Plans are to still reopen 8/3. We haven't made any public announcements because of covid numbers increasing. We didn't want to promote opening, and then, not opening. So Marina or Jim will let Outreach Services to know when to begin announcing our reopening. But as of now we are planning to open Monday.

The attached document is the announcement of services we will/will not offer once Marina or Jim gives Outreach Services the go ahead with marketing. Please review it, ask any questions. I just want everyone to be clear on what services are being offered when we open Monday.

Thanks.
