To Whom It May Concern:

The District is in receipt of your two California Public Records Act requests, dated January 1, 2019, for records available as the result of the implementation of Senate Bill 1421. Your requests, addressed to the Chief of Police and the Independent Police Auditor, were received in our Office on January 2, 2019.

The District is in the process of reviewing its files for documents that are responsive to your requests. This letter will serve to advise you that, to the extent the records you have requested exist in the District's custody and are not legally exempt from disclosure, they will be made available to you.

The District estimates the documents, if any, will be available by January 28, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you.

Sincerely,

Patricia K. Williams
District Secretary
