received by the City of Richardson Police
Department, from Ron Silver, dated April 23, 2019

Dear Open Records Division:

As the City Attorney for the City of Richardson, we are writing to request an opinion on the above referenced request for public information, pursuant to Sections 552.101, 552.103, 552.108, and 552.130 of the Texas Government Code. A true and correct copy of the request is attached as Exhibit "A". The request was received by the City on April 23, 2019. We responded to the requestor by a separate letter along with a portion responsive information, which is attached hereto as Exhibit "B". We have enclosed a true and correct copy of the responsive document we seek to withhold attached as Exhibit "C".

The City asserts that the responsive information is excepted from public disclosure pursuant to the litigation exception of Section 552.103 of the Texas Government Code, as it is part of a case file that the Police Department intends to file, or has already filed with the District Attorney's Office. The release of the information would circumvent rules of discovery established for litigation proceedings. Furthermore, release of the information places undo hardship on the Police Department and individuals prosecuting the case. Therefore, the responsive information is excepted from disclosure pursuant to Section 552.103 of the Texas Government Code.

The City asserts that the requested information is excepted from public disclosure pursuant to Section 552.108 of the Texas Government Code. Section 552.108 excepts from required public disclosure information held by a law enforcement agency or

**POLICE
DEPARTMENT**

972-744-4800

prosecutor which deals with the detection, investigation, or prosecution of crime if the release of the information would interfere with the detection, investigation, or prosecution of the crime, Texas Government Code, Section 552.108(a). In this case, the responsive information is information held by a law enforcement agency which pertains to a crime which has not been fully investigated. Releasing this information to the requestor would release personal contact information pertaining to other witnesses involved and would interfere with the detection, investigation or prosecution of a crime. For example, the release of the information could subject witnesses to possible intimidation or harassment, harm the prospects of future cooperation by witnesses and disclose investigative techniques and leads in the investigation. Since the case is still an active, pending case, releasing such information would unduly interfere with the investigation, detection and prosecution of this case. Therefore, the responsive information is excepted from disclosure pursuant to Section 552.108(a).

The City asserts that portions of the responsive information are excepted from public disclosure pursuant to Section 552.130 of the Texas Government Code. Section 552.130 provides that (a) Information is excepted from the requirement of Section 552.021 if the information relates to (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or] (2) a motor vehicle title or registration issued by an agency of this state [.] This exception requires a government body to withhold Texas motor vehicle information such as the Texas driver's license number, vehicle identification number, the type/class of license, copy of the license and license plate number under Section 552.130. Therefore, portions of the requested document are excepted from disclosure pursuant to Section 552.130 of the Texas Government Code.

Your office has issued a previous determination (OR2017-00069) on January 3, 2017, which authorizes the City to withhold the dates of birth of public citizens under Section 552.101 of the Government Code in conjunction with common-law privacy.

In accordance with the provisions of the Public Information Act, we are providing your office with all relevant documents. We respectfully request that you review these records and issue an opinion with regard to the confidential or public nature of the documents. Should you have further questions regarding this matter or require further information, please do not hesitate to contact this office. Thank you for your attention herein.

Please reference file number P001288 in your response.

Sincerely,

A handwritten signature in cursive script that reads "Peter G. Smith".
