To: Global <Global@rlalibrary.org>

Hi Everybody,

Effective immediately all in-Library and appointment services will be suspended until Tuesday, 10/20. Curbside hold pickups will still be available during this time. Patrons will not be able to come in to pick up holds – we will need to place them on the curbside table.

If you're scheduled to work during this time and haven't been told to stay home please continue to come in. Marina will be Thursday's point person in the morning to assign any specific tasks needed. Sean will be in at 1:00pm and will help with the evening shifts.

More info will be announced as it becomes available.

Thank you.

Sean
