Kelli,

Please let me know if you want me to send you those two files directly. I can do that.

Best,

Wanyi, thank you for setting this up and sending files.

There are a lot of files. Please direct us to the current proposal for the project we are working on. We need to focus on the Zoo's current proposal for parking, access to parking, associated animal crossing types and locations.

We need to be focused tomorrow on these elements tomorrow so that the team can understand the current proposal.

Thanks,
Kelli
