Re: Request for Public Records

To Whom It May Concern,

This correspondence constitutes the Riverside Unified School District's ("District") acknowledgement and response to your Request for Public Records, pursuant to the California Public Records Act ("PRA"), (Government Code § 6250 *et seq.*)

You have requested the following documents:

- Documents showing the cumulative number of positive COVID-19 cases among students and staff at each RUSD school site, facility and department, from December 1, 2022 through December 31, 2022.

As you know, the CPRA does not require the creation of records. As a result, the district has provided the attached disclosable public records which are responsive to your request. To the extent the District inadvertently produces any privileged document(s) which are encompassed by an exemption under the PRA or any state or federal law, such a production is not intended to be a waiver of any privilege or any right to withhold such documents or documents of a similar nature.

Sincerely,

Raul Ayala
